

No Siren's Wail When New Fire Truck Rolls

Driver Red Roshier and Georgetown Fire Department Chief Jack Cunningham stand beside the newest truck in the fire-fighting fleet, a cab-over-motor vehicle built by Thibeault of Montreal on a Ford chassis, and bought from C. R. Hickey and Sons Ltd. by Esquesing Township for \$27,750. The Hickey tender was the lowest of five. The truck has a 750 h.p. motor and has a 500 gallon capacity. It boasts many other features but its most obvious when it's en route to a fire is the European type siren which emits a two tone honking instead of the familiar wail. The department fleet now includes two Esquesing Township trucks, and three Georgetown trucks. Because of limited space at the Guelph Street fire hall one of the Georgetown trucks is kept at Georgetown Dairy.

White smoke belchies from burning hay piles in a field at Stewarttown.

TAKE NOTICE

THAT the Committee of Adjustment for the Town of Georgetown will hold a hearing on Tuesday, July 21, 1970 at the hour of 7:30 p.m. at the Municipal Building, Georgetown, to hear the application of Mr. and Mrs. F. L. Early, 56 Montrey Cres., Georgetown, for relief from by-law 57-81 (as amended) as said by-law affects Lot 111, Plan 687, in the said Town of Georgetown. This application asks for relief from the minimum lot area coverage requirement. The owner proposes to sell a strip of land to his abutting owner thus making his lot coverage less than the required 5,000 square feet.

(Mrs.) E. A. Cochran, Secretary - Treasurer Georgetown Committee of Adjustment, 11 Gower Ct., Georgetown (Phone 877-9874)
