

# Eckerich Leads From First Lap for Late Model Title

by Vivian Shaw

Acelon August 2 — The late model feature was run off very well today except when on the fourth lap Steve Pliotto spun along with Lawrence Majury. Bernie Campbell driving Chuck Lawlor's car ran into the rear of Majury and blew a rad.

Bruce Bailey started in outside pole and was able to hold the lead for the first six laps. On the seventh lap Richard Bentley and Murray Wallace along with the lead car Bruce Bailey tangled.

Ed Stewart was just waiting for a wrong move so he took over the lead on the 7th lap. Larry Bain started in 6th place and had got into second place by the second lap. Bain really drove but could not catch Stewart again. Ed Stewart took the feature finishing on seven cylinders as he blew a piston on the second lap. Larry Bain was second while Frank Ball held down third place.

### NO ACCIDENTS

Our six cylinder feature ran off in fine style without any accidents or spinouts. Starting in outside pole John Falka took the lead on the first lap with Jim Patterson behind him pushing hard. George Wrigglesworth started in seventh place and held down third place for seven laps before taking over second on the eleventh lap so John Falka took his second feature this season with George Wrigglesworth second and Jim Ellis third.

Monday August 3 — Our late model mid-season championship race today was run very smoothly, no restarts in this race. Hugh Eckerich started in outside pole and took over the lead on the first lap. Chuck Lawlor who started in sixth place took over second spot on the second lap and challenged Eckerich all the way up to the twentieth lap when going into No. 3 turn Lawlor spun but the fourth place car was back just far enough that Lawlor was able to get back into third place. This put Cliff Faryon into second place as he was running a close 3rd when Lawlor spun. So Hugh Eckerich received a lovely trophy from Miss Acton Speedway donated by Ron White.

### REALLY SOMETHING

The six cylinder mid-season was really something. On the first lap Barry Habben ran into the fence at the starters stand and had to be towed away. Our starter Brian Hill had just got the race underway when Glenn Speers and Ron Marshall tangled on No. 1 turn. Larry Majury also had a flat tire. This was another complete restart. On the third lap Ron Marshall spun again so the red flag once again was brought out, at which time Larry Majury and Glenn Speers were back in the race.

On the eighth lap Marshall was sent to the pits as he once again spun out. Jim Ellis started in pole position and never once looked back as he went ahead to win the mid-season and also was presented with a trophy from Karen Ball (Miss Acton Speedway) on behalf of Ron White. George Wrigglesworth was pushing hard but just couldn't get past Ellis so Wrigglesworth played bridesmaid and took second spot while Larry Cox held down third place.

The staff race was a race between two people. Ron White and Ray Thompson. They changed the lead three times with Ray Thompson coming out the winner. Brian Hill had the lead but in the car he was driving, the transmission decided not to work so that was the end of Brian.

PIT STOPS: Ed Stewart worked on his car until three a.m. Monday morning after sending his mechanic to Toronto for new pistons. After all this Stewart pulled on the track today for his first race and blew the motor.

John Falka also blew the motor in his race. Another boy running so well in the feature was Larry Bain he had to pull out as he blew his clutch.

### KINSMEN GIRLS' SOFTBALL

# Pot Shot Season Means Volunteer Umps Get Lumps

by Mary Cooper

It seems that the 'pot shot' season is upon us again and this is the resulting reminder. Every year we publish basically the same article telling the fans and the parents that we are very pleased to see them at the park enjoying the ball and watching their favourite team. But, and it is a big BUT, we do not appreciate anyone who injects any note of poor sportsmanship into the game whatsoever, and that's by our standards.

The group of people that are being given a rough time are the very people who spend many, many hours weekly at the park strictly for the fun of the league and the benefit of the girls. They neither know nor care what colour sweater the girl has on when the call is being made. If we lose the support of these people who gladly are at the park at least twice a week, we would be hard pressed to provide anything of value for the girls.

So, once again — welcome — if you can cheer positively for your favourites. If not, please send your girl to the park, and leave the ball for the girls. None of them are ever going to depend on baseball for a living.

### EXTEND PLAYING MATCH

At a recent coaches' meeting and social, some decisions were made and some reminders were passed out. The major decision was that the playing schedule would be extended by 2 weeks, taking the playing times three to the week before the playoffs. The girls will simply continue to play until the September 12th championships.

The Championship day will be a one day event, as last year, to be held at the main Georgetown park, starting at 9 a.m. There will be 3 innings or 1 1/2 hour games, continuing until a Junior and a Senior Championship has been decided.

It unfortunately has to be a one game knockout in the Junior League because of the number of teams involved, but the seniors will be a two game knockout.

At the conclusion of the day, crests will be given to every girl in both leagues, regardless of how they did in the Championships. Trophies will be presented to the champions from each league and finally the special trophies will be presented.

One will be given to the Home Run Queen from each division, based on the most homers hit during the regular season of play. Then the Alton Trophy for the most Improved Player in the Junior League and one in the Senior League will be presented. The Senior trophy is a new one this year and is quite a welcome addition. These trophies go not to the best player, but to the one who, in the coaches' opinion, has shown the most improvement over the year.

The booths will be available to the girls throughout the day, per usual, and they again will be given a free pop and a hot dog. All on Saturday, Sept. 12.

The reminder at the meeting was that all players must wear shoes and team sweaters. If either are missing they will not be allowed to play that game. All sweaters must be

### JR. LEAGUE TUES, JULY 30

This is a real tied up League, with the standings as close as you get. It should provide a very keen and interesting last half to the year. Mardell's and Superior are battling out the 1 and 2 position, while Upholsterers, Shoprite and Hunter's vie for the best of the 3, 4 and 5 spot. Even the 6th and 7th position are at a par between Zenith and the Dairy Queens.

### SHOPRITE 5c TO \$1 — 10 KINETTE KRUISERS — 5

Shoprite led all the way, holding the Kinettes to only two scoring innings. Game stars were split between Shoprite's pitcher Donna Evans and their 3rd base Sheila Rafferty. Sheila played a good defensive game and Donna matched her mound prowess with a 3 for 3 at bat including two doubles.

Wilson Hatcher umpired the game that saw Kinsman 1st Foster become the winning coach.

### W. F. HUNTER, Realtor — 17 GEORGETOWN UPHOLST. 13

This was a fairly close game in the opening innings, and although the lead never left the Hunter's, the Upholsterers put on a couple of spurts that must have worried them a bit. Theresa Callaghan was picked as game star. A good game on first base plus a home run made her night for the Upholsterers.

Turning in good games for the winners were pitcher Marilyn McMahon and 1st base Margo Butler. Marilyn had an excellent night on the mound while Margo tagged one long ball to match her defensive performance.

### SUPERIOR FOODS — 33 CYCLE AND SPORTS — 17

Oh, what a game for sore shins, but he promised to be back if he could walk. Isn't that right, umpire Gus Elliott? Home runs galore — 6 to be exact — boosted Superior Pam Bryan to a good lead in the Home Run Queen competition. Her teammates must have thought it looked like fun because between them they accounted for another.

In spite of how heavy the hitting was for Superior's game was close for the first inning and actually belonged to the Cyclists in the second. But a 20 run inning in the third gave the match back to the Founders winning pitcher was Shaaron Barclay and winning coach was Kathy Linee, while her co-coach was vacationing Pat Monckton.

Superior's home runs were hit by Pam Bryan 6; Karen Heron 3; Lori Lavoie 2; Shaaron Barclay 2; and Susan Milne.

The Cyclists had two home runs for their team and they were hit by Gail Mack and Beth Kewley, her first of the year. Game star was the umpire.

### ZENITH TOOL & DIE — 18 MURRAY MOTORS — 12

Zenith's seemed to be finally hitting their stride as they hit the win column again this week. They led this match all the way, with the starring contribution being made by their pitcher — first baseman Terri Zuber. Her mound efforts were matched by her excellent batting. She had 3 home runs and a double.

Also tagging homers for Zenith's was shortstop Julia Phillips, with two.

Lynn Scarborough hit the lone 3 homers for Murray's.

Winning pitchers were Karen Munro and Terri Zuber, with winning coaches Cindy Cooper and Laraine Godden.

### DAIRY QUEEN — 21 MARDELL'S HAIRSTYLES 3

How the mighty keep tumbling! First the Upholsterers rode atop the League and have hit the skids in the last three games and now Mardell's give appearances of surrendering some superiority. They still hold top spot but this was a trouncing for them. By the time

### they managed to put one run across the plate in the third inning, the Queens already had scored 11 times.

There was no doubt that the game star was Charlene Milton, shortstop for the Queens. She was in the game all the time, playing very alertly, and had a beautiful night at bat. With her two home runs, she had a double, a triple and a single.

Two grand slam homers went to Tracey Spicer and wee Sue Fournier. Lida George, the smiling one, also belted out a home run.

For Mardell's, the hitting strength was pitcher Sandra Bratkin, who tagged two balls for homers.

Well worth a mention is that little ball of fire called Susie Fournier. Sue pitched this 21-3, winner all the way and she's no bigger than a mite. Since she's been handling the mound chores, she pitched 22 innings and the unlucky opposition has scored only 22 runs. Keep up the good work, Susie.

### SENIOR LEAGUE THURSDAY, JULY 30th

This is the year for ties. Last week's equality of teams for first spot was broken this week when Barrager's met and defeated their first place opponents — Young's Pharmacy. But Magnuson's Insurance and Blue Giant Equipment confused matters by entering a tie for third and Cable Jets — Leone's did the same. Scheduling had it that these teams each played one another to tie up the standings.

### BARRAGER'S CLEANERS 19 YOUNG'S PHARMACY 7

Barrager's, in an all out bid to capture the League lead, put themselves ahead 133 by the end of the 2nd round. They played one of their better games of the season, defensively too.

Mary Gudgeon, playing the shortstop position for the winners turned in one of the most alert games of the night and took the game star award. Mary made the key move in a sharp play that put another keen competitor out at third. Young's pitcher, Jan Inglis was on the steal from 2nd to 3rd, when the crossfire began with the ball. It is not uncommon to see the girls throw it away and give up the base. But the sharp ball moves by Debbie Higgins at 3rd throwing to second baseman Cathy Danyelchuk and letting Janice move out, only to be nailed by Mary Gudgeon who had moved into the 3rd bag, made the play a real pleasure to watch.

The lone home run of the game came off the bat of an up and coming Young's player — Patti Holjuk, 3rd base. Patti is in her first year of seniors

# Halton's Senior Stars Take on Buffalo Sunday

Manager Gary Jeffries of the first place Burlington Cardinals is the 1970 skipper of the Halton County Senior League All-Stars.

A former professional who played second base in the Detroit Tigers farm system at Statesville, N. C.; Eric, Pa.; and Batavia, N. Y.; Jeffries is

and shows the enthusiasm and promise of being one of the better players in the future. Some of the more lackadaisical players in the senior loop would do well to follow the example being set by the newcomers, both in game effort and team spirit.

### LEONE'S HAIR STYLES 19 CABLE JETS 16

Leone's had the sweet taste of victory for the first time this year. They have had the lead many times in as many games but one terrible inning usually took the glory from them. They almost pulled the same boob last week as they led the entire game, but gave the lead in the 4th to the Jets. The 5th had to be the deciding factor, and the Jets could muster up only two runs, while the Stylists crossed the plate six times.

Barb Curry, pitching for Leone's was the game star. Barb is another first year gal with all the fire and sportsmanship and talent to be a real credit to herself, team and the League. The winning coach, nursing his ulcers after such a hungry season, was Mike Wood.

### BLUE GIANT EQUIPMENT 17 MAGNUSON'S INSURANCE 13

Since the girls have displayed an interest in toying with their coaches' nerves, this game ran true to form. The lead in innings 1 and 2 belonged to the Giants, 3 went to Magnuson's girls, four by one run went back to the Giants, and so on, until the final outcome of this squeaker was decided.

The game star was Denise Parent, third base for the winners. She hit her first homers of the year and managed to get two in the one game, along with a triple. Denise is a first year senior and you can see her gaining strength and confidence with each game. The other lone home of the game went to Giant shortstop Dianne Fournier.

Winning coaches were John Danyelchuk and Gary Hagemans.

### TO MINORS

Assisting Jeffries as coaches will be the leaders of the three runner-up teams as of Thursday, July 30 — Doug Amos of Dundas, Earl Cairns of Campbellville, and Bob Salvisburg, of Oakville.

Although the all-star roster will be made up of senior players, all proceeds from the game will go to the minor section of the Halton County Baseball Association, to help keep the boys playing ball.

### SEMI PROS

He'll lead a picked team of 21 players against the semi-professional Buffalo Ramblers in the baseball circuit's 13th annual all-star game of Oakville, Sunday, August 9.

### JENNER JOINS ACERS

Georgetown golfers have more acres this season than a crooked poker deck.

Latest to record a hole-in-one is Charlie Jenner who aceed the par three 190 yard 13th at Brampton with a three iron, Thursday.

Eric Ross of Georgetown and Bill Gibbs and Elgie Harris of Brampton were witnesses.

### Morey Scores Sweep Special Kart Race

Dave Morey refused to take a back seat to any of his Class Five kart racing competitors in a special racing session at the North Halton Kart club near home of the game went to Giant shortstop Dianne Fournier.

Morey took the checkered flag for a ride three times winning the Class Five heat, semi and feature in the night's only sweep.

### Breen, Gilmour Team Partnership Winners

Ron Breen and Bob Gilmour teamed up to card a low net 64 and win a strange kind of partnership golf tournament at Georgetown Golf & Country Club last Wednesday night.

In this contest one half of the partnership played the front nine and the other the back nine. Because of a shortage of players, however, some of the golfers played the entire course and shared two partnerships.

Brian Donohue and Steve Petteo and Brian Donohue and Ed Amos had 66 for a second place tie.

Next was Stan Carroll and Heino Henning with 67, while Earl Mitchell and Ken Smith, and Glen Aitchison and Heino Henning shot 68s.

Forty took part.

### Hole in One Fourth of Season

North Halton Golf and Country Club recorded its fourth hole in one of the 1970 golf season Tuesday morning when Archie Pollock sunk his tee shot on the par three 172 yard 15th hole.

He was with his son Jim and brother-in-law at the time.
