Children's Pets on Display, Hornby Park

On Wednesday, July 29, Pet Day was held at the Hornby park when the children brought their pets to the playground. The pets were brushed and later judged for their cleanliness and good behaviour by Judy Gordon. There was also a race for the big green frog and a little brown toad. A candy scramble was held for the children following the judging. Some of the children made paper hats and others spent some time colouring. Pictures were taken by one of the local papers which made the children feel quite important.

Mrs. Jim Plant of the 8th Line Hornby, was hostess at a miscellaneous shower at her home on Wednesday night, July 29, with Mrs. Arthur Plant as co-hostess when friends, relatives and neighbours gathered

to honour Judy Smilie a bride-to-be. The living room was decorated with pink and white streamers and white wedding bells and an umbrella. Two contests were conducted by the hostess prior to the opening of the gifts. Sandy McLaughlin of Campbellville, a friend of the bride-to-be, made a very pretty hat of various coloured ribbons and bows. David and Tommy Plant assisted Judy with her gifts. Judy extended her sincere thanks to all for the lovely gifts. A delicious lunch was served and a social hour enjoyed.
