

Returns from Germany Gets London Posting

Cpl. George Watson, son of Mr. and Mrs. R. M. Watson, of Brampton, his wife and 14-month old son Robert Melvyn, have returned home from Germany where George has been stationed for the past five years with the Canadian Armed Forces at Souest. George was the star top scorer for the Royal Canadian Huskies hockey team while in Germany. He has been posted to London, Ontario.

Mr. and Mrs. Hugh Leslie and family of R. R. 4, Georgetown, have returned from a pleasant motor trip through the western provinces to Vancouver Island. They visited places of interest also friends and relatives at Sedgewick, Alberta, M. Moloy's at Red Deer and Norm and Ethel Summer, ville at Thunder Bay, Ontario. They flew home by DC 8 Sunday night.

Mrs. Lois Fendley, Marie and Randy, enjoyed a 3,000 mile camping trip to Prince Edward Island during the last two weeks of July. Although they encountered a lot of rain they enjoyed the scenery especially the Cabot Trail and a visit to Fort Louisburg.

Rev. and Mrs. Walter Ridley, Linda and Donna, spent ten days of their holidays at a cottage near Peterborough. During the rest of the month they enjoyed several short trips to spots of interest nearer to home. Mr. Ridley's brother and his wife, Mr. and Mrs. Harold Ridley, of Vancouver, visited with them for a few days.

Georgetown & District Memorial Hospital. Also get well wishes to Jim Russell who is a patient in Georgetown hospital.

Norval and Union Presbyterian Churches will be closed for the month of August. Adherents have been invited to worship in Norval, Glen Williams or Home United Churches.

Congratulations to Kenneth Robinson, son of Mrs. Nelson Robinson and the late Mr. Robinson, and Mary Judith Hills, of Georgetown, who were married in Norval Presbyterian Church on Friday evening, July 24.

Congratulations to Mrs. Norcon Thurbeck and Johannes Van Leeuwen who were married in Norval United Church on Saturday, August 1st.

Mrs. Frank Ferguson, Darlene and Debbie, enjoyed a couple of weeks camping at

Sherkston Beach on Lake Erie near Welland where Mr. Ferguson is employed. The first week was rather wet but the second week was ideal weather for their holiday.

Norval has lost another old time citizen with the death of Mr. Charles Coupland on Thursday, July 30. He was in his 80th year.

In past years he was active in community projects, being on the school board as a trustee for many years, and he was an active member of St. Paul's Anglican Church.

Although more or less confined to a wheelchair and to his home in the later years he lost none of his keen interest in community and world affairs. He will be missed by his many friends and neighbours.

Sympathy is extended to his family, Rev. and Mrs. Robert Coupland of Kingsville, Warwick of home, Rev. Canon Max-

See Best of the West On Tour to the Coast

Mr. and Mrs. Albert Presswood have returned home from a tour by train to the west coast. This included a rain in Edmonton and by chartered coach to Calgary where they visited the Stampede, through the Rockies to Banff and down

the Okanagan valley to Penticton, B.C. The valley is very hot and dry and if it were not for irrigation from April till October, there would be no fruit for which the Okanagan is so well known. It is a desert.

At Penticton they visited their nephew and his wife and family. Mr. and Mrs. Victor Starret own a trailer court there. Mrs. Starret's mother, Mrs. Brown who lived near Malton now lives with them.

They spent two days in Vancouver and Victoria. Then they went to Kamloops and on to Jasper for a few days. They came through the Rogers Pass which is the only pass through the Selkirk. They saw a film on the making of this pass which was an outstanding feat of engineering. From Jasper they came by train back to Georgetown having met many interesting people on the tour and having seen many of the lovely sights of our own country.

Last week Blake Inglis and Fred Weaver left by plane on a trip to England.

We extend belated birthday greetings to Mr. Clayton Allen, who celebrated his 75th birthday Sunday, August 2nd.

Vern Kirby left here last week by train to visit friends in Edmonton, Alberta.

Mr. and Mrs. W. Everson spent the holiday weekend with friends in Windsor.

Last Sunday morning Mrs. Tom Haines was literally scattering roses wherever she went. Through the generosity of Braeside Farms, Norval, she brought a load of roses to the village and both United Church and St. Alban's were decorated with the beauties as well as giving them to all elderly, sick and shut-in and even children on the streets were given some to take home to their parents. Those in the churches were shared with all attending services and many homes were brightened with the gorgeous colours and perfume. I am sure everyone enjoying them would wish me to express their appreciation to Mrs. Haines for her kind gesture in taking the time on Sunday morning to deliver them to your home.

Mrs. Clayton Allen met with a little accident last Friday when a car door closed on her fingers which was very painful. We hope they will soon be healed.

— Mrs. Cecil Earth

First container with five Holstein heifers is rolled to the rear of Air Canada cargoplane. Those small 'domes' on the floor are rollers.

Containers with bottoms wrapped in plastic and covered with a loading net are stacked until put aboard. Cattle are safe inside, and sardine treatment protects them during the flight.
