JUNIOR LEAGUE AUGUST 11

W. F. Hunter, Realtor: 13
Georgetown Cycle & Sports: 9
Cycle and Sports pitcher was Debbie Williams. Margo Butler and Wendy From pitched for Hunters. Both Joan Howat and Candy Moran of Hunter's excelled, their usual game. Realtor Margo Butler had a 5 for 5 at bat, 2 being home runs and Joan Howat belted out the only home run of the game.

Dairy Queen 14
Mardell's Hair Styles 12
This was a fingernail chewing game for both teams and their coaches starting at the 5th inning where Dairy Queen rallied to tighten the score and bring them back in the game. Sandy Bratkin pitched a good game but had to retire for a short rest while Lynn Anthony took over. Lil Susie Fournier and Charlene Milton shared the mound for the Queens and also shared the only two home runs of the game. Wee Cheryl Webster of Mardell's had a 5 for 5 at bat. You'll hear more about this little ball of fire. Ed Magdy was a father coming down to watch his daughters play ball but instead volunteered to go behind the plate to ump his first and we hope not his last game. It was a close and exciting game and he did a great job. Thanks loads. ED.

Superior Foods: 19
Shoprite 5c - \$1.00: 4

This was a game of home runs with 13 of Superior's score being home runs. Short stop Nancy Phillips of Superior was picked game star for her quick thinking and defensive play. Rhonda Preston pitched for the losers and Shaaron Barclay pitched for the winners. Home runs: Pam Bryan 4; Lori Lavioie 2; Shaaron Barclay 1; Joy Howat 1. all for Superior.

Georgetown Upholstery 11
Kinette Cruisers 10

What a tight game this was. Pitching for Upholstery was Marie Doucett and Laura Wilkes. Tracy Porter and April Sacco shared the pitches for Kinettes. Ump Al Mahaffy picked Laura Wilkes as game star. Two home runs were put out, one by Sandra Kerby of Upholstery and one by Tracy Porter of Kinettes.

Murray Motors: 8
Zenith Tool & Die: 8

A tie ball game here. Susan Hillier pitched for Murray's and Penny Todd for Zenith. An all out good effort by players from both teams was the decision of ump Mary Cooper. So the stars of this game were Murray Motors and Zenith Tool and Die. Diana Bratkin hit the lone home run for Murray's and Julia Phillips and Terri Zuber shared the credit for one home run each for Zenith.

McCrill picked Cathy Danylchuck as game star for her defensive playing on second base. Magnuson's third baseman Sharon Stoyles also excelled at defense. Home runs: Lorraine Enman belted a grand slam. Written Test Before Hunter Gets Licence

New hunters in Ontario will face a new test this fall when they attempt to prove their right to carry firearms in the hunting field. As in previous seasons, a new hunter is not qualified to purchase his first hunting licence until he has passed both a written and a practical test given by the Department of Lands and Forests.

NEW TEST

Beginning in September, a new written test will be given to examine in closer detail the candidate's knowledge of safe gun handling. The examination has been in an effort to prevent the unsafe practices which result in so many self-inflicted injuries. These accounted for 55 of the 130 hunting accidents in Ontario in 1969.

OBLIGATORY

New hunters are advised to take the department-approved course in hunter safety as soon as possible if they wish to go hunting this fall. For youthful hopefuls, below the age of 20 years, this safety training is obligatory. For information on courses and examinations, candidates should apply to the nearest department office.

BEAVER LOADED CAR? THERE WAS A REASON

with George Hoare
I hope the lengthy Outdoors column in last week's Herald sort of made up for the few weeks that it was absent from the paper.

There is an old saying — "Don't leave off until tomorrow what you can do today." My wife (Beaver) and I were cruising around Muskokaland when The Herald went on the stands. We came back today (Sunday).

One week ago about the same time (10 p.m.), I was writing the previous column. Beaver was loading the station wagon. Our neighbours probably thought I was leaving my beauty sleep and leaving all the work for my wife to do. Well, anyway, the column was written and the wagon was loaded. So we were all set for an early start next morning.

PAN SIZED

Len Burns of Sprucedale and I caught some nice pan sized speckled trout early in the week. While I was fishing, my wife was having a nice visit with her mother, Mrs. Irma Reid, who will be 80 years old in January. Despite her age, she is still quite able to tend a fair sized garden and make beautiful quilts on her sewing machine, plus doing her own preserving.

I know, because she gave us some to bring home. Peaches

DEER ARE SCARCE

While travelling through Algonquin Park not one deer was seen. Mr. Ralph Bico of Kearney

FLY FISHING
When fly fishing the line carries out the fly. A big bushy fly is more difficult to cast than a small one. Unless of course a special weight forward line is used.
SPINNING
When spin casting the lure pulls the line from the reel spool. For distance a light lure should be used with reasonable (Continued on Page 9)
