

SECOND SEASON BEGINS FOR HURONTARIO ORCHESTRA

Last year a small group of local people got together for a mutual interest, making music.

An orchestra was formed. Housewives came for an evening to forget the demands of their children, by blowing trumpets or playing violins. Teachers and high school students joined together in peaceful musical harmony. Farmers and businessmen brought along their fiddles and played together, completely forgetting they blame each other for high taxes.

Starting Second Season

Everyone enjoyed making music and ended their season giving enjoyment to others by giving a concert to senior citizens in Brampton.

The orchestra is starting its second season and invites keen musicians of any reasonable amount of skill to come to rehearsals. Violin, Viola, cello and string bass players are wanted in any numbers, and limited numbers of brass and wood wind players. High school and conservatory students as well as adults are welcome.

Regular weekly rehearsals will follow the first one on September 16 at Peel Manor, Brampton. The orchestra will be supporting the Brampton Police Association benefit in October and plans two further concerts during the season.

Georgetown Founders

Two Georgetown musicians, Keith Barber and Ralph Ussel founded the orchestra. Conductor is Erhard Liedtke of Cheltenham. It is called the Hurontario orchestra from the name given in regional development plans to this area. Orchestra members come from Georgetown, Brampton, Brantford, Acton and Milton districts.

BALLINAFAD

Fall Fair Displays are Discussed, W.I. Meeting

The September meeting of the Ballinafad W. I. was held at the home of Mrs. R. B. Kirkwood on Wednesday afternoon, September 2nd. It got underway at 1 p.m. in the form of a dessert luncheon. Mrs. Kirkwood and Mrs. Smith were the lunch committee. A decorated cake was served along with ice cream and other desserts. The candle-lit cake was in honour of the president whose birthday was that day.

There were 9 members and 3 visitors present.

Mrs. Jessie McEnery, president, opened the meeting in the usual way. Roll call was answered by each giving a name of a city in Europe beginning with the first letter of your Christian name and say something of its importance. Some of the business discussed were the displays for fairs coming up. Mrs. Jamieson and Mrs. Keir are to be the leaders in the new 4-H Homemaking club which is needle craft. The training school

Mrs. Wm. Graham gave a very interesting paper on Japan telling some of the history of this ancient country and the change to an industrialized people who now rank among the top nations of the world in exporting their manufacturing items. One of the most important industries in ship building. Others are radios, wristwatches, cameras, Honda motor bikes, toys and cotton goods, etc. With Expo 70 being held in Japan this year all were interested in learning more about this country and its people.

During the business a committee of Mrs. H. Chester, Mrs. J. Terry and Mrs. Amy Burk were appointed to look after the display for Georgetown Fair.

It was decided to have a family corn roast at the home of Mrs. Don Murray on Saturday evening, September 12.

The secretary, Mrs. W. Graham, read a letter from the adopted girl from Hong Kong.

The meeting ended with a special hour with Mrs. Terry and Mrs. Green assisting the hostess in serving lunch.

Mrs. Doreen Harrop enjoyed a 2 week holiday in Britain during August. She toured England, Ireland and Scotland and was most impressed with the beauty of Ireland.

Need More Help if Sunday Fair to Come

When Georgetown Fair Board met at the first of the year one of the innovations discussed was the extension of the annual fair to three days, by adding Sunday.

The idea has since been shelved — but not discarded.

SMEATON—I would like to thank friends, neighbours and relatives for their cards, gifts and visits during my stay in hospital. Special thanks to Dr. Duff, Dr. Panabaker, and the nurses in Ward A and also the kitchen staff for the good meals. Thank you to everyone — Marion Smeaton.

This year's fair will be held as usual on the first Friday and Saturday in October, the 2nd and 3rd.

Georgetown fair board president Stuart Hall told The Herald the main obstacle to overcome before a Sunday fair is possible is lack of help.

"We may consider a Sunday fair another year, but we'll need a larger board to handle the additional work involved," he said. "Right now we just don't have enough people for it."

A number of Ontario fairs are extending their dates to take in Sunday. With Markham Fair last year it proved very successful.
