

Division Championships Still Up In Air, No Decision Until Last Games

by George Duncan and Jim Lindley

There was some real cut-throat action in nearly every game this week with some of the most exciting games to be seen at Cedarvale and Yoder parks, in both Cup and League games.

This is the last week of soccer and only one division championship has been decided, the rest will all go down to the last games.

SQUIRT

Boomerangs 2 Thunderbirds 0
Wolves 3 Giants 1
Cup 1st Round
Boomerangs 0 Thunderbirds 1
Wolves 1 Bombers 2
Tigers 1 Golden Jets 0

Boomerangs hit a real good game against T-birds at Yoder and scored two goals in as many minutes and were unlucky not to score more in what turned out to be their best display this season.

Gary Duncan, Ken Turner and John Bell starred for the Boomerangs and Alex Paterson for T-birds. However, as happens so often, the cup games were different and T-birds turned the tables winning a real thriller 1-0.

Wolves defeated Giants 3-1 in their last game of the season to tie with Tigers at the top of the league.

However, once again Wolves were ejected from the cup in a tight game with Bombers 2-1. Tigers defeated the luckless Jets 1-0 on penalty kicks after tying 0-0 in overtime.

NO CUP RESULTS TO DATE

Falcons kept up their winning ways and beat Dynamos 2-1 in what as described by the spectators was the best game of soccer seen this season after trailing 1-0. Falcons came up with a big effort and ran out 2-1 winners.

Wildcats tried hard for their first victory but just failed, dropping a 1-0 decision against Bobcats.

Grizzlies fighting hard to hold on to top spot defeated Dynamos in another cliff-hanger 2-1.

MOSQUITO

League games are all completed in this division with Rockets taking the honours. Congrats to first year coach Martin Taylor.

CUP RESULTS

Jaguars 2 Rovers 0
Rockets 2 Owls 1
Tigers 1 Rangers 0
Raiders 0 Cougars 1

One only has to look at these scores to realize just how proficient the boys have become in this league which is probably the most closely fought in the association.

Jaguars and Rovers fought a hard battle and indeed Jag scored their second goal right on the final whistle.

Then Tigers and Rangers turned on a real cracker with no score at full time and still no score on overtime the game went to penalty kicks. Goalie Mike Fitzmaurice scored for Tigers then proceeded to save Rangers attempt to leave them out. Well done, Mike.

Rockets eased past Owls in a close 2-1 game and Cougars defeated Raiders 1-0. Three

out of four games decided by an odd goal, not too good for the nerves.

PEEWEE CUP RESULTS

Carretal 0 Beaver 3
Arsenal 3 Jets 1
Wolves 3 United 2

Carretal and Beaver clashed in the first round and Carretal just could not get over a rather soft penalty in the opening stages of the game. However, Beaver played well and came out strong winners.

Martin Hardcastle and Mark Gaskin played well for Carretal and Wygergangs played well for Beaver.

Arsenal beat a rather listless Jets team 3-1 in what must have been Jets poorest display of the year, the boys just did not get together and Arsenal took full advantage of this.

Wolves and United also went down to the wire in their game. Wolves trotting out 3-2 winners. John Ransome was the big shot in this game.

HALTON & PEEL

As expected the Cyclones and Rangers are sweeping their way to double honours in this league. Cyclones went into Acton and hammered the locals 5-0 then took the return at Cedarvale 4-0 to march into the finals in Acton on Saturday.

Rangers completely demolished Milton on Sunday 8-0 and go to Milton on Thursday to try to claim their place in the final. This play Acton on Tuesday and Thursday to try to make it a hat trick of teams.

In the Rangers vs. Milton game, goals came from Kevin Reeks turned on a really first class performance and was one of the main reasons for the big goal tally. Kevin who boots the ball equally hard with both feet has had some muscle trouble this year and it's good to see him back in form. Scorers for Rangers, Krocplli 2, Deero Thompson 2, Butler and McEadyen.

Why not have a day at the Acton finals on Saturday and cheer on the locals.

Now that the season is nearly over I think the committee and executive should receive a heavy vote of thanks for the work they have done this season.

A special thanks to Mrs. June Wilde and her auxiliary group of ladies who turn up with the fantastic buffets for the dances, also a special word for Len Reeks for the exceptional job of arranging referees which is no mean task for about 500 games.

Friday night is the wind-up dance for the season, so why not let your hair down with the in-crowd at the Legion. This probably the best \$4 (per couple) worth in Canada.

Scheduled games for next week.

AT ACTON SPEEDWAY —

LAWLOR RECOVERS FROM SPIN WINS LATE MODEL FEATURE

by Vivian Shaw

Acton September 20 — The late model feature today sure had its exciting moments, when on the third lap Cliff Faryon and Chuck Lawlor spun. The cars were round No. 4 turn so fast that Larry Bain ran into the front of Faryon unable to miss him. Ed Stewart then ran into the rear of Bain. Unfortunately Bain and Faryon were not able to continue. Stewart managed to get his car fixed in time to get back in and take scratch position although at the time of the accident he was in fourth place.

George Nicholls started in 6th place and jumped into the lead on the second lap. On the 7th lap the red flag was once again thrown when Ronnie Overland spun between No. 1 and 2 turns losing his driveshaft. On the flying restart it was Nicholls, Pottle and Wallace.

Chuck Lawlor who started in scratch worked his way up to second spot on the tenth lap. He was pushing hard finally on the fourteenth lap Lawlor got past Nicholls. On the 18th lap Nicholls had to pull out when he developed rear end problems. So Chuck Lawlor came through to take another feature today with Murray Wallace second and Larry Majurey third.

The six cylinder feature was was ran off very smoothly today. On the first lap there were four cars all together in a mix up with Larry Cox and George Wrigglesworth having to retire to the pits with a lot of damage. John Falke after starting in fifth place took over the lead on the 5th lap after Glenn Speers holding it prior to that. Falke was able to hold it until the ninth when he lost a wheel. This was the chance that Larry Majurey was waiting for. Majurey had been pushing hard. So Majurey took over the lead and another feature, with Jim Ellis second, and Rod Arnold third.

PIT STOPS — The last few weeks have been sort of busy ones for Larry Majurey as he has had both his father's car & his uncle's car at the track. So he jumps out of that top six into the No. 5 and drives in the 8's and does a very good job of

which ever car he is driving.

SUMACS ARE IN COLOUR SO RAINBOWS ABOUND

Canada geese were seen flying south one morning last week.

The days are much shorter and the sumac bushes along the hillside are ablaze with color.

We always said when the sumacs were in colour, go for the rainbow trout, for they will be in the rivers in great numbers.

A TRIP TO REMEMBER

Horace Bell and wife Bunny of R. R. 1, Georgetown arrived back home recently after a fabulous trip to the west coast.

They lived in luxury in their 14 ft. cabin trailer. They covered 11,000 miles from start to finish. One of the highlights of the trip was when they drove through the Rocky Mountains. Many wild animals were seen, including mountain goat.

The Bells met many former eastern people during their trip who have made their hom-

LITTE BEAGLE PROUD DADDY

Elmer Burt and wife Sheila were here recently to show me some nice pups. Their daddy was an 11 inch beagle and the mother a Walker fox hound. The litter consisted of 2 males and 5 females. The two males were a picture to look at. They had identical markings.

Elmer is hoping that the cross breeding will produce a hunting dog that won't be too fast or range out too far.

THE WATSON'S AT HUDSON'S BAY

Robert (Mac) Watson of 102 Woodward Street, Brampton spent some holidays at Fort Churchill recently. With him on the trip were son Cpl. George Watson, daughter-in-law Sandra and grandson Robert McIntyre Watson. Cpl. Watson was home on ro-

DILLON ONE-SHOTS PAR THREE HOLE

A Georgetown golfer, Ron Dillon, 265 Delrex Blvd., aced the par three second hole at Derry Dell, corner of Hwy. 10 and Derry Road, Saturday. He flew his tee shot 165 yards with a seven iron to produce the ace. It was witnessed by Art Spence of Brampton and the golf club superintendent Dave Holmes.
