

Extensive Campaign Seeks Little Theatre Subscribers

Georgetown Little Theatre held the September general meeting on Tuesday, the 1st at Cedarvale where members were pleased to welcome a new member, Jan Christie.

In order to reach a seat, people were stepping around an eye-catching black, yellow and red banner stretched along the attic floor.

A number of loyal members had spent several evenings at work on the banner, which will be hung across

the highway in front of Georgetown Market to advertise G. L. T.'s September membership campaign.

Plans for gaining community support for the group during the campaign were discussed. Due to the mail strike, master plates for the printing of the brochures were delayed, therefore delaying some of the aspects toward making the campaign a success.

Bob Lee, Pat Joynes and

Linda Nicholls had inspected the new cafetorium at the high school through the courtesy of Jim Evans and Ernie Forgrave, and it was described to members.

Among its attributes the cafetorium has excellent back stage facilities and an acoustically tiled ceiling. Members decided to present the first play there.

In years gone by, Walter Biehn has let the Little Theatre use the Herald office as a headquarters for a

phone campaign during the fall membership drive. Some members man the phones and when they contact an interested party, they dispatch other members who are standing by with their cars to drive over and meet the prospective supporters in their homes. Mr. Biehn agreed to this procedure again this year, and campaigners will be contacting as many local residents as possible sometime during the last two weeks of September.

Open House Celebrates Fiftieth Anniversary

NOT WORTHWHILE - Need More Information to Teach Drug Information

No money should be spent on drug education courses in Catholic schools because enough solid information on drug use is not available to make courses worthwhile, the separate school board chairman told the board last week.

Really and truly, I don't know what they would teach a course were begun," said Mr. Watters. "People in the school don't have any answers."

Watters suggested that any drug education done could be included within religion or 'family life' programs.

The board's education committee had discussed a Drug Abuse Program for the separate schools last week.

Inspector Moore of the Burlington police said at that meeting that there does not seem to be much use of hard drugs in the Burlington area.

"Just give it time," quipped trustee John Visser.

He indicated that most of the information would be obtained from the Addiction Research Foundation.

Add Four Members to Big Brothers' Board

Mr. and Mrs. Allen Alls, of Georgetown, and Mr. and Mrs. Bernard Broderick, Toronto, joined the board of the Georgetown & District Big Brothers' Association, at their meeting on September 15, at the home of Mrs. Mabel McFadden, 78 Moore Park Crescent. Mr. Broderick will be in charge of public relations on the board.

A resume of summer activities revealed a successful season. Fall fund-raising activities discussed included a rummage sale in October and turkey draw in December. The October meeting of the board will again be held at Mrs. Mabel McFadden's home.

BRIDGE CLUB

Fifteen tables of players competed in last week's game at Georgetown duplicate bridge club.

Winners in North-South: 1st, Cam Sinclair, Bill Hamilton; 2nd, Richard Raymond, Mrs. Vi Naylor; 3rd, Fred Allen, Joe Maurer; 4th, Arthur Kwei, Reg Frid; 5th, Mr. and Mrs. Walter Biehn.

East-West: 1st Ivan Harris, Harry Arbie; 2nd, Mrs. Kay Harmer, Sid Heller; 3rd, Gary Hall, Gus Plesch; 4th, Mrs. Flora Stevens, Mrs. Peggy Smith; 5th, Ted Lawrence, Mrs. Ern Hyle.

PRETTY WILD

"I wouldn't want to see a separate department or a separate drug education budget coming up. It gets pretty wild for a while. Look at Peel County. They have appointed a full time drug education consultant," he said.

"Other boards might be going to the field, but I think we have to be careful. I don't think it's worth it yet."

Bride's Sisters, Groom's Nieces Robinson-Hilts Wedding Attendants

Rev. H. Smith officiated and Mrs. Ouke Mulder was organist when Mary Judith Hilts and Kenneth Nelson Robinson were united in marriage in a wedding ceremony in Norval Presbyterian Church on July 24.

The bride, who is the daughter of Mr. and Mrs. Arthur Hilts, 23 Henry Street, wore a white chiffon A-line gown embellished with daisies, with short puff sleeves and a full chapel veil. She carried a cascade of red roses and stephanotis.

Her sister, Mrs. Susan Hall, as matron of honour and bridesmaids were Donna McCreure and the groom's nieces, Ann Marchment and Karen Robinson. They wore pale green chiffon overskirts with short puff sleeves, and high bodices with green ribbon trim and car-

ried pendant bouquets of pale yellow gladioli. Colleen Rundle, niece of the bride, was flower girl. She was in pale yellow chiffon with short puff sleeves, trimmed with white daisy applique and carried a basket of white daisies.

Peter Laird was groomsman; Keith Hall, Duncan Robinson and George Barber were ushers.

ROSE CORSAGE

At a reception in the Canadian Legion auditorium, the bride's mother wore a blue coat and dress ensemble, beige accessories and a yellow rose corsage. The groom's mother wore a blue and rust dress with matching bolero jacket, silver accessories and a corsage of orange delight roses.

For a honeymoon trip to Manitowaning Lodge, Manitou-

lin Island, the bride wore a two-piece coat and dress ensemble in mint green, black accessories and a corsage of gardenias and stephanotis.

Mr. Robinson, who is the son of Mrs. Nelson Robinson, Norval and the late Mr. Robinson, and his bride are living in Norval. He is an auto mechanic with Chinguacousy Township and his bride a secretary with Zenith Tool and Die.

Guests attended the wedding from Georgetown, Acton, Milton, Brampton, Toronto, Dundas and Hespeler.

Prior to her marriage the bride was a guest at a shower given by Mrs. Kay Joynson and Mrs. Donna McCreure, and another at which Mrs. Ivan Penfold was hostess. A presentation was made by fellow employees of Zenith Tool.

Having a Natural Gas heating system is like making your own sunshine.

Sunshine. It's warm, pure and charged with energy. Natural Gas too, is all these things. And it's very, very dependable. It's always there, "on tap", just like your water supply. You have to pay for Natural Gas, while sunshine is free; but you'll probably pay less than you will for other sources of heat. Also, a Natural Gas

heating system has fewer moving parts, so it requires little or no servicing. Clean, dependable, economical Natural Gas. As sure and as pure as the sun and an important factor in the control of air pollution. Think about it while you try to imagine a day when the sun won't come up.

United Gas
