Dance, Italian Night Projects For CWL

The first fall meeting of the Catholic Women's League was held on September 28 in the rectory basement and was well attended by some fifty members including three newcomers. To these ladies and any other interested persons the executive extend a very warm welcome. The business session saw the finalization of arrangements for the forthcoming Harvest Ball. Plans were also made for an Italian Night in November. Members offered their time and services for the Christmas Bazaar to be held in December and already the making of many goodies is well underway.

Photographer Attends National Convention

A Georgetown professional photographer, George Adams, of 40 Prince Charles Drive, was among those attending the first national convention of the Professional Photographers of Canada at Niagara Falls, Ontario, Sept. 26-29. A highlight was conferment of an Honorary Photographic Arts Degree on Canada's most famous photographer, Yusuf Karsh of Ottawa. It was the first time the degree has been awarded. Lectures were given by 13 top photographers from Canada and the United States.

The evening concluded with a lunch served by Mrs. Siema Van Hoekelen.

Branch Members at Leadership Seminar

Eleven members of Branch 120 saw fit to visit Waterdown last Sunday to take in the Leadership and Development Seminar, where they gleaned much knowledge from those few devoted Legion members who give their all to assist and teach. The Seminar was for Branches from Zones B6 and B7. More than sixty executive type members attended. The whole day was spent discussing Legion from Command to Branch with time out for questions. Ontario Provincial Command is made up of forty-eight zones and nine districts which form the chain of command to branch level. Branch by-laws, branch officers manual, membership, poppy Branch officer responsibilities were but a few of the subjects that were discussed. It was a day well spent, where everyone must have come away much wiser. **FUN, COMPETITION** However, back at the branch the Tuesday night open mixed darts is proving most successful, on the second week several more couples joined this happy group, for an evening of fun, and competition. Last week president Norm, secretary Bob MacKenzie, and yours truly, were at Milton Branch to meet with corresponding officers from Acton, Milton, and Erin, for an open discussion on Branch activities. We believe each Branch gained some knowledge from this very informal meeting for any one Branch's problem seemed to have been solved by one of the other branches. Briefly it was a 'Help each other meeting'. The next such meeting will be held at Georgetown Branch on Dec. 3. These meetings were held several years ago but somehow died on the wayside, only to be revived again by Norm Ward. **SING-A-LONG** Last Saturday was the first of John Ferguson's (second vice) Saturday night sing-a-longs. Jack (fingers) Ferguson tickled the ivory keys for a couple of hours keeping everyone happy and in the mood to sing along with Jack. The Saturday night dances seem to have come on strong, they were turning 'em away last Saturday when Bob and Cory were providing the music. Prize winners were D. Ireland D. Hastings, D. Collin, B. Burns. Next week Ross Hillier and the Country Rhythm Boys will do the honours. With members of Mount Dennis being the guest of Branch

120 next Saturday, Norm Ward is looking for sports minded Branch and Auxiliary members to act as host and hostess to our friends from Mount Dennis. Darts, cards, and shooting the breeze will be the order of the day, with a dance and social evening. **PERFECT HAND** Last Saturday one of our senior members, Tom Herbert, came up with a perfect hand of twenty-nine while playing crib. Congratulations Tom. The last such hand to be held was last cribbage season when Bruce McQuarrie held it. Car club winners of number eight draw were J. Beattie, H. Louth, W. Cunningham, H. Cunningham, W. Sinclair. With Remembrance Day a mere month away we thought perhaps it might be appropriate at this time to bring to your mind a poem by a young war time pilot officer who gave his life for freedom John D. Magee. Jr. he wrote these words and entitled them High Flight. Oh! I have slipped the surly bonds of earth And danced the skies on laughter — silvered wings; Sunward I've climbed, and joined the tumbling mirth

Of sun-split clouds, and done a hundred things You have not dreamed of — wheeled and soared and swung High in the sunlit silence, hov'ring there I've chased the shouting wind along and flung Up, up the long delirious burning blue I've topped the wind swept heights with easy grace Where never lark or even eagle flew — And, while with silent lifting mind I've trod The high untrespassed sanctity of space Put out my hand and touched the face of God.
