WIGO TELEVISION & APPLIANCE
SALES AND SERVICE
Ontario - GEORGETOWN - Canada

Dear Customer:

After 17 years in business in Georgetown I had to take the decision to sell my business to Mr. Richard DeBoer and Mr. Leo Sluik. Mr. DeBoer better known to you as Dick, has been with us for 15 years and Mr. Sluik, who has worked for us in 1967 and 1968, has operated in Georgetown under the name Elles T.V.

I would like to make it very clear that the store will continue under the same name "WIGO" and will continue to operate and honour all warranties and commitments made by me.

I repeat, we are NOT going out of business merely changing managers. To introduce Leo and Dick to you I have decided to run a special and very legitimate clearance sale of our present stock.

Last week we sent letters to a large mailing list of our customers, but much to our regret weren't able to reach all of you. Our apologies are in order for those who did not receive a letter.

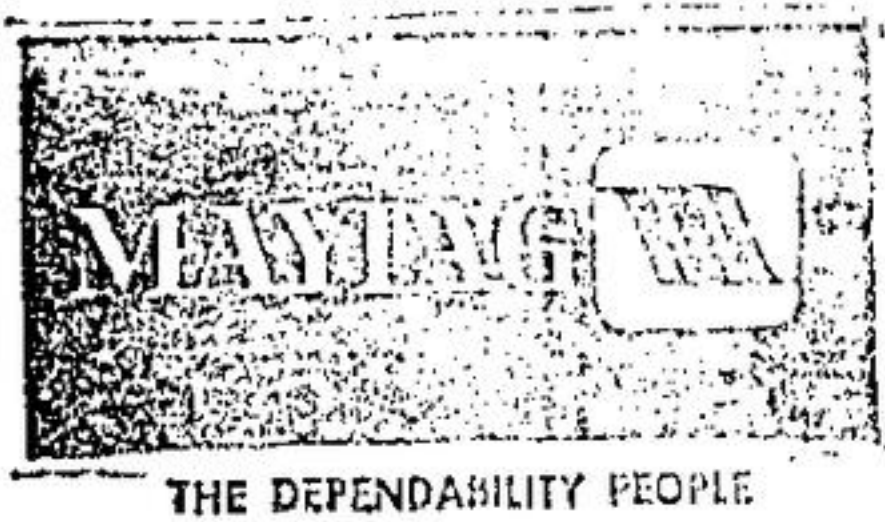

\$55,000 worth of TVs, Stereos, Components, Record Players, Home Appliances and Small Appliances are still on sale at fabulous prices. No reasonable offer will be refused!! Many items in factory sealed cartons!

Light refreshments will be served and 2 transistor radios valued at \$18.95 each will be drawn for on Saturday, November 28th. To top it off a portable television made by Panasonic will be in a separate draw. Tickets will be issued to each customer for each \$10.00 purchase.

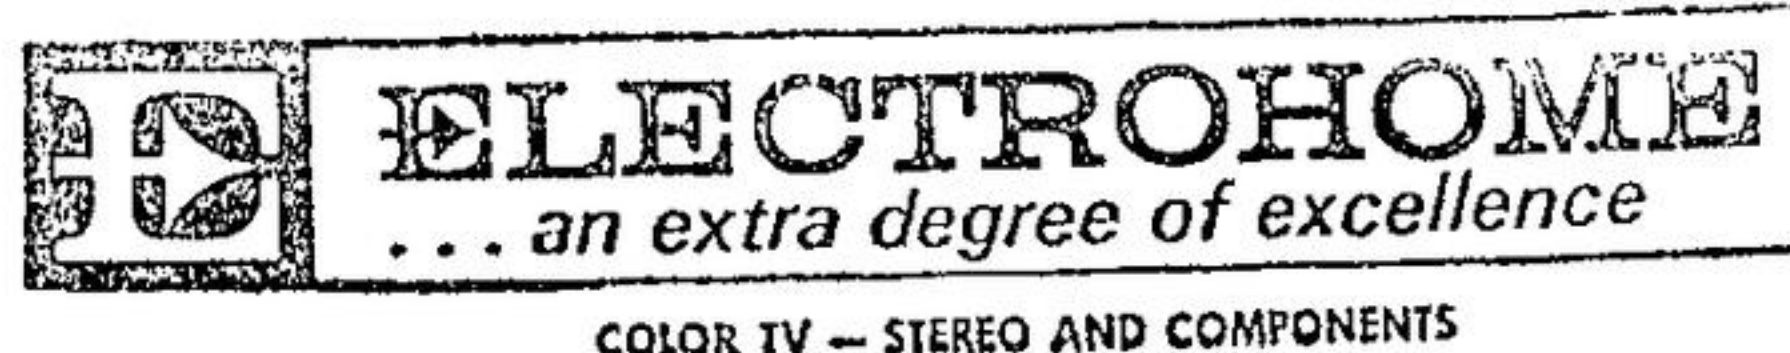

Our Sale starts Thursday, November 19th right through Saturday, November 28th - normal business hours.

Once more Thank You - Georgetown for your patronage and be sure to come in and meet Dick and Leo.

Sincerely,
Morris Goudekerring
