BALLINAFAD

Presentation Party for Mr. and Mrs. Garry Snow

The Christmas meeting of the WI was held on Wednesday afternoon at the home of Mrs. Jamieson with 8 members and 3 visitors present. Due to illness the president Mrs. Jesse McEnery was unable to be present. Mrs. Slessoraites, 1st vice took the chair.

Some money was voted for the welfare committee to be spent on boxes for the sick and shut ins at Christmas. It was

decided that the executive would meet and plan to get the necessary gifts. Convener's two minute reports were given. Mrs. Ada Kirkwood gave an interesting report on the workshop she attended in Guelph recently. Every one had to contribute towards the program and a variety of items were given, some amusing and some on the more serious nature. A drawing contest ended the program with

Mrs. Tom Given declared the winner. Mrs. Katharine Keir and Mrs. Jamieson had the 4-11 Homomaking girls' work on display. Some beautiful pieces of work were shown which were a credit to the girls and their teachers. Just before lunch was served each member and the guests received a gift from the Christmas draw. A social time followed over the tea cups.

A presentation was held in the community centre on Friday night in honour of a recently married couple Mr. and Mrs. Garry Snow. Percy White was chairman for the occasion and called the newly-weds forward and presented them with a sum of money. Garry and his bride thanked everyone for the gift. Lunch was served and another hour or so was spent in dancing with music supplied by record player.

Congratulations to Mr. and Mrs. Edwin Perryman who celebrated their 50th wedding anniversary Sunday afternoon and evening at a reception given in their honour at the Scout hall in Acton.

Glad to report Mrs. Marshall was able to leave hospital on Friday.

Mr. Matt Shortill is still a patient in the Georgetown hospital.

Mrs. Jesse McEnery is recovering at her home from a severe attack of the flu.

Mrs. Ken Ridler and daughter Judy of Thunder Bay and Mr. and Mrs. Lincoln Keller of Guelph spent Sunday with the Floyd Shortills. Mr. Fred Shortill was an honoured guest at his sons home as he was celebrating his 80th birthday, that day. Mrs. Ridler is spending a few days here before returning home.

The junior choir under the direction of Mrs. Robert Kerr and Mrs. E. McEnery added much to the church service on Sunday. It was brought to the attention of the congregation by Rev. Kelvin Johnson that a change in time of Sunday School might be advisable. Sunday school to be during church service after the children's hymn is sung so the children could enjoy the first part of the church service they would then go down to the Sunday school room and have their lesson while the sermon was going on upstairs. It was thought to be a good suggestion and every one was in favour of the change.

The Scouts met on Thursday night full of enthusiasm with their current project. They have several very nice Christmas trees cut ready to be decorated with tinsel and stars. On Saturday the 12th the boys will call on homes in the village and vicinity with these trees to sell. Your support would be appreciated by these eager young salesmen.

Mr. and Mrs. Les Drysdale have sold their home on the town line and will be moving shortly to their new house on the 6th line near Erin.

Mr. and Mrs. Robert McEnery who have been residents in the community for many years have sold their farm and will be moving to Georgetown. They have bought a new home not far from the hospital.
