

# Warn Skaters Ice Unsafe at Norval

Youngsters from the Norval area were seen playing hockey recently on a stretch of the partially frozen Credit River, a practice described by the police chief of Chinguacousy as being "a pretty foolish thing to do."

Chief Sider said the youngsters were being foolish to go onto the ice unless experienced people had tested the conditions first.

## TEST FIRST

"Preliminary testing of the ice should be done otherwise"

it's a very dangerous practice," he said.

He suggested that a local citizens group or service club in the Norval area should make it a project to test the ice conditions and post areas that are dangerous with signs warning people to stay off.

"You can't stop them from going on. You can only caution them," he said. He said a group should get together and assume the responsibility of ice testing.

## MORE DANGEROUS

"The local inhabitants know

the river well and should perhaps get help from the Credit Valley Conservation Authority," he said. He said the situation on the river would be bound to be more dangerous than on ponds due to the flowing water.

"Some arrangement could be made with conservation authority to undertake ice testing. They could make certain areas suitable for skating and post them as such. There could be miles of skating area there," he said.

What it all boils down to however said the chief is the responsibility and common sense of each individual.

## ASHGROVE

# French Flavour When Church Group Meets

The first meeting for 1971 was the Friendship Unit on Tuesday afternoon, January 12 in the Fellowship room of Hillcrest United Church with Mrs. Harvey Nurse as hostess and assistant Mrs. Vern Pickett.

Leader Mrs. James Garney opened the meeting by welcoming the thirteen ladies in French. Mrs. Vern Pickett read a poem which was a recipe for a happy new year.

Mrs. Wilfred Bird had the devotional scripture reading from the chapter of Philipians and two readings dealing with the new year. Minutes of the Dec. meeting were given and roll call was answered by "say something in French."

The study in charge of Mrs. J. M. Wickson was the French English relation, also to help destroy the prejudice that divides French and English Canadians from one another by encouraging the free exchange of ideas through talking with one another in each other's language.

Following this Mrs. John Belloddy read an article 'Why we are staying in Quebec,' as told by Mrs. Clute a housewife of her husband and three children who went to Quebec to teach English and how quickly they adapted to the ways of the French people.

Mrs. John McNabb sang very sweetly a French melody. All

mas and some thank you notes from them were read. Mrs. Clayton Wilson gave the courtesies and meeting closed followed by a social hour.

These winter Sunday afternoons are great for snowmobiling. It is an exciting sport and the fastest growing form of winter recreation in Ontario. But Pickett's farm. With the proper care isn't taken. One Sunday recently 18 machines were us-

Mrs. Frank Ruddell reported on the gifts for the six shut-ins we had remembered for Christ-

# Wants More Councillors From Halton South End

At the first meeting of Halton County Council the newly-elected reeve of Burlington, Jim Swanborough served notice he planned to campaign for additional representatives for Burlington and Oakville.

Quoting figures from a study on population and assessment, done by Burlington and Oakville, he suggested Acton have 2 members, Burlington 5 members; Milton 2 members; Oakville 4 members; Esquesing 2 members; and Nassagaweya 2 members.

## THREE MORE

He told council, he plans to ask them to name 3 additional members from Burlington and 2 from Oakville as non voting members.

At present each municipality sends two representatives, the

reeve and deputy reeve, who only have one vote each, on an ordinary vote, but on a recorded vote the number of votes per representative is based on the number of municipal electors in the municipality.

## VOTE POWER

On a recorded vote Burlington would have 10 votes, 5 for

## Home Safety Talk To Nursery Mothers

Mrs. P. Mounsey, a registered nurse, alerted Maple Nursery school mothers to dangers in the home when she spoke to them on home safety for pre-schoolers at a meeting Thursday.

Mrs. Mounsey emphasized some experiences she had encountered while working in the hospital. She said the most common dangers found in most homes was the neglect of the parents to put dangerous objects such as stove cords and pots and pan handles, out of the reach of children.

## LOCK CUPBOARD

Medicine in particular should be put in a locked cupboard, and all cupboards within children's reach should not be used for storing dangerous cleaning aids such as spot remover and lemon oil.

Mrs. Mounsey made the mothers aware of many other hazards awaiting the pre-schooler and

reeve and 5 for deputy. Oakville would have 8, 4 for reeve and 4 for deputy; Georgetown would have 5, 3 for reeve and 2 for deputy. Milton would have 4, 2 each for reeve and deputy. Esquesing 4, 2 each for reeve and deputy, while Nassagaweya would have 2, 1 each for reeve and deputy.

advised on how to prevent a tragedy. She answered questions during a discussion period afterwards.

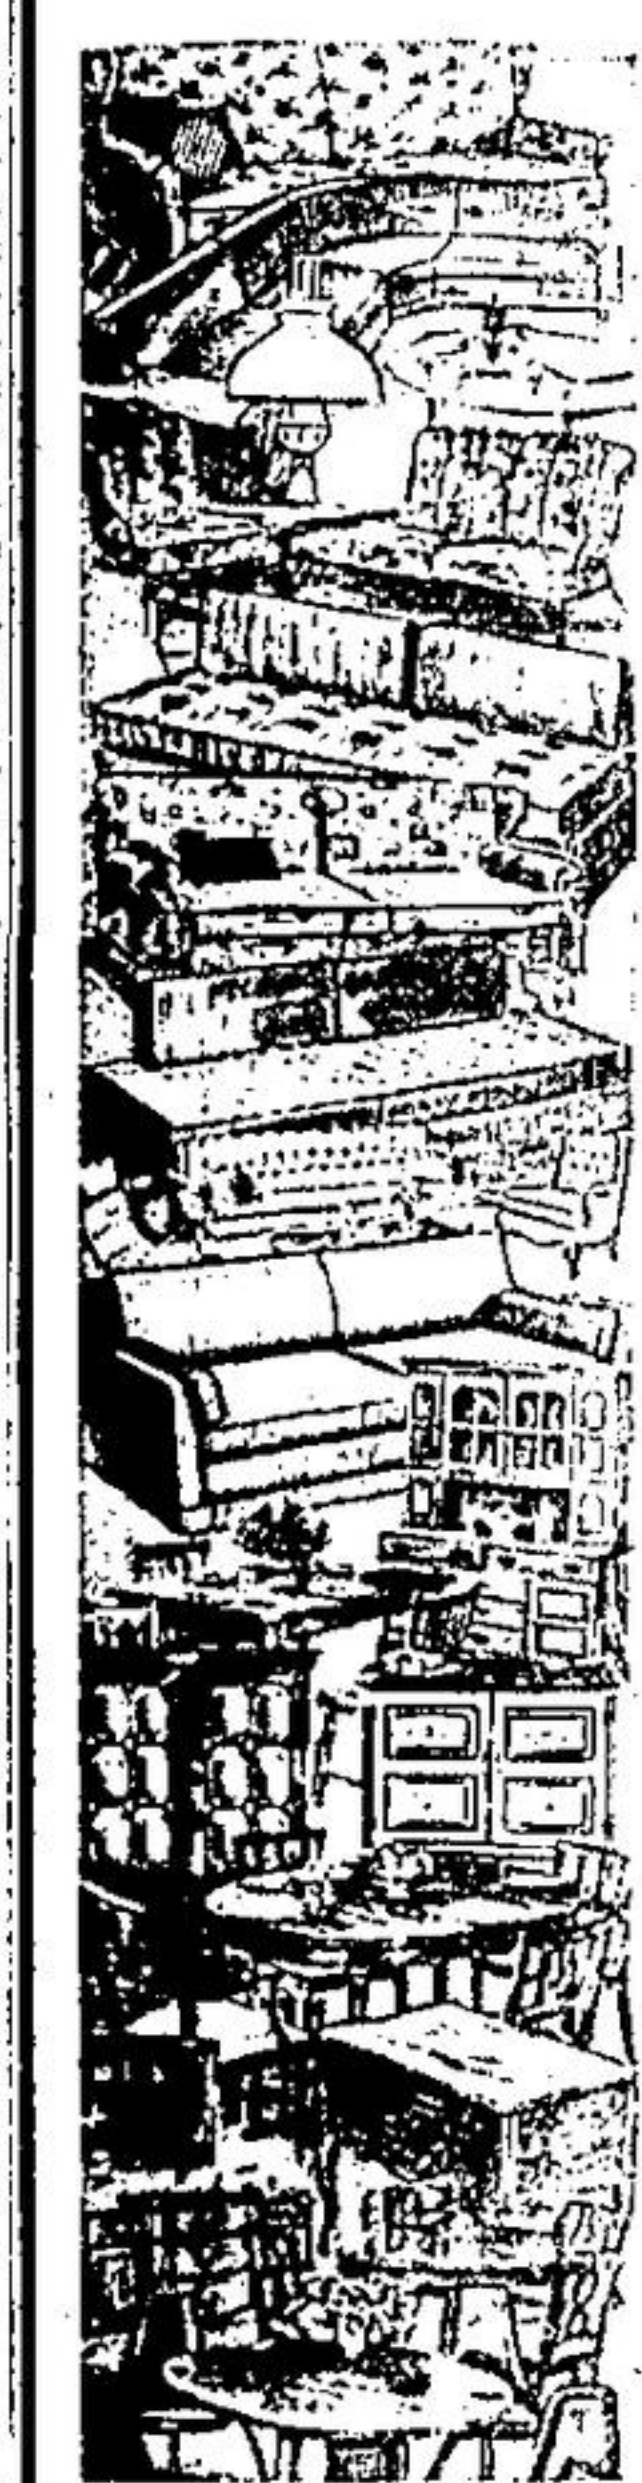

# 1970 Town Building Permits Totalled Almost 5 Million

Nearly five million dollars worth of building permits were issued in town during 1970, with a large portion of that represented by the 179 single family dwellings which were built last year.

The actual total for the year was \$4,908,870 with September the biggest month for permits. The monthly amounts were as follows:

JANUARY	\$ 96,500
(Kinney Shoes accounted for \$90,000)	
FEBRUARY	172,900
MARCH	326,395
APRIL	478,406
(Canadian Imperial Bank of Commerce, \$154,606)	
MAY	534,495
JUNE	232,096
(Princess Anne pumping station, \$10,000)	
JULY	380,108
AUGUST	693,710
SEPTEMBER	1,197,290
(Bank of Nova Scotia, \$50,000)	
OCTOBER	234,500
NOVEMBER	561,020
(factory on Armstrong, \$160,000)	
DECEMBER	1,450
TOTAL	\$4,908,870

# NOTICE

TOWNSHIP OF ESQUESING RESTRICTED AREA BY-LAW NO. 29-69 AS AMENDED BY 11-70 AND 12-70

R. 1128-69

## ONTARIO MUNICIPAL BOARD

IN THE MATTER OF Section 30 of the PLANNING ACT (R.S.O. 1960, c. 296),

— and —

IN THE MATTER OF an application by the Corporation of the Township of Esquesing for approval of its Restricted Area By-law 29-69 passed the 24th day of November, 1969 as amended by By-law 11-70 passed the 16th day of February, 1970 and By-law 12-70 passed the 12th day of March, 1970.

## APPOINTMENT FOR HEARING

THE ONTARIO MUNICIPAL BOARD hereby appoints Thursday, the 11th day of February, 1971, at the hour of ten o'clock in the forenoon, at the Council Chambers in the Township of Esquesing, for the hearing of all persons who desire to be heard in support of or in opposition to this application.

DATED at Toronto this 11th day of January, 1971.

— M. FRASER, Acting Secretary

The effect of By-law No. 29-69 as now amended, if approved, will be as follows:

1. Except as specifically permitted in the by-laws, no land may be used for any purpose other than an agricultural use. Existing uses which are not agricultural are preserved by the provisions of The Planning Act. These are legal non-conforming uses and may be continued.

2. The excepted uses permitted by the by-laws are set out in Sections 6, 7 and 8 of By-law No. 29-69 as amended, and these include the construction of accessory buildings, garages and carports; the building of one-family detached dwellings on lands already held in separate ownership on lands separated with the consent of the Committee of Adjustment at the time the By-law was passed as well as any lands subsequently approved for separation by The Committee for which application had been made prior to the passing of the By-law.

By means of a schedule attached to the by-law and the amendments, certain minimum lot areas, minimum frontage requirements, front, side and rear yard requirements, maximum lot coverage requirements and minimum floor area requirements are to be imposed. The lands affected are all of the Township of Esquesing save and except the areas in the Village of Glen Williams, the Village of Norva, the Village of Stewarttown, the Village of Limehouse to which the Subdivision Control By-law does not apply.

The underlying purpose of the by-law is to prevent uncontrolled development in the municipality in so far as said development could be said to relate to a master plan. The Municipality up to now has had control only on the creation of separate registered lots, and not upon the use to which those lots would be put with several minor exceptions.

Delmar French, A.M.C.T. Clerk, Township of Esquesing, R. 1, Georgetown, Ontario
