

High School Cagers Tutor In GRC Basketball Program

Seventy boys began competition last Saturday in the Georgetown Recreation's basketball league. There are six teams competing and each team plays five games every Saturday. The boys are coached and refereed by high school students under the direction of Mr. Dan Patterson and Mr. Ron Hughes.

It is Mr. Patterson's hope that the boys will improve their skills in the game and at the same time develop an interest that will motivate them on to competition at the high school level.

Hungry Hollow Film Impresses Naturalists

Concern is apparently growing 10 by Leon Nix, a retired big over the fate of Hungry Hollow, a naturalist club in Knox Church Hall, slashes across Georgetown's southern limits.

FOUR SEASONS Nix made the film over a period of a year so that the four distinct faces of Hungry Hollow District Naturalists Club February as it appears in each season could be included. The many Faces of Hungry Hollow is the film's title.

"Everyone in Georgetown, and in fact the rest of Ontario would do well to see this film," a naturalist club spokesman commented afterwards.

The 20 minute movie with synchronized sound will be shown on cable television's Channel Five, in the near future. It was viewed by Georgetown Horticultural Society members at their meeting last night.

FORESTER

Nix also stressed to Naturalists club the importance of the forester in today's ecological balance in the forest. The loss of the white pine was bemoaned as was the fact that other species are in danger of going the same way.

Nix noted that the introduction of forestry schools 50 years ago gave recognition to the need for rotation cutting. He described a forester as a highly trained professional with at least four years of university and a working knowledge of botany, biology, chemistry, Latin, German, French, engineering, math, entomology, pathology and much more.

AMONG RACE WINNERS Allan Knight of Georgetown, Dave Carson of Hornby, Keith Ella of Norval, Mrs. Reva Ella of Norval, and Mrs. Myrtle Anderson of Georgetown were among the winners at snowmobile races at Acton Y's Men's rally.

At 8 p.m. Lee Symmes, president; Tony Hull, 1st vice president; treasurer Ken Jackson; Secretary Tracy Barrager; Social Gord Partridge; Games Joe Louth; Bonspiel Gord Campbell; Official referee John Cornelius. There were only 30 members present.

At the meeting the men's section decided to do away with playoffs to get away from the long layoff at Christmas. Next season there will be a joint committee to run the mixed curling.
