

CACKLING QUARTETTE

Too any cooks can't spoil this broth. Stirring up the unpalatable brew are witches Sharon Hewitt, left; Sandra Fendley; Sharon Watson; and Heather Moores. The scene was part of the Georgetown figure skating club's annual ice show in the Memorial Arena, Saturday.

May Exempt Milk Outlets From Store Hours By-Law

The by-law setting the new store hours was given two readings at council Monday night. The third reading was deferred.

The by-law allows stores to remain open Mondays, and every night till 9 p.m. except Saturday. The stores must also remain closed on statutory holidays.

EXEMPTED
The list of businesses exempt from the by-law includes gar-

ages and service stations, restaurants, coal and lumber dealers, billiard and pool rooms, confectionery shops, implement dealers, automotive retail and service centres and delicatessens.

The third reading was deferred when Crs. Ern Hyde and Ernie Sykes advocated the inclusion of milk stores in the list of exemptions. Cr. Hyde felt they filled a need, and

should be allowed to open Sundays.

RAN OUT
Cr. Ernie Sykes agreed, and admitted he had been known to run out of bread and had to buy some on Sundays. (Cr. Sykes owns Sykes Bakery).

After discussion of the category the milk stores might fit, Cr. Hyde suggested they turn it back to the solicitor for his help.

Anglican Rector Going To Hamilton Parish

The Rev'd Eric Mills announced on Sunday to his St. George's parishioners that he has accepted an appointment as rector of the Anglican Church of St. John the Evangelist, Hamilton.

He will succeed Canon John McMulkin there, as he did in Georgetown. Mr. McMulkin is now Dean of Saskatchewan and began his new duties as rector of St. Alban's Cathedral, Prince Albert this month.

A 1964 graduate of Trinity College, Toronto where he received his S. T. B. degree, Mr. Mills was rector of St. Luke's, Palermo and St. Simon's, Oakville before coming to Georgetown.

Born in Wolverhampton, England, he spent his early years in Stourbridge, Worcestshire, graduated from Birmingham College of Advanced Technology and was employed in Birmingham until coming to Canada in 1957. He lived at Orangeville while he was a design engineer with Avro.

After the Arrow contract was cancelled, he returned to England and taught engineering subjects at Birmingham Technical College. He returned to Canada in 1961 to train for the ministry.

He is a member of the Mechanical Engineers of England and the Professional Engineers of Ontario. During World War II he served for three years with the Royal Navy.

He is married to the former Jean Arnold of Stourbridge and they have two daughters. Angela, a Ryerson Institute student and Rosemary, in high school.

Child Injured, Seek Driver In Hit-Run

The driver of a car which struck and caused serious injury to an eight year old boy Friday afternoon is still unknown.

David Davis, age eight, of 88 Main Street North, was left lying at roadside at the corner of George and Main Streets by the driver of a car which according to a witness was pulling a trailer with a snowmobile on it.

The child was taken to hospital by his mother and treated there for severe concussion, scalp lacerations, and abrasions to his left hand, and knee.

A passerby, who went to the boy's aid, after he attempted to get up and fell back, said the car and trailer came out of George Street, across Main North, and made a right turn on Guelph St. The accident happened at about 3:15.

Next Week - New Look

Readers will notice improved reproduction when they receive the Herald's first "offset" newspaper next week.

NEW DEADLINES
Because of a new printing schedule, advertisers and news contributors are asked to cooperate.

DISPLAYS ADS AND DISPLAY - CLASSIFIEDS - MONDAYS, 5.00 p.m.

WORD AD CLASSIFIEDS - TUESDAY, 2.00 p.m.

NEWS ITEMS AND COLUMNS submitted by associations and individuals - Thursday, 5 p.m.

Mail Bag Letters - Friday noon.

A large portion of the weekly budget of news and advertising must be processed by the Herald on Thursdays and Fridays. Whenever possible, we ask advertisers to cooperate in submitting ads on Thursday . . . and those reporting meetings, to do it the next day.

With everyone's cooperation, the Herald will continue to give readers an up-to-date account of this week's activities in the district.

\$155 Highest Bid Town Sells 'Caddy'

The '64 Cadillac ambulance was sold to the highest bidder at Monday night's council meeting. R. W. Francis offered \$155 for it. The Caddy will be sold as is, and without license plates.

In investigating the bid from the high school band, deputy reeve Speight was told the bid was made without the knowledge of the principal or the music department head. The letter from the principal said there was little chance of being approved as a school purchase, but would not stand in the way of any private individual in the school wanting to buy it.

'No More Restrictions' Snowmobilers Plead

Family Expert to Conduct Married Couples Seminar

'Family Values in the 70s' is the topic for a series of lectures and discussions being sponsored by Georgetown & District Ministerial association.

The lectures begin next Thursday, March 4 and continue Thursday evenings through the month in Wrigglesworth public school auditorium. A fee of \$4.00 single and \$8.00 a couple will be charged.

Don Wilson, family columnist in the Toronto Daily Star and Sheridan College consultant, will be discussion leader. He is completing his Master's degree in marriage and family relations.

A spokesman for the ministerial association says that disintegration of the home is a worldwide phenomenon, one which demands attention and is most critical in North America.

'Becoming better parents by becoming better partners' is the title of Mr. Wilson's first lecture. This will be followed by 'Building a positive self-concept in youth'; 'Developing wholesome attitudes and values'; and 'family unity'.

Canada Games Medallist - Bronze for Breckenridge

Jim Breckenridge, a Georgetown high school student, who represented Ontario in the 191 pound wrestling class at the Canada Winter Games in Saskatoon, brought a Bronze Medal home with him Tuesday.

Clive Llewellyn, another GDHS wrestler representing the province in the 136 pound class gained a fourth.

They left for the Games Thursday with coach Lew Martin who served as an official there. Most of the wrestling was done Friday and Saturday.

Their classes had 20 year old age limits which meant some of their competition were college students and wrestling club members.

The scoring system was new to both local wrestlers. It was based on 'bad points' accumulated by being pinned, losing a decision and winning by decision instead of a pin.

The only two men to beat Breckenridge went on to capture the Gold and Silver medals.

JIM BRECKENRIDGE WINS A BRONZE

Delegation Jams Council Chamber To Oppose By-Law Amendments

Sixty-five snowmobile enthusiasts jammed the council chamber Monday night to oppose some of the amendments to the proposed by-law governing snowmobiles, and to ask for a meeting with the Recreation Committee to discuss it.

On the whole they agreed with most of the suggestions made at committee last week, but took issue with the complete banning from Cedarvale community park.

Claire Boudreau suggested Cedarvale be marked for snowmobile trails, but assured council the Georgetown Snowmobile Club, with 40 members, would co-operate in every way. "I agree with the banning on sections of Guelph Street and Main Street, especially in the business section, but we would like our executive to have a meeting with the Recreation Committee.

Deputy Reeve Art Speight maintained snowmobiles were a 'million dollar industry in town, when all the accessories are taken into consideration. He claimed an expenditure between \$1,000 and \$1,800 was average for the snowmobile buff.

Hungry Hollow and Silvercreek do not come under the by-law since they are not town parks.

In reply to a question from Cr. Ernie Sykes, Boudreau stated there were 40 members in the club right now, but he had 800 names on a petition who wanted no more amendments and were satisfied with the existing by-law. "And I'm sure there will be more, when the word spreads," he added.

BRINGS BUSINESS
A brief handed to the press by Claire Boudreau stressed the business brought to merchants in town, and the fact they are licensed to travel, but can be banned. It suggests as taxpayers they had a right to use the roads.

The brief advocated the use of helmets, and questioned the suggestion that drinking has any bearing on legislation. "Drinking and driving applies to snowmobilers as well as motorists, and should be dealt with the same way," it stated.

PROHIBITS
The mayor endorsed the idea of a joint meeting and pointed out the by-law would probably not be passed that night.

Later in the meeting the by-law was given two readings, with the third deferred for further discussion.

The by-law prohibits snowmobiles from all town parks in Georgetown except the fairgrounds, where they may operate from 5 p.m. till 11 p.m. weekdays, and from 7 a.m. till 11 p.m. Saturdays and Sundays. They are also banned from all school grounds where the town operates ice skating rinks. Main Street from Maple to Guelph St. and all of Guelph Street are off limits, except to cross at right angles, and only holders of current car or motorcycle driver's licenses may operate the snowmobile.

Cr. Phil Siddall pointed out that

Exhibition Game For 4-Town Team

The Georgetown Four Town Bantam team played an exhibition game Sunday against Wexford from Scarborough of the Minor Toronto Hockey League. Sunday, and came out on the short end of a 4-2 decision.

Goal scorers for Georgetown were Morrison and Osborne with Moore and Ross assisting.

The return match will be in Toronto, Sunday, March 8.

January Charges Total 136 on Police Blotter

One hundred and thirty-six charges were laid by Georgetown Police during January according to the department's monthly activity report. Seventy of the charges were laid under the Highway Traffic Act, 30 under the Liquor Control Act, and 23 under the Criminal Code of Canada.

Break-ins totalled 15, thefts over \$50, nine; and under \$50, six. There was one car theft, one fraud case, and two cases of missing persons.

Officers made 177 checks of private dwellings and found 25 properties insecure.

Sending Students Elsewhere Costly for Halton Board

Halton education trustees have been told during a budget workshop session that \$42,000 of the 1971 total board budget is allotted for students attending a French language school in North York.

The item, which pays fees and bus transport for the students, was included in the section of the budget devoted to cost of education supplied by other boards.

BOARD PAYS
Halton board official Ken Armstrong explained that if the Halton board can't supply a special facility needed by a student, it pays to send the pupil to the necessary school.

Total elementary school allotment for 1971 fees is \$21,200, up \$8,015 from actual cost in 1970 of \$13,185. Budget allotment in 1970 was \$15,100.

\$16,000 COST
Eight special education elementary pupils attend Hamilton Board of Education classes at a cost of \$16,000, one attends Toronto Board classes for \$1,400 and 10 pupils attend Crippled Children's Centre at a cost of \$2,000.

One pupil attends a regular day school in Wellington County for \$600 and two attend school in Wentworth County for \$1,200.

TUITION FEES
Total tuition fees for secondary school youngsters going to other boards are \$79,200 up \$10,318 from the 1970 actual cost of \$68,882. Board allotment in 1970 was \$85,400.

Other costs come from the Hamilton Board of Education, \$12,000 for 10 pupils and from Wellington County Board, \$18,000 for 15 pupils.

Public School Boy Has 3rd Degree Burns

A Victoria Street boy is in the Hospital for Sick Children, Toronto, being treated for third degree burns suffered in an accident at his home Friday night.

Eleven year old Douglas Wilson, son of Mr. and Mrs. Everett Wilson, 41 Victoria Street, was burned when he attempted to light a batone lighter. The liquid exploded, setting fire to his clothing.

HEARD SCREAMS
His father had just left the house and his grandmother, Mrs. Arthur Wilson, who lives next door was coming over to babysit. She heard screams, but by the time she arrived, Doug had managed to pull off his flaming clothes.

He was badly burned on his hand and right side, but doctors are confident that there will be no permanent damage. He is a student at Chapel Street School.

Hope for Solution To Cannery Location

Another petition from residents of Mountainview Road N., protesting the location of a cannery on the Meadowglen Mushroom property, 100 feet back from Mountainview Road has been received by council.

This brings the number of properties represented to 25, and according to the letter more signatures are forthcoming.

Cr. Ern Hyde reported that a delegation of area residents had come to Planning Board to discuss the subject with owner Ernie Skrow. Cr. Hyde felt the discussion went well, and was hopeful of a solution satisfactory to both parties. He said the Planning Board recommendation would be coming to council soon.

Commends C.C. of G. Community Interest

Mayor William Smith commended the newly-formed organization Concerned Citizens of Georgetown for their interest in the community and hoped they would bring recommendations to council.

The remarks came after a letter from Don Dodokin asked council to attend their meeting Wednesday night.

ZENITH TOOL PLANNING NEW FACTORY IN TOWNSHIP

Plans for a new Zenith Tool and Manufacturing plant across from the present plant on 22 Sideroad will be discussed by Esquing Planning Board and planning consultant L. R. Ketty.

The proposed plant would have access both on Highway 7 and on 22 Sideroad and a total area of 16,200 sq. ft. Plans for a well and septic tank have been tentatively approved by the Halton County Health Unit.

INCORPORATE BOTH
Zenith Tool operates two plants, one on Mountainview Road in Georgetown, and the other on 22 Sideroad in Esquing. The company has been in operation for 10 years.

The new plant would incorporate both operations on the 3 1/2 acre site.

Christmas rush, but these types of jobs are usually temporary. The last three year census taken in this area showed that the number of available jobs had risen from 36,200 in 1968 to 45,700 in 1969.

GOT NEW PLATES?
Deadline for driving with 1970 plates is midnight, Saturday - a day earlier than last year.

Keep School at Norval New Committee's Aim

A public meeting of those interested in keeping Norval public school in operation was held in the school on Thursday evening, February 18 with Peter Hughes as chairman.

The main purpose of the meeting was to elect a committee to represent the Norval district ratepayers at future meetings with the Halton County School Board or any other officials necessary.

Those nominated to the committee were Norman Guthrie, Mrs. Joanne Frost, Bob Crawford, Julian Reed, Wray Youngman and Norman Shea. Mrs. Ed McLean and Sam Finnamore were nominated but both withdrew their names.

Mr. Hughes announced that work towards the various information necessary for the committee to assess their position and to present a statement to the School Board had to be completed in three weeks and the first meeting of the committee to get the ball rolling would be held at his home on Monday evening, February 22.

A collection was taken at the door to help defray expenses of advertising and mailing. About 40 ratepayers attended the meeting.

FEEL THE ROAD
To get the "feel" of a slippery road the motorist should test his vehicle's brake at slow speeds on a level, traffic free stretch of road.

32 DANGER SPOT

Motorists are warned to be especially cautious on roads when the outside temperature rises from a hard-freeze low to around 32 degrees.
