

## Colour Parties, Branch Band Will March in 'Drumhead'

It has been said by some wise person, that sweet music soothes the troubled mind, or words to that effect. We believe this to be quite true. We know an hour of popular music after dinner in the evening, has a tremendous relaxing and reviving effect on our mental attitude.

Perhaps sweet music should be piped into Branch 120, especially prior to the time of executive or committee meetings. We are just kidding, Norm.

We have just mentioned before that when we sit down to write this column we make a practice to tune the radio on to "candle light and wine" or as

### NOT CUTTING TIES

Grapevine scuttlebutt has it that a prominent member of the Imperial Section is returning to his homeland. Wright Smith is having a look see at things over there. He is not completely cutting all ties with 120, for, we understand he will continue his membership.

Wright for some time has been writing the Imperial report in the 'Summit'. He is also a third of the 'Kopy Kats' along with Jack 'Fingers' Ferguson and George Sandifer. He has helped to bring many happy moments to members and non-members alike while performing with George and Jack as the Kopy Kats.

We hope Wright will soon come back again.

### DRUMHEAD SERVICE

It is on the books that Zone B7 is soon to have a drumhead service. This is to take place at Bramalea in the early months of summer. It appears at the same time there will be a colour party competition. This has yet to be confirmed. Should the colour party be confirmed, the ladies auxiliary colour parties will be asked to participate along with each Branch colour party.

We understand that Branch 120 Pipe Band and the Lorne Scots Pipe Band will be on hand, also Pat Chamberlain will be parade marshal.

### BASHING AWAY

Sunday saw Comrade Schofield bashing away at the typewriter at the Branch, working like a Beaver to get the 'Sum-

mit' out on time. Many chairmen, including yours truly were very late with the monthly reports. There were some incompetent chairmen, we were told, who had no reports in. Come, come fellows, let's help Lynda.

While on the subject of Bulletins, with lots of luck we hope to have the Zone B7 bulletin out at the end of the next week. This bulletin, like the 'Summit' depends solely on reports and write-ups, the zone bulletin is available at the Branch.

### SELL OUT

The Friday night dart shoot was a sell out, the walls were fairly bulging. Those who took steaks and roasts home were H. Atkinson, W. Ritchie, H. Atkinson, R. Lincoln, H. Cook, J. Reid, E. Wilcox, R. Smith, L. Schofield, D. Waites.

The bold ones from upstairs were out of the money at the two and six mini bingo. The wrong man was asking for eyes down this week. 'Fingers' Ferguson was not on hand. Ferry is the lucky one for the hard working Sweat and Blood group from upstairs. Bingo hollers were Jean Kirby, Ada Ward, Ethel Anthony, Ron Dumper, and Daphne Rolfe. Incidentally the caller on Saturday was Norm "Bell Telephone" Ward.

Upstairs Bob and Corey, looking very immaculate in the new uniforms were on top form. Prizes went to J. Murphy, W. Jennings, Mrs. J. Honre, and someone who got away.

Next week will be those charming versatile gents from Peel, the Peel County Gents. See you there!

### DID YOU KNOW?

The remains of mammoths that roamed Alaska thousands of years ago are so perfectly preserved in the ice that scientists can identify in their stomachs summer plants on which the huge animals last fed.

#### A Movie Theatre? How About it, Mayor Smith?

35 Normandy Blvd.  
Dear Sir:

What happened to Mayor Smith's campaign promise — a Movie Theatre?

How long must we continue to patronize out of town movie theatres? With luck we may be able to keep some of our teenagers off the street corners. Let's get some good wholesome family entertainment going in Georgetown.

With a large retailer like Zellers coming to town, would it not be very beneficial for both the residents of Georgetown and the proprietors of a 'major movie distribution chain' to erect the facilities to hold a modern theatre. With the growth potential of Georgetown we feel that these facilities are already behind schedule.

With a high percentage of Georgetown's residents being commuters, a local movie establishment would be of more convenience for more people. After returning from a hard day's work out of town it would be of greater convenience for a family man to take his family to a local show or they could use local transportation without the outing being overly expensive.

These opinions are from a group of varying ages and circumstances, namely — young and single, young parents and children, middle-aged, teenagers, widowed.

Yours truly,
