## BALLINAFAD

### Reads Extracts From 1885 School Records

Mrs. Lloyd Marshall was hostess to the March meeting of the W.I. The roll call was answered by each naming a place of interest in the North West territories. Mrs. Jesse McEnery president welcomed members along with two visitors. She remarked it had been a long time since we met as the February meeting had been postponed.

Several items of business had to be dealt with. It was decided not to participate in the seniors' training school "Accessories for the Home" as leaders were not available. Correspondence was read, including a letter from the foster child in Korea. It was moved and seconded that \$5. be sent to him for a belated birthday gift.

The theme for the meeting was education. Mrs. Slessoraitis, as convener, took the chair, and called on Mrs. Given for the motto. It fitted in with the theme as it was Things kept in Use Never Rust.

The current events were given by Mrs. Wm. McLean. Two minute reports were given by Mrs. Given, Mrs. Marshall, and Mrs. Ada Kirkwood. Mrs. George Henderson, president of Halton district was an honoured visitor and guest speaker. She being a member of the neighbouring W. I. was well known to all.

On her opening remarks she complimented the Ballinafad branch on being able to accomplish so much with so few in number. She continued her talk which was an education, and read a report written in an old Esqueving township record book dated 1885. It was from the superintendent of schools and proved to be quite interesting. Mrs. Slessoraitis thanked Mrs. Henderson for her informative talk.

President then took over the meeting and some unfinished business was looked after. Members were asked to bring the decorated cakes, poems composed by members about the W.I. which are the competitions for the District annual in May.

Mrs. Given read three poems which she had composed, two humorous and one of a serious nature. There were just two cakes on display. After the closing with O Canada and the W.I. Grace, Mrs. Marshall assisted.

### Play Charades at Zeta Alpha Meeting

March's first meeting of Zeta Alpha Chapter of Beta Sigma Phi, was held at the home of Chris Burrell. The executive board and committee chairmen spoke briefly on their official duties giving members food-for-thought with the chapter elections coming up shortly.

Plans were made for the St. Patrick's day party to be held at Cynthia Partridge's home on March 13. Each girl will bring some goodies befitting a king, or even St. Pat himself.

Miriam Gaskin, Vickie Owen, and Mariene Kelman presented the evening's program. Mariene read her views on the topic of Music Into Drama and Dance. After the reading, the assembled group was split into two teams for playing of charades. After the project, the hostess served refreshments to her guests, while they chatted about up-coming events.

by Mrs. D. McLean served a delicious lunch.

The 4-H Homemakers met again in the community centre on Saturday morning. The roll call was answered with "Why I Drink Milk. Suggestions were made regarding a name for the cover of the note books. After debating for some time girls decided it would be the Ballinafad Dairy Queens. Under discussion was the topic Milk and Money. Nancy, Pam, and Myrna Snow demonstrated making a custard and a potato salad.

The Scouts and Cubs will be holding their rummage sale in the community centre on Saturday. So the 4-H Homemaking club will meet in the church basement.

Church services had to be cancelled again due to another severe storm which hit our area on Sunday.

Mr. and Mrs. Harry Robinson, formerly of Erin, now living in Sutton West called on the Marshalls last week.

Sorry to hear Leo Jamieson is a patient in Georgetown hospital. Hope his stay will be a short one.

### Dangerous Driving Verdict Following Norval Fatality

A Georgetown man was convicted Wednesday in provincial court of dangerous driving in connection with an accident in which one man was killed and he and the four girls seriously injured.

The driver was ordered held in custody for one week for sentencing pending preparation of a pre-sentence report by Judge William A. Maedel.

The charge arose out of a single car crash on No. 10 Sideroad at Norval's Hillcrest Cemetery, July 10 in which Brian Elwood of Inglewood, a rear seat passenger in the car, was killed.

### ENDS IN CEMETERY

The car ended up against a tree in the cemetery at the T-intersection at the Esqueving-Chinguacousy Town Line.

"There is no question in my mind," Judge Maedel said in registering the conviction, "that the accused was travelling at more than an excessive rate of speed."

Judge Maedel also said there was no reason why the driver should have failed to see a warning sign, a stop sign and a lead-end checkerboard at the corner.

### NOT FAMILIAR

Judge Maedel rejected a defence argument that the accident had been caused by the fact the accused was driving a car with which he was not familiar.

"I feel the accused showed a disregard for the safety of others as well as himself," he said.

A witness said he saw the car go through the stop sign, crash into a guard rail, rip through a chain link fence, hit one tree and bounce into a second in the cemetery.

One of the passengers in the car said she estimated the speed of the car at 90 m.p.h.

### CGIT Explorers Service For World Prayer Day

The CGIT girls and Explorers of the United Church held a youth service for World Day of Prayer in the church Wednesday evening, March 3, with a good attendance. The service was based on the order of service written by women of Guyana, Jamaica, Virgin Islands, and the Caribbean. Rev. Ridley had the call to worship and the service was in sections — we pray; we meditate; we question; we read; we pray; we give; we answer. Mrs. Ridley sang the Lord's Prayer to the tune of West Indian chant. We meditate was taken by Explorer leader Mrs. Carla Rattenbury; followed by the Explorer girls' singing "Blowing in the Wind." We question was taken by Cheryl Fendley, Bev Campbell, Linda Brenner, Susan McHugh. We read was taken by Mrs. Bev Brenner, Betty Campbell, Mrs. Donna Lambert played her guitar and sang a modern spiritual.

The offering was taken by Diane Spicer and Wendy Stafford. The offerings from this and similar youth services held across Canada assist projects of help all over the world — relief to earthquake victims in Peru being one.

"We answer" was read by Linda Carney. Rev. Ridley closed with prayer and then everyone went to the church basement where the girls and their leaders Mrs. Carla Rattenbury, Mrs. Barbara Wilson, Mrs. Ruth Steinfatt and Mrs. Donna Lambert served coffee and cookies.

Mrs. Ed Green, Main Street, saw a poor little robin on her lawn last week near the crocuses pushing through the earth near a big snowbank.

The St. Alban's Guild had 8 tables of euchre Thursday afternoon, March 4. High lady, Mrs. C. Switzer, low lady, Mrs. M. Van Alpen; high man Blayne Hillcock, low man Vi Haines. The gift of a fillet steak from Preston's store was won by Mrs. Irene Jackson. Ladies served lunch.

Despite the bad roads Sunday morning there was a fair turnout at the United Church to hear the speaker, Mr. Ronald Marston of the Alcohol and Drug Concerns, Toronto. He is director of church and community relations. The members of

their organization are greatly concerned about helping people especially youth in their drug problems. This, they endeavour through their educational programs including church speakers addresses to high school assemblies and classroom instruction, youth conferences, institutes on alcohol, educational booths, clinics for laymen and the clergy, films, literature.

His many friends in the village and surrounding area were deeply saddened Tuesday, morning, March 9, to hear of the sudden death of one who was friend to all, a local merchant and for many years postmaster, Harold Wheeler. Our sincere sympathy is extended to the family — his wife, Nan, and sons Bill and Marty and sisters Delta and Mary and brother Andrew.

St. Alban's Building Committee held a euchre in the parish hall Thursday evening, March 4 with a good attendance. High score white card — Mrs. Abbie

Haley, 2nd white, George Sargent; low, Fred Jackson. High pink card, Mrs. Cora Snyder, 2nd, George Sargent, low, Florie Alcott. At the conclusion of the evening Mrs. R. Reynolds presented Mrs. T. Haines with a gift as she was shortly leaving for a holiday in the Barbados.

Mr. and Mrs. Bev Moody and family of Welland spent the weekend in the Glen and while here saw Gerald off on the train for New Brunswick where he is entering military training.

About seventy-five adults and children enjoyed a good supper of pancakes, sausages, syrup and fresh berries on Shrove Tuesday in St. Alban's parish hall.

St. Alban's Ladies Guild held their March meeting in the parish hall Monday, March 1. The president, Mrs. R. Reynolds opened the meeting. Secretary and treasurer's reports were given. Thank you notes

were received from the sick and shut-ins. Further equipment for the kitchen as well as tables will be purchased. Articles were received for a penny sale. Ladies were invited to World Day of Prayer service in Union Church. A flower film was discussed also a bake sale for May in town. Ladies will cater to a Boy Scout dinner March 12. All ladies are invited to a Stanley demonstration at Mrs. Len Murdock's home on March 10. A spring dance is planned for April. Lunch was served to conclude the evening.

## There's a new world of value at your Pontiac dealer's.

Left: LeMans Hardtop Coupe. Right: Parisienne Brougham Hardtop Coupe.

- Variable ratio power steering.** While driving on the highway, you've got plenty of road feel. But when parking, the variable feature greatly reduces the steering wheel turns required for tight-space maneuvering. Standard on some Pontiacs, available on all others.
- New emission controls.** Pontiac is doing its part to help clear the air by designing engines that run cleaner and more efficiently. And there's an Evaporative Emissions System on all Pontiacs to absorb fuel vapors.
- Power disc brakes.** Power front disc brakes help assure fast, fade-resistant stops under the toughest driving conditions. Standard on all big Pontiacs; optional on trim-size Pontiacs.
- Bias-belted tires.** Help improve handling and traction. Bias-belt design also helps increase tire life by resisting flexing, thus cutting heat build up. Standard on all Pontiacs.
- New open rocker panels.** Reduce salt and water build up, helping to eliminate unsightly rust and corrosion. A feature on full-size Pontiacs that'll pay off at trade-in time.
- Roomier, quieter interiors.** There's more room inside, because all full-size Pontiacs ride on longer wheelbases for 1971. New double roof construction is acoustically-designed to absorb sound.
- Draft-free ventilation.** The vent windows are gone, in favour of Pontiac's powered flow-through ventilation system. It gives you a constant flow of fresh air, and does it quietly. A full-size Pontiac feature.
- New suspension.** A new front suspension on all full-size Pontiacs improves handling on bumpy roads and in crosswinds. The result, a better ride and more precise road holding. Prove it yourself with a test drive.
- Side-guard beams.** Increased side impact protection in every door. Originated by General Motors and standard on all 1971 Pontiacs.
- Inside hood release.** Stops uninvited hood lifters. Release handle is located under the dash. Standard on all big Pontiacs. Available on trim-size models.
- Complete GM safety package.** All 1971 Pontiacs are equipped with GM's complete package of accident-prevention, occupant-protection and anti-theft features.
- New seat construction.** The front seats in all full-size Pontiacs feature new molded foam construction for more comfort and durability.
- New materials.** Up front all Pontiacs feature rust-resistant fibreglass-reinforced panels. And on all big Pontiacs there's a dent-proof Endurex grille divider.
