

HOSPITAL ALSO WINS IN ROTARY SKI-DOO DRAW

Georgetown Rotary Club president Bob McDonald presents a cheque for \$1800 to Georgetown and District Memorial Hospital administrator Fred Whittaker, the proceeds from the club's second annual Ski-Doo draw made in December. At left is the club's Ski-Doo draw project chairman, Ken Faulkner. This season's draw was \$300 more successful than last year's proceeds, which also went to the hospital's building fund. Top ticket seller this time was Frank Petch.

DON'T WANT INDIVIDUAL GLORY

THEATRE PLAYERS BLACKBALL 'EMMY'

Immediately following the success of Georgetown Little Theatre's 'The Mousetrap', they attained another attendance first at their March general meeting held at Lillian Baker's home on Norton Crescent. A record thirty-two people were there.

Members welcomed four new members, Chris and Judy Walker, Dianne Schofield and Dan Wagstaffe, a past member who moved away from the area to follow a career in radio.

At February's meeting the establishment of an intra group Emmy type awards system was discussed, but because opinion on the merits of this were so divided, members were given a month to think it over. A majority vote at this month's meeting quashed the idea.

Some of the newer members who have had experience in other amateur theatre groups remarked on the commendable absence of jealousy and backbiting so often found in organizations of this kind. The majority felt that it would be difficult to decide who was best at any one endeavour (and there are so many in little theatre, equally important) and that it would be far better to work together as a team for the good of GLT as a whole rather than for individual glory.

NICHOLLS PRESIDENT

Elections were held for the 1971-72 executive, which will take office in June. The officers will be Des Nicholls, president; Vera Macdonald, vice president (in charge of play selection); Pat Joyner, secretary; Bob Lee, treasurer; Linda Nicholls, public relations.

Bob Lee, in charge of ticket distribution for the March 20 Theatre Ball reported that sales indicate a good crowd.

GAZEBO NEXT

The budget proposed by Des Nicholls, director of GLT's

next production 'The Gazebo' written by Alec Coppel, was approved. The mystery-comedy will be presented at the end of April.

'George', the one-act play written by Ron Hill, has been in rehearsal for Georgetown

Cougar Show Beautiful ... But Hard to Hear

10 Fagan Drive
Dear Sir:
I have just returned home from seeing the 4:30 p.m. showing of 'Cougar Country.' I left at intermission: I am out \$3.75 (3 children at 75c each, myself at \$1.50); and I am steaming!

I wonder if the parents who left their children to see this film really knew what went on. I went to supervise my youngest child, and to enjoy what is, I am sure an excellent film.

The pictures were beautiful, but I could scarcely hear a word, even though the sound was turned up (extra high). Children were running to and from the concession booth, and then some were just running around to release excess energy. Four little girls, in front of us apparently decided it was a

party, and were playing musical chairs. Heads continually appeared in front of the projector beam, papers and other articles were thrown, and pop cans were rolled on the floor.

If we are going to have special films shown, either some control should be exercised over poor behaviour, or children should be accompanied by a responsible adult.

I have nothing but praise for the normal films and activities that this hall has. Indeed, it is a wonderful community centre. However, this particular incident was a fiasco.

Mrs. J. Masson
