

Ten-Year-Old Pens Pollution Poem

Campers Follow Rhyme for Driving Good Time

Ten cars loaded with Georgetown Fireflies camping club families splashed through muddy water, rumbled over washboard roads and alomaded around potholes March 14 in a rally that sent them in search of clues over a 30 mile course. Two sheets of instructions made up of 23 rhyming verses sent them in a wide circle around Georgetown with Cedarvale Community Centre the starting and finishing point. The poems had the occupants of the cars seek out the answers to questions about objects, names and places visible from the course.

FIRST PRIZE
Mr. and Mrs. Al Rice and family of Glen Williams were eventual first prize winners after the breaking questions back at Cedarvale. Mr. and Mrs. Gord Van Horne and family were also winners. The families packed lunches and had refreshments together in their regular meeting room in Cedarvale afterwards. The club held their March meeting, Tuesday, March 9 when Mr. Thrush of the E. B. Wait Company of Oakville demonstrated propane camp heaters, stoves, and lamps made by Primus.

Consumers Rep Guest Speaker For W.I.

Mrs. Bennett, of Brampton-Bramalea Consumers of Canada was guest speaker at the March 17 meeting of Terra Coita Women's Institute. The meeting dealt with pollution and Mrs. Norman News presented a paper on this. Members answered roll call with 'A pollution problem of which I am aware.' President Mrs. Jack McDonald conducted the meeting and Mrs. Stan Faulkner, secretary treasurer read minutes. Mrs. A. O. MacDonald gave the motto and Mrs. George Frazer played piano selections. Mrs. Wilfrid Leslie extended courtesies to those taking part in the program. Lunch and a social hour concluded the day, with Mrs. Fred Sharpe and Mrs. Joe Eason assisting the hostess, Mrs. John Lyons, with lunch.

NORVAL

4-H Dairy Fare Project Focuses on Milk, Cheese

The first meeting of the spring project Dairy Fare of Norval 4-H Homemaking Club was held on Wednesday evening, March 3 at the home of Mrs. Allen Castle. The girls discussed the colour of their record books and chose yellow. They are to have a design for the cover and a name ready for the next meeting. Mrs. Bill Laidlaw outlined what they were to have as a 4H member. Mrs. Castle discussed working methods and how to make dish washing easier, also equipment for dishwashing and steps in dishwashing. Mrs. Laidlaw showed and described the many forms of milk and milk products on the grocery shelf, namely pasteurized, homogenized, skim, long life, flavoured fresh milk, buttermilk, yogurt, evaporated, condensed and milk powders. Officers were elected, president, Helen Dunlop, vice president, Betty June Laidlaw, secretary, Kathy Hyatt, treasurer, Wendy Dimock, press reporter, Jean Wilson. Heather Hyatt made a delicious milk shake and Beth Laidlaw made a quick cheese pizza, which they sampled for lunch, after which the meeting closed with O Canada. The second meeting was held on Wednesday evening, March 10 at the home of Mrs. Allen Castle and opened with the 4H pledge. The roll call was answered with ways of serving dairy products in the home. Beth Laidlaw's design for the record book cover was chosen. Mrs. Bill Laidlaw pointed out the importance of milk in the diet which helps to build strong bones and healthy teeth, yogurt is being used more and originated from Turkey, and has been known since Bible times. Helen Dunlop demonstrated how to make corn chowder and Jean Wilson made a yogurt thousand island dressing. These were sampled for lunch and the meeting closed with O Canada.

Zeta Alpha Chapter of Beta Sigma Phi, held their March 15 meeting at the home of Pat Mounsey. The topic dealt with for the evening was 'Poetry', given by Renee Lewis, Jeanne Ellis and Helen MacLachlan. Mrs. Lewis read her views on poetry and gave several examples written by young people. One of the poems, by ten year old David Lewis, follows:

MY WORLD
This is what I want,
Of all the world around,
Not any pollution,
To hold the beauty down.
I want not any smog,
Nor any waste,
Just clean fresh air,
In a great big haste.
The world around me is dirty,
And can be very hurty,
This isn't funny,
We haven't the money,
To clean up the horrible mess.
Men is a horrid polluter,
And is also a very bad hurter,
You can look at the sky,
It's all of black dye,
This is because of man.
The sun is a very bright shiner,
Without it nothing is finer,
But the sun can't shine,
With this grease and grime,
This is the work of pollution
Sometimes you can see the stars,
But sometimes you can't,
Cause of cars,
They give off smog,
Smog that can clog,
This is because of cars.
This poem has come to an end,
I hope you can comprehend,
I hope somebody has a solution,
To the world problem of pollution.
— David Lewis (10)

During the business meeting, plans were made for the future rummage sale. Elections for the 1971 - 1972 Executive were held, and the results are as follows:
President: Mary-ellen Bridge,
Vice president: Norma Carlisle;
Recording Secretary — Judy Lawday; Treasurer: Lois-on Hoelmer; Corresponding Secretary: Martene Kelman.
The wee Leprechauns were active Saturday night when Zeta Alpha held their St. Patrick's Day party, hosted by Mr. and Mrs. Gord Partridge. Music drifted softly throughout the gaily-decorated room. A buffet dinner was later served to bring a very interesting evening to a close.

DID YOU KNOW?
The mistletoe, a parasitic plant, was held sacred by the ancient Celts as possessing magical properties.

with Discount Prices & Guaranteed Quality

What is Guaranteed Quality?
It means many things at A&P... one of them is Guaranteeing other people's products!
You see, before any product is allowed on our shelves, we've checked it out pretty carefully.
If you ever buy anything at A&P you're not happy with, you don't have to bother to write a letter to the company that made it. Just tell your A&P Store Manager. He'll give you your money back. We'll get in touch with that company for you... and for us.
That's A&P's guarantee.
