

# Legion-Kin Hockey Brings Back Some Familiar Faces

by Ralph Hawes

From where we sit it looks as though the week ending April 17 is to be a busy one as far as Legion is concerned.

Monday will see Norm Ward and yours truly at Milton to see fair play at the election of officers of Branch 136.

Thursday most members of Branch 120's executive, plus prospective members of future executives will be at Branch 197 Acton to sit at the feet of Bruce Collins, zone chairman of leadership and development where they hope to learn much about Legion.

Friday, 120 will hold its spring initiation night of new members. Sunday, April 18 is special. Bruce Collins has selected the afternoon to have 25 year and 40 year badges presented. The

presentation will be preceded by a lunch, there are many members to receive their 25 year and 40 year badges and it is hoped they will all be on hand to be honoured by the Branch.

## ENGLISH DUMPLINGS

The meals for both Friday night's initiation and Sunday's presentations will be prepared and served by the men of the Branch, there is one debatable point about the meal on Sunday will Welsh or Canadian dumplings be served. We have put much research into this subject and find English Dumplings are the only authentic ones in existence. However, we know that both Harold and Chubby, along with the merry kitchen helpers will put up a good meal for both occasions.

With prizes at the Saturday night dance being won by Bob Hillier and Martin Morinor, you could almost say it was kept within the family. However two prizes also went to Jean Hedley and Pamela Martin.

## SPECIAL SPORTS REPORT

The following is a special sports report from sports officer Hank Russell.

Saturday, April 10 turned out to be a very eventful day for the sports minded and athletic members of Branch 120. It started off very early in the morning and carried on to a late evening finishing up at Branch 120 being entertained by Bob & Corcy and served a lovely meal of Chilli prepared by Mary Russell.

Getting back to the beginning of the day and sports, Branch 120 sent two of the finest dart teams around these parts to Acton and the district dart championships. There were no doubts as to what the final outcome would be. Georgetown 'A' team made up of Ken Derosé, Harry Bottoms, Jim Randall, George Gaskill and Jim Wallace emerged as winners taking home to Georgetown the very coveted district dart championship trophy.

Georgetown B team composed of Art Hall, Roy Rudiger, George Rogers, Joe Martin and Dennis Booth, came home as runners-up beaten only by the Georgetown A team. This is a first as far back as anyone can remember that two teams came out of one Branch and finished the day and tournament as the top two teams in the district.

## PUT EVERYTHING INTO IT

A great hand and a real plug has to go to the Acton Legion as a group for the tremendous effort and time put into this event. The way every event was run and the early finish is proof in itself that Branch 197 Acton put everything into this day. A special thank you must go to the president of Branch 197 Acton and their ladies auxiliary for a wonderful turkey dinner. The tournament itself was run and controlled by district sports officer Murray Hutchinson and zone sports officer Joe Ashton of Brampton.

## GAME OF THE CENTURY

Now we must come to the big event of the day. This being a real all star hockey game that pitted two of Georgetown's top service clubs against each other to see if the youth and stamina of the younger Kinsmen from Georgetown could outlast the skill and finesse of Branch 120 super stars.

The Kinsmen lineup consisted of George Bowen their ever-worshipful president and top goal scorer, Dave MacLeod, Mike (traitor) George, Doug Ditchfield, Al (Darts) Murphy, Fred Harrison (Walter (traitor) Mariano, and their goaltender who we think was imported from one of the pro teams, who we also understand should be playing for Branch 120, Grant Emerson, Bill Sunnucks, Bill

MacCormack, Don Puckering and John White.

## SUPER STARS?

Next we come to the lineup of the Legion Super Stars. They were Jack Kernsheed, Dennis Allen, Hank Russell, Bob Burns, Bernie (Goalie) Dore, Bob (Ed Shack) Waites, Harv Chapel, Bob MacDonald, Hopper McLeod, Ken Nash, George Louth, Bud Vary, Joe Louth, Gordie Collins, John Allen, Tom James manager Greg Higgins and Mr. Coach himself Bill Hunter. A few reinforcements were used in a sort of clown suit in the persons of Russ. (Muscle) Stephens, Bud (Curly) Hill and Al (Sinker) Grieve.

## KIN WIN

This game was well controlled by two of the finest referees in the hockey world today. They were none other than Gerry (whistles) Nash and Bob (teag-ley-eye) Monckton. These fellows handled very well a rough-tough game which under some one else's control would possibly have gotten out of hand and into the hot stage.

I might say this game was attended by a great number of spectators.

The game itself ended up on the score sheet as a 5-4 victory for the Kinsmen. Goal scoring for the Kinsmen were — Hat trick Bowen, Bill MacCormack and Walter Mariano.

Legion marksmen were Bob MacDonald with two, Harv Chapel and Jack Kernsheed with one each. A disputed goal in the final minutes of play was scored by yours truly Hank Russell. This goal was disallowed because the Kinsmen claimed the Louth brothers George and Joe were holding the Kinsmen on their bench.

During this game some of the league players showed that old poise and know-how they used to have in their younger days.

Kempy at times looked like his old self as he zigged and zagged through the Kinsmen lineup. Harv Chapel sometimes looked like the player we all know he used to be as he executed some fine end-to-end rushes and we must not forget to mention stalwart George Louth as he almost knocked some of the Kin out of their hockey pants.

After the game was over everyone was invited back to the Branch where Branch president Norm Ward and zone commander Charles Heath presented the Kinsmen president and team captain George Bowen with the championship trophy. After the trophy presentation and festivities the Kinsmen and their lovely ladies and the Legion members and their lovely ladies enjoyed food and dancing.

## BOWLING NEXT

Being carried away with the hockey I almost forgot that next Saturday, April 17 will see our Branch bowling team head for Richmond Hill and the provincial finals. Teams will play approximately 9.30 a.m. Doubles at 1.30 p.m. and singles approximately 3.30 p.m. From all the Branch members we wish to say good luck to Don Wilkes, George Archibald, Stan Swan, Jake Timpon, George Herrington and Bob Nicholson on your day Saturday, April 17.

## Main Street Suggestions Not This Reader's Liking

Dear Editor: 38 Ann Street  
The contemplated improvements to Georgetown's Main Street suggested by architect Paul Martel sounds like another "pipe dream" the Georgetown citizens are liable to be burdened with.

We have been asked to envisage trees planted down the middle of Main St. Yes I can picture those beautiful leaves in the fall of the year blowing and swirling round our feet as we shop, littering the street and doorways and window ledges of the stores and when the leaves are gone the dead twigs falling on our heads.

I can visualize the busy working mothers during eight months of cold weather strolling around the brightly painted shops looking at the bare trees and stopping at the ally's outdoor coffee shop to sit on a cold bench in the biting wind to drink hot coffee, (or am I dreaming)?

Mr. Martel says he lived here one summer and got so excited about the possibilities for Georgetown (pardon me Mr. Martel) it is a pity you didn't live here for the winter, you might have drawn a different picture.

The public these days are demanding free parking, comfort and convenience, warm airy buildings in winter and air-conditioned in the summer, where they can stroll around at their own speed, to become involved in shopping. They don't want to be accosted by a clerk as soon as they enter a shop doorway, before they have had time to look around to see what they want. We need another Shoppers World in Georgetown like they have in Brampton, including a cinema. If the public are not serviced with these conveniences in this town they are going to drive to another town to spend their money.

Maybe Mr. Martel as an architect, could plan a roof over
