

Southern Vacations Lure Many Norvalites

Mr. and Mrs. Elmer Carney and Mr. and Mrs. Hugh Clark returned home for the Easter weekend following two months holidays in the States. They enjoyed a week at New Smyrna, Florida, then travelled around the Gulf of Mexico to near San Diego, California, where they spent six weeks enjoying the lovely summer weather.

Some others from the district who enjoyed holidays during the winter and early spring were Mr. and Mrs. L. May, 2 weeks in the Canary Islands; Mr. and Mrs. John Hutton, 2 weeks in Barbados; Mr. and Mrs. Jack May, 2 weeks in Hawaii; Mr. and Mrs. Mac Hyatt, Mr. and Mrs. Doug McCallum and Mr. and Mrs. Bob May spent 2 days in Mexico City and 11 days in Acapulco; Mr. and Mrs. Graydon Chester, 2 weeks on a Caribbean cruise; Mr. and Mrs. John Dunlop, the recent school holidays at Myrtle Beach, S. Carolina; and Mr. and Mrs. Wilbert Cleave, 2 weeks in Florida.

The second combined Good Friday service sponsored by the Inter-Church Committee was held in St. Paul's Anglican Church on Friday evening. The service was conducted by Rev. R. Ruggie assisted by Rev. Howard Smith and Rev. R. Walter Ridley. Each gave meditations on the scripture readings relating to the crucifixion of Jesus. Mr. Charles Coomber and Rob Heaton sang the hymn "Resting from his work today" as a duet. Mr. Andrew Dewhurst was organist for the service.

Spring arrived officially in the village when Norval was "invaded" Saturday afternoon April 10 with men, women and children of all sizes to see the finish of the Georgetown Jaycee's sponsored Crazy Boat Race on the Credit River. This year the race ended at the dam in place of the old bridge by the Riviera as in previous years. This made a very large crowd and traffic jam at the dam as the rest of the river through the village runs along private property.

Entries this year were crazier than ever and sparked a real interest among many in the district. A few floating crafts sailed by without occupants — we presume they were abandoned when they upset somewhere up stream. Some were carried over the dam dunking the crew into the chilly waters, but many arrived safely at the finish point, tired but jubilant. Canoes, kayaks and then the row boat type of craft finished first and finally the crazy entries arrived as they couldn't go much faster than the current would carry them. The weatherman co-operated with a lovely sunny day but the wind was chilly.

Mrs. Gwen Laidlaw gave an Easter devotional after which they formed small groups and held lively discussions. Lunch ended the enjoyable and interesting evening.

In place of a March meeting the group visited the Planetarium in Toronto and had lunch at a restaurant in Streetsville on the way home. About 30 enjoyed the trip.

Union Presbyterian Church W.M.S. Easter Thankoffering meeting was held at the home of Mrs. J.L. Young on Good Friday, April 9. Mrs. A. McKane and Mrs. Lee Campbell were in charge of the lunch and assisted the hostess.

Mrs. C. G. Bishop presided for the meeting. Mrs. Howard Smith gave an Easter theme devotional assisted by Mrs. A. McKane. Guest soloist was a college friend of Miss Marion Young who was visiting her for the Easter weekend, Miss Mary Ann Fisher. She sang a couple of numbers. Mrs. Frank Dolson gave an Easter reading. Peter VonZuben, a young man from the congregation, told about his experiences while travelling in the Peace River district and part of the North West Territories with a missionary group last summer. They travelled as far as Hay River in a converted school bus.

Mrs. Wilfrid Leslie gave the courtesies.

The 6th meeting of Norval 4-H Dairy Daughters was held on Tuesday evening April 7 at the home of Mrs. Castle. Seven members answered the roll call "on ways to serve cheese". Mrs. Laidlaw returned the record books which she had checked. A discussion on desserts made with dairy products was followed with a quiz and also went over the menu scoring. Mrs. Castle assisted Heather Hyatt who made tasty cream puffs and Kathy Hyatt made a peachy lemon whip. These were sampled for lunch and the meeting adjourned.

NIX "SWITCH" PLAN

Stay in Home School County Board Rules

The Halton County Board of Education finally settled it — your youngster won't be able to attend school outside his home area except in very special circumstances.

The optional attendance area plan which would have enabled students to opt for preferred schools outside their home areas if there was room for them went down to defeat; and it was a defeat that may well have been engineered by Director of Education Jim Singleton.

NOT HAPPY
While his number two man, assistant director E. S. Lavender, was doing his best to sell the idea to board members in an uphill fight, Singleton was telling the trustees in a roundabout manner that he wasn't

altogether happy with the proposal. He told the board the five-member executive council was split on bringing a positive recommendation to the board, and that the administration could "live very easily" whether or not the board introduced the new system.

NO REVERSE
Singleton did not explain further the administration split, but when separate school trustee Bill Priestner suggested jokingly it had been the other four against Singleton he retorted, "That's not fair."

"Once we start down this road I don't think we can reverse it very well," cautioned trustee and former chairman Fred Armitage.

Teachers Retiring

Among the many staff changes effective September, 1971 announced by the Halton County Board of Education last week, was the resignation of Mrs. Thais Brown from Stewarttown School, the transfer of Mr. James Peil from Paterno School to Joseph Gibbons School, the transfer of Mrs. Elaine Bray from Lorne Skuce School to Joseph Gibbons School, a leave of absence for Mrs. Mary Hardie from Georgetown High School for two years, the retirement of Mrs. Ruth Forgrave from Park School and the retirement of Mrs. Eva Presswood from Glen Williams.
