Yellow daffodils, mauve tined pussy willows and green fern was the decoration for the Hillcrest United Church when the annual Daffodil Luncheon was held on Thursday, April 22. Close to 140 guests attended.

The tea tables were decorated with miniature vases of yellow daffodils and mauve pussy willows. A musical interlude was played by Mrs. Marshall McLaughlin as the guests arrived while Rev. Lynne Adams and Mrs. Ward Brownridge greeted the guests at the door.

The program committee consisted of Mrs. Roy Wilson, Mrs. Jim Snow, and Mrs. Jim Carney. Following the Luncheon the guests retired to the upstairs where a very interesting program was enjoyed by all. A duet was sung by Mrs. Frank Wilson and Mrs. Lloyd Davidson which was enjoyed very much. Mrs. Bob McCuaig, sang several delightful solos accompanied by Mrs. Jim Carney at the piano.

The guest speaker was Mrs. Norma Carrier, executive secretary of Canadian Consumer's Association of Toronto, who conducted a question and answer period which involved many answers on pollution. People themselves are polluting the air in their homes, offices, workshops, schools, etc. to a much higher degree. Indoor-air pollution should be the first of anti-pollution groups. Mrs. Carrier, highly recommends using detergent which is free of phosphate. The ladies would also like to see standard sizes for clothing.

The second anniversary services of Hillcrest United Church were held on Sunday, April 23, 1971, at 11 a.m., and in the evening at 7:30 p.m. The congregation welcomed Rev. The local choir sang in the morning with Mrs. Isabel Carney playing the organ. In the evening Rev. Lynne Adams preached the sermon: 'Building and Built Upon.' A hearty thanks was extended to the Chansonettes from Milton and to Mrs. Winnie Newell, the guest organist; Mrs. Judy Hunter, their director and to Mrs. Isabel Batstone, soloist for their ministry of music was a real treat to hear.

## 'Summer Day' May 4 For Accessories Course

"Accessories for the Home" will be the topic of a Summary Day to be held at Hillcrest United Church, on May 4. The program is sponsored by the Home Economics branch of the Ontario Department of Agriculture and Food.

The Summary Day concludes a project undertaken by five groups of local women this spring. Following a training school in March, leaders have conducted several meetings at which the selection and arrangement of accessories was discussed.

Each group will present a skit or exhibit on Tuesday afternoon, to demonstrate what they have learned. Miss Jeanne Armour, Home Furnishings Specialist for the Home Economics Branch, will be on hand to answer questions and provide any additional help needed. Many of the members have made decorator cushions for their homes and these will be displayed that afternoon also.

Participants in the Accessories course were the communities of Campbellville, Neessaways, Norval, Silverwood and Scotch Block. The public is welcome to attend.

SEEDS

In Canada one child in every thirty is born - or is destined to become - mentally retarded. That's more than 17,000 each year.

And each one needs special care and attention. Your local Association for Retarded Children is doing all it can in the way of providing the necessary training and guidance to help these unfortunate youngsters. All we ask you to do is this - on Mother's Day if possible - plant these seeds in your window box or garden . . .

Then mail your donation to play your part in this important community work.
