

**DOROTHY PAGE WEDS QUARTET MANAGER**

Shown in photo above (taken by a friend of the family) are Mr. and Mrs. Jim Worth. They were married by the pastor of Acton and Cheltenham Baptist Church, assisted by Rev. Jack Hanna, pastor of Bay Ridges Baptist Church. The bride is the former Dorothy Page, daughter of Mr. and Mrs. Harold Page, R. R. 4 Acton. The groom is the son of Mr. and Mrs. Lambert Worth, Timmins. Jim is manager of the King James Version Quartet, formerly the Churchmen's Quartet, Canada's Number One Gospel Quartet. Gifts and congratulations were received at an "Open House" held at the home of the bride's parents, a week after the wedding. Jim and Dorothy are now residing in Don Mills.

**Barclay Sparkles In Royals' Win**

The first game of the soccer season kicked off at Georgetown high school. With the opening whistle the Royals were soon knocking at the door of Budd's United goal. They missed two or three good chances, held back by a stout Budd defence.

Continuous pressure paid off when Dave Foster connected with a well placed corner kick from Colin Foster to beat the goalkeeper, only for a Budd defenceman to stop the ball with his hand.

Gord Barclay took the penalty kick with a low, hard ball into the net.

Minutes later Ian Ford, a speedy right winger, was on the spot at the right time to score through a maze of players.

Barclay scored his second goal in the second half, beating three players with a foot sizer.

Georgetown was never in any danger, with defensive work led by captain Bill Barclay. After 85 minutes of play Gord Barclay scored a hat trick to end the game 4 - 0 for Royals.

**CCOG Bottle Drive Success, Paper Next**

Dear Sir:  
The recent bottle drive was a complete success, with more than 10,000 bottles being retrieved for recycling. We would like to thank the citizens of Georgetown who brought their bottles to the four designated pick-up points. In view of the overwhelming public support encountered, we are considering a repeat of this project at a future date.

The next step in our "garbage" recycling program is a paper drive. This is scheduled for Saturday, May 15th. Paper will be picked up by town works' Department trucks. Dependent upon initial success, the paper drive may also become a regular event.

Yours truly,  
Pollution Group (CCOG)
