

TIME TO DUST OFF THE DIAMOND SKILLS

This is a familiar scene in the Georgetown Park these days as minor ball clubs dust off their diamond skills in preparation for the 1970 campaign. Here, at a tyke practice, coach Gord Morton checks off a list of his personnel. The tykes are managed by Vaughn Thompson.

31% Registration Proves Popularity of Soccer

by Murray Parsons

Georgetown & District Minor Soccer Association will hold an open day at Cedarvale, May 15, starting at 12 noon to mark the official start of the '71 season. Matches featuring teams from each division of the league will be played throughout the afternoon and early evening. After Mayor Smith takes the opening kick-off of the open day and Soccer '71 will be underway.

of soccer age in Georgetown 678 are registered to play. This represents 31.7% (subject to a slight reduction for out of town boys). The soccer '71 executive sincerely thanks everyone who participated in the pre-season preparatory workload and those whose continued help and support will ensure the success of soccer '71. Significant among those with out whose assistance we would

required number of field hours. The Canadian Legion (Georgetown branch) for their financial concessions related to the use of their facilities for social functions will greatly assist our fund raising activities (dances). The Kiwanis they will be installing outdoor lighting at Cedarvale. This will extend the playing hours in the latter part of the season and will be a major contribution towards increasing Georgetown's stature on the sports map.

35 Mile Course For New Sport Club Rally

Rallies, driving skill tests, and economy runs aimed at encouraging the participation of novices while still demanding the interest of more experienced drivers will be the kind of programs run during the immediate future of the new G. T. Sport Club for car drivers. The club held its first official meeting at Cedarvale Community Centre last Wednesday. Several events during the summer were decided on, one being a soap box derby, for the children. This may be held in conjunction with another town activity.

FOUNDING RALLY
The club's 'Founding Rally' a novice event, has been set for Sunday, May 9 with interested drivers to assemble at the Cedarvale Community Centre for a short briefing on basic techniques, after which they will start on a 35 mile drive through a scenic area. Basic requirements are a watch, a pencil, paper, a speedometer, odometer and \$1 entry fee. The entire family is welcome.

Trophies will be presented to the top scoring driver and navigator. A helpful briefing and an interesting rally have been arranged by Carl Groskorth, Lou Broadfield, Bob Horton and Jack Fischer.

TEMPORARY EXECUTIVE
Georgetown Recreation Director Doug Collison who has never driven in a rally before will be among those driving Saturday and hopes to finish in the top 10. Any challengers? The club's temporary executive includes, co-ordinator Mike Hart, competition chairman Carl Groskorth, secretary Lorraine Horton and publicity Lynne Hart. Much assistance and information is being provided by Lou Broadfield, Don Brinklow and Robin Fischer.

Cold Weather Didn't Stop Trout Enthusiasts

SNOW - SUNSHINE, FLY HATCHES AND FEEDING RAINBOW
The weather for opening day of the trout season was cold which brought several inches of snow in the Georgian Bay area. Despite this the hardy anglers were out in force and were rewarded with some nice speckled trout, the rainbow die-hards were rewarded with good heavy fish and from all reports weighed as much as 14 lbs.
DANNY CARNEY of 6 Ann Street, braved the elements and despite the fact that he lost his voice due to the cold, vows that it was all worth it just to catch his first trophy male rainbow trout. It was a beautiful 30 inch-er that weighed better than 11 lbs. and was approximately 18" in girth, it was caught in the Beaver River at Thornbury and 15 minutes was required to land the prize.

JERRY DEWAR of George Street, as usual came up with some nice ones of 7 lb., 8 lb., 5 lb. and 4 lb. approximately. They were all rainbow trout.

TURK SHEPHERD of Acton by all reports landed a 14 lb., some odd ounce male rainbow at Thornbury.

GORD WARD of Ontario St. took a nice one from the Beaver that weighed about 6 lb.

LORNE FLETCHER of Acton landed 5 nice ones from the Beaver on opening day, and two days later more good fish were taken. The actual weights are not known at this time except I can say they were all over 8 lb.
Lorne is an experienced angler and rainbow's are his favourites, especially the big ones.

TERRA COTTA RAINBOW
This is the way it was told to me.
Up Terra Cotta way on the 24th of April snow squalls were in order. When it quit snowing the sun shone, a fly hatch came on and the rainbow trout fed on them. Water tempera-
