

# Achievement Day Ends 4-H Dairy Fare Project

4-H Homemaking Club members met Saturday, May 8, at the Stewarttown Public School for the Achievement Day for their spring project, "Dairy Fare." There were 86 completions in the 8 clubs which made up the north Halton group. Also attending were the 16 club leaders and about 40 visitors.

The morning program consisted of menu judging, a quiz on the project, and identification of dairy foods. During the afternoon, each club presented a skit or set up an exhibit on topics ranging from "Three Ways with Cheese," and "Dairy Desserts," to "What Milk did for Miranda."

### HONOURS

Mrs. Mansel Nellis, 1st vice president, Halton District Women's Institutes brought greetings from the organizations which sponsor many of the clubs. Visiting Home Economists were Miss Carol

Yakalashuk and Mrs. Kathy Williams of Toronto.

County Honours, for the completion of six 4-H Homemaking Club units, were presented to Sharon Ellerby and Janice Swackhamer of Bannockburn, Bonnie Kirkwood of Ballinfad, and Cathy Lindsay, Limehouse.

Recipients of provincial honours certificates and pins were awarded to Marilyn Barber, Doris Black and Cathy Lasby of Dublin, Heather Hyatt, Norval, and Mary McGee, Ashgrove. These members have completed 12 units.

### ADVANCED

Mrs. Eileen Brown of Ballinfad received Advanced Honours and a silver pie server for completing 18 different 4-H Homemaking club projects.

Mrs. Doreen Bannister, Halton & Peel County Home Economist, presented a leadership award to Mrs. J. F.

McCarron, on behalf of the Canadian Council on 4-H Clubs. Mrs. McCarron has been a leader of the Dublin club for five years.

### Zeller's Nine Stores Swell Building Total

Building permits amounting to \$884,000 for Zeller's store, and 9 other new stores in the Georgetown Market Centre pushed the April total to \$1,289,854.

Economy Forms, on Todd Road adding a 19,000 square foot extension at the rear of the present building, valued the addition at \$90,400.

Eight more swimming pool permits valued at a total of \$21,024 testified to the growing popularity of the home swimming pool.

The tenants for the new stores in the Market Centre have not yet been announced by Brumac Developments Ltd.

### Wants Walking Trail Through Town, Too

129 Rexway Drive,

Dear Sir:

I read with interest that the route of the old "radial" railway is to be opened up as a walking trail between Acton and Guelph. Many Herald readers are probably unaware that the radial or CN electric used to run from Guelph to Acton, Georgetown, Huttonsville, Meadowvale, and into Toronto (Keele Street).

There is a lot of delightful wooded country between Georgetown and Meadowvale and Acton; most of the old radial line is now a hydro right of way and it would seem logical to try and make a walking trail out of it in the Georgetown area before it is closed off for good.

A few years ago the hydro right of way in the Delrex subdivision was closed off when householders whose lots border the right of way extended their back yards back to the line of the hydro poles. I can see that it might be very difficult to 'reclaim' this part of the hydro right of way as a walking trail but I see no reason to hesitate in establishing the rest of the route as a walking trail as soon as possible; as far as the Georgetown - Meadowvale section is concerned, I would think that this comes under the jurisdiction of the Credit Valley Conservation Authority.

I think this would be a good time for our local representative to the CVCA to bring the matter up and see if parts of the route can be opened up for walkers this year.

Yours truly,  
Gordon J. Hunt

## Try this simple test with your present sedan.

Take an ordinary lawnmower. And an ordinary sedan.  
Put the former into the latter. If you can't, what you need is our Squareback Sedan.  
It has 48.9 cu. ft. of loading space in the back. And 8.1 cu. ft. up front in the trunk. (All told, twice as much space as ordinary

sedans.)  
In the back, an air-cooled engine that can't boil over or freeze up. And that needs little oil, gas or maintenance.  
So, not only can you get a lot into the Squareback Sedan, you can also get a lot out of it.
