

Imperials Visit Collingwood Help Inaugurate Branch

by Ralph Hawes

At many general meetings when there are less than 10% membership in attendance, Norm Ward and his predecessor presidents have often held their heads in their hands and have asked themselves, what do we do?

We say be of good cheer, we were at a branch, which shall be nameless where there was far less than 10% at the general meeting. We realize this does not help Branch 120, but at least there are many branches where members are less interested.

Complacency in the operation of the Branch seems to be quite common, and one finds it hard to understand why, for a Legion Branch belongs to every member of that Branch, one would imagine that as part owners they would exercise their right to see to it that their Branch is operated in an efficient manner.

Ah well! Maybe some members of 120 will read the above and make an effort to be at the nomination meeting on Thursday, May 27 to nominate or be nominated to ensure that 120 continues to be run smoothly.

Somewhere along the line we failed to obtain the Friday night dart shoot winners' list, but we can assure you that ten bundles of steaks were won and will be won again this Friday when Joe runs yet another dart shoot.

Should mention here, that Joe is running a Monday night mixed dart league if any dart shooter wants to keep that

throwing arm in shape during the summer months, here is an enjoyable, and possibly a profitable way to do so.

The car club winners list we did get. They were E. Ross, D. Fendley, W. McMullen, I. McPherson and R. Lockhurst.

In spite of so many other attractions in town on Saturday night Bob and Cory attracted their fair share to the Saturday night dance where prize winners were J. Roberts, B. Monty, M. Frost and J. Duggan.

The Bingo list we did not get. Saturday mid-day saw a bus load of Imperial Section of Branch 120 members and their ladies heading for Collingwood where they were guests at the official opening of Branch 63.

The Imps were wined and dined after which they entertained the host Branch with their many talents. Prior to the opening day dance they spent some time with George and Jean Calder.

The dance as well as being enjoyable, was most entertaining, a young Scotsman who proved to be a very clever mimic entertained the Branch and visiting members for a part of the evening.

On Sunday after breakfast at George and Jean's the Imps returned to Branch 63 for their general meeting, in-company zone commander Orville Garbutt, was special guest on this occasion.

We believe Norm Ward made a first as president of Branch 120 by being one of the colour party and we might add that

for an ex Jack Tar he did a good job.

While the meeting was being held, the ladies were on a scenic bus tour.

After an early supper the Imps were again entertained. Should mention here that the Imp members and their ladies received the Royal treatment by Branch 63 and by the Calder family.

Musical Evening for 91st Birthday Party

Mrs. Mary Elizabeth Morrow was 91 years young on April 29. Fifty-three relatives came to her home on Saturday evening to celebrate the occasion. The evening was spent in music and singing old songs. Mrs. Morrow at the piano as usual, Mr. Ron Harker on guitar, Mr. George Harker on banjo and ukulele, & also taking his turn at the piano.

Mrs. Jerry Morrow made the birthday cake decorated with a large gold 91 and 91 candles which Mrs. Morrow blew out with one breath. Guests attended from North Bay, Sterling, Toronto, Rexdale, Scarborough, Terra Cotta and Georgetown. All reported having a wonderful time.

The Herald extends its congratulations to Mrs. Morrow and hopes she will have many more birthdays.

FIRECRACKERS ARE DANGEROUS
Children can be severely burned if not properly supervised.

BALLINAFAD

Sunday Show Opens EB-HO Club Season

It was a beautiful afternoon on the Sunday of May 9 when EB-HO held the first show of the season. A large number of spectators came out to enjoy the weather and see the riders and horses perform. It was held in the agricultural grounds in Erin.

Russ Sears was master of ceremonies and Bill Morrison was ring master. The judge, Hugh Graham, a Georgetown man, is prominent in rodeo circuits. He did a very good job with a big horse turn-out.

The club has done some work renovating on the truck used for a booth and the committee did an excellent job of serving refreshments. Jim Taylor loaned his truck for entry-taking

and that committee also deserves much credit. With everyone's co-operation the first show proved to be a very successful one. Next show will be in June.

Mrs. Jamieson and her friend spent Sunday with Mr. and Mrs. Leo Jamieson and family.

There was a fair crowd out for the closing dance of the season put on by the Ballinafad Community Centre on Saturday night. Al Dermott's orchestra provided the music and a good time was had by all.

The ball diamond is being put into fine shape and some good ball games are being anticipated for the very near future.

THE GEORGETOWN HERALD THURSDAY, MAY 22ND, 1971 PAGE 12

Mr. and Mrs. Dan O'Connor attended the reception & dance in honour of the bride couple Miss Linda Mills and Mr. John Lindsay at Hillsburgh Community Centre on Saturday night.

Mrs. F. Smith attended the preview of the Opening of Ontario Place at Toronto on Saturday afternoon.

The successful euchre party held at Ballinfad Community Centre, and mentioned in an earlier issue was put on by the Georgetown Orange Lodge and not by Hornby Lodge as was stated in the item. The euchre was held on April 30.
