

Mamas Disappear In Short Order

Even gals got in on the mamaburger munching at the A & W's consuming contest June 7. The compulsion was part of the drive-in's first birthday celebration. Contestants were kept supplied with loaded mamaburgers and root beer to wash them down.

That's some fun says Mayor Bill Smith as he checks Paul Lehman's tank at the end of the mad munching. Paul and Ken Pemberton each received \$20 from the A & W for putting away the most mamas in their respective divisions. The age groups were 11-13 and 14-16.

Introducing . . . Y's DAY CAMP PERSONNEL

By Marilyn Serjeantson

AS JULY moves closer perhaps you would be interested in meeting the four main people involved with the Y Day Camp.

The camp director is Lynda Clipham. I know you have seen Lynda's name before. To start with, Lynda is in charge of the Water Safety Committee for the Georgetown Branch of the Red Cross. Last year she was the Y's Waterfront Director.

LYNDA'S EXPERIENCE
With camps and swimming dates back to her high school days when she was a camp counsellor. She has taught swimming in Simcoe County, at the United Church Camp in Midland and the Georgetown Pool. In addition Lynda is a school teacher having taught in Barrie and Guelph.

Lynda is very excited about her job as director. Her ultimate aim is to direct an overnight camp; however, this is impossible at the moment with two toddlers. Consequently, the Y Day Camp offers Lynda a substantial compromise and we receive a top notch director.

THE ASSISTANT director is Mrs. Alice Pokluda. Alice's main responsibility is to establish the program in arts and crafts. Although Alice states she has no formal training, her enthusiasm and creative abilities are more than adequate qualifications. She is constantly making "things" and has spent a great deal of time working with her own three children.

Alice is aiming to appeal to and stimulate the imagination of the 100 campers she expects each day. Alice enjoys working in the community and when the job presented itself she was more than delighted to accept the challenge and responsibility.

ANDREA KEIRE is a grade 12 student at the Georgetown high school. This summer she

will be the Waterfront Director for the Day Camp.

Although this is Andrea's first time to be involved with a camp, she has been swimming and taking lessons for years.

ANDREA HAS received her Red Cross Instructors' Certificate and is qualified to teach and test. There will be 35 children in each class plus 6 camp counsellors as swim assistants. As each child completes a skill he will be moved to a more advanced class.

Andrea is looking forward to her job "outdoors". She has always wanted to teach and finds young children great fun.

THE 4th MAIN member for the Y Camp is Carol Lockwood. You may remember Carol's picture in the paper last winter. She was the Georgetown and District high school's prom queen.

Carol has taken a keen interest in sports all through her school years. This fall Carol will be attending the University of Western Ontario to commence the Bachelor of Physical Education course. Two summers ago, Carol spent 2 weeks at the Ontario Athletic Leadership Camp at Lake Couchiching run by the Department of Education. The requisites for this experience include a grade 11 student, good athletic ability, high academic standing and good leadership qualities. Need I say more!

DID YOU KNOW?

Brooklyn, Manhattan, the Bronx, Richmond and Queens are the five boroughs of New York City.
