Engines Glean Under Pop-Top Dragsters

A flip-top Trojan Horse yans in the pit at Toronto International Dragway where the season was officially opened last Wednesday night. The entire body lifts off the frame for easy access to the power plant. The Toronto International Dragway, formerly Golden Horseshoe Dragway is on the 5th Line of Esquesing, four miles west of Georgetown.

merly Golden Horseshoe Dragway is on the 5th Line of Esquesing, four miles west of Georgetown.

merly Golden Horseshoe Dragway is on the 5th Line of Esquesing, four miles west of Georgetown.

Just like a pearl in a clamshell, these motors found under the hoods of the "funny cars" at the Toronto International Dragway during the official opening are things of beauty.

International Dragway during the official opening are things of beauty.

Eleven Fishing Permits Returned By Sportsmen

Eleven more fishing licenses have been forwarded to Premier William Davis by Halton Sportsmen's Association. They will be added to 25 sent in earlier to the department of lands and forests. The reason is to protest abolition of fishing licensing within the province.

Paul Coulson of Milton, president of the Halton Sportsmen's Association, says the latest 11 licenses had been sent registered mail to Davis personally because no government acknowledgment had been received of the first lot sent in.

The sportsmen's group undertook to send the licenses in after Provincial Treasurer Darcy McKeough announced in the budget speech several weeks ago that licensing for fishing was being cancelled.

He said the \$3 fee charged to anyone who had purchased licenses for 1971 prior to his announcement would be refunded.

Many Ontario sportsmen's groups, including rod and gun clubs, have opposed cancellation of the license system because

money derived from the fees helped department of lands and forests obtain much-needed data to assist in managing recreational fishing within the province.

The outdoors groups maintained fishing license fees were in effect the angler's contribution towards conservation programs.

The Halton Sportsmen's Association considers the license cancellation merely a vote-catching move on the part of the provincial treasurer, Coulson says.

"I don't think the wildlife branch of the lands and forests department can be blamed on this one," Coulson says. "I don't think they even knew what was going to happen until

McKeough made his announcement," he adds. The anglers are refusing the \$3 refund, insisting instead the money be diverted to the department of lands and forests for conservation research.

ACTON SPEEDWAY

By VIVIAN SHAW

OSPRINGE, June 20th. The diamond feature just got under way with three laps gone past when Brian McGladery spun and then Bill Wragg. It had just started to rain when the red flag was thrown and then our head starter called the race as it really started to pour.

The six cylinder feature just got under way and a few sprinkles of rain fell which made for some excitement. The red flag was dropped when going into the second lap they where going three abreast on the backstretch. It was Cox, Majury and Cowan. Cowan spun and it looked like he might roll but got it settled all right. Larry Cox spun. Majury got through, our head starter put Majury back in scratch again.

Lawrence Majury was back again with a six cylinder after blowing the eight a couple of weeks ago. Lawrence had to pull out at this time as he blew a rod.

On the restart it was Cox, Cowan and Wragglesworth. Larry Cox took the feature with

Larry Majury being able to work his way back up to second place, and George Wragglesworth third.

RESULTS.

8 CYLINDERS.

1st heat, Larry Majury, Larry Cox, Lawrence Majury.

2nd heat, George Wragglesworth, Larry Cox, Lawrence Majury.

feature, Larry Cox, Larry Majury, George Wragglesworth.

DIAMONDS.

1st heat, Chuck Lawlor, Mike Shantey, Hugh Eckerich.

2nd heat, Ed Stewart, Mike Shantey, Dutch DeBoer.

3rd heat, Hugh Eckerich, Chuck Lawlor, Ed Stewart.

3rd & heat, Larry Majury, Lawrence Majury, Larry Cox.
