

NORTH HALTON REPORT

During the week ending June 12, officers of the Ontario Provincial Police, stationed at North Halton Detachment worked a total of 1,976 1/2 hours, and travelled 9,328 miles during the course of their duties. Charges were laid against 55 drivers for violations of the Highway Traffic Act, while 33 others received warnings for minor driving errors. Proceedings in Provincial Court, Milton resulted in 97 convictions being registered.

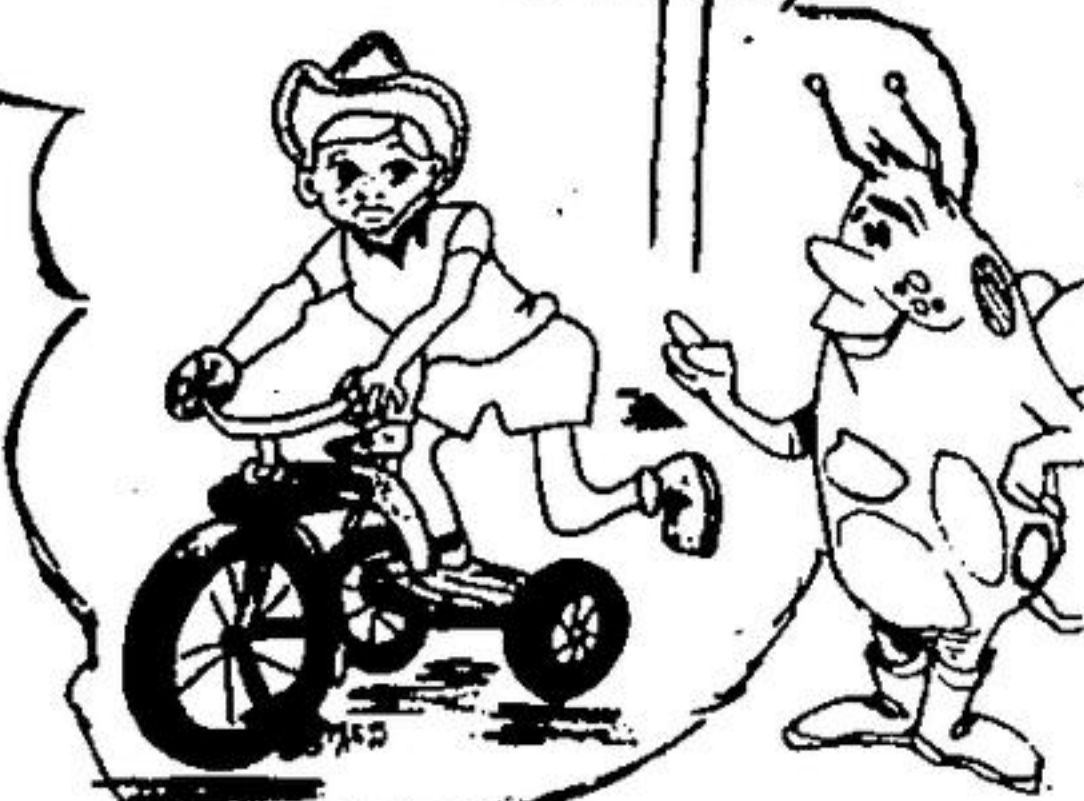

Officers were called upon to investigate 42 general occurrences during the seven day reporting period. Among these were 6 theft investigations 1 instance of Breaking and Entering, 6 investigations under the Liquor Control Act which led to charges against 4 persons, 2 domestic complaints, 1 complaint of a prowler, 1 investigation into a Sudden Death, 1 impaired driver, apprehended and 5 stolen cars recovered for other police departments. Other occurrences were of a minor nature and required little time to clear.

A motor vehicle collision on 401 Highway Saturday afternoon resulted in death of two persons.

This was one of 15 accidents investigated by North Halton Detachment personnel this week. Four persons suffered injuries in 2 other mishaps while the remaining 12 resulted in property damage only, total of which was estimated to be \$7,900.00. The accidents were apparently caused by improper passing; following too closely; careless driving; and failing to yield right of way. One of the incidents occurred when a deer ran out onto the road into the path of a vehicle and was struck. To date 10 charges have been laid against drivers involved.

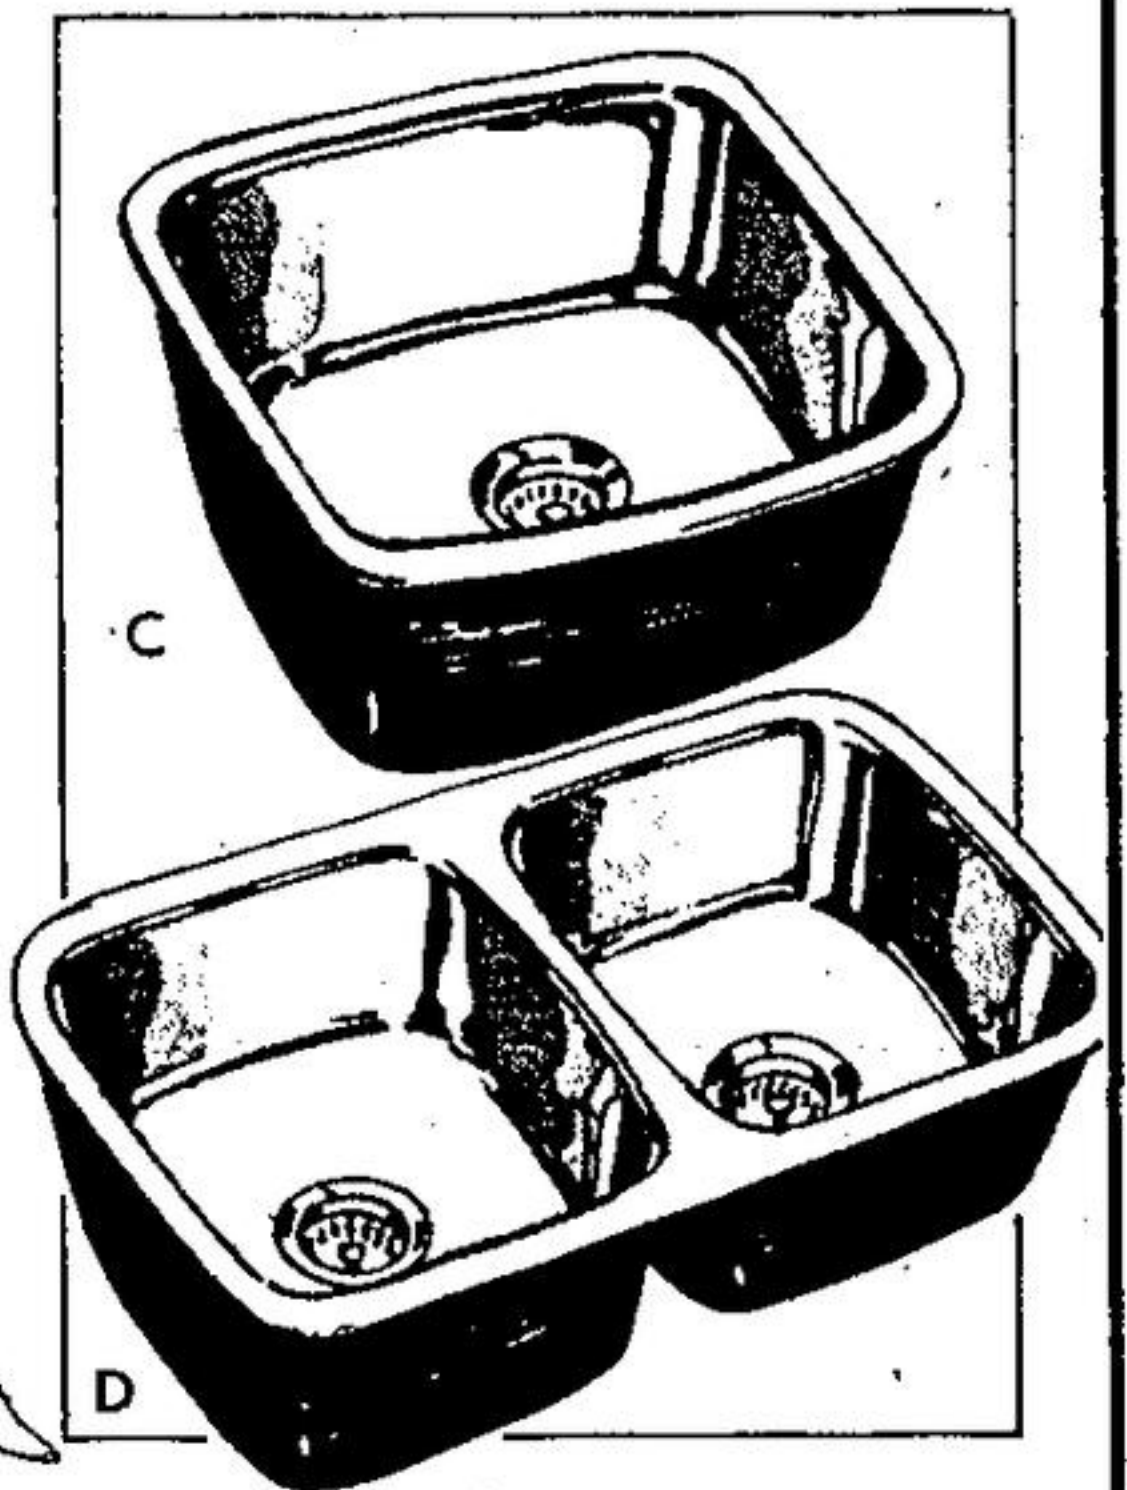

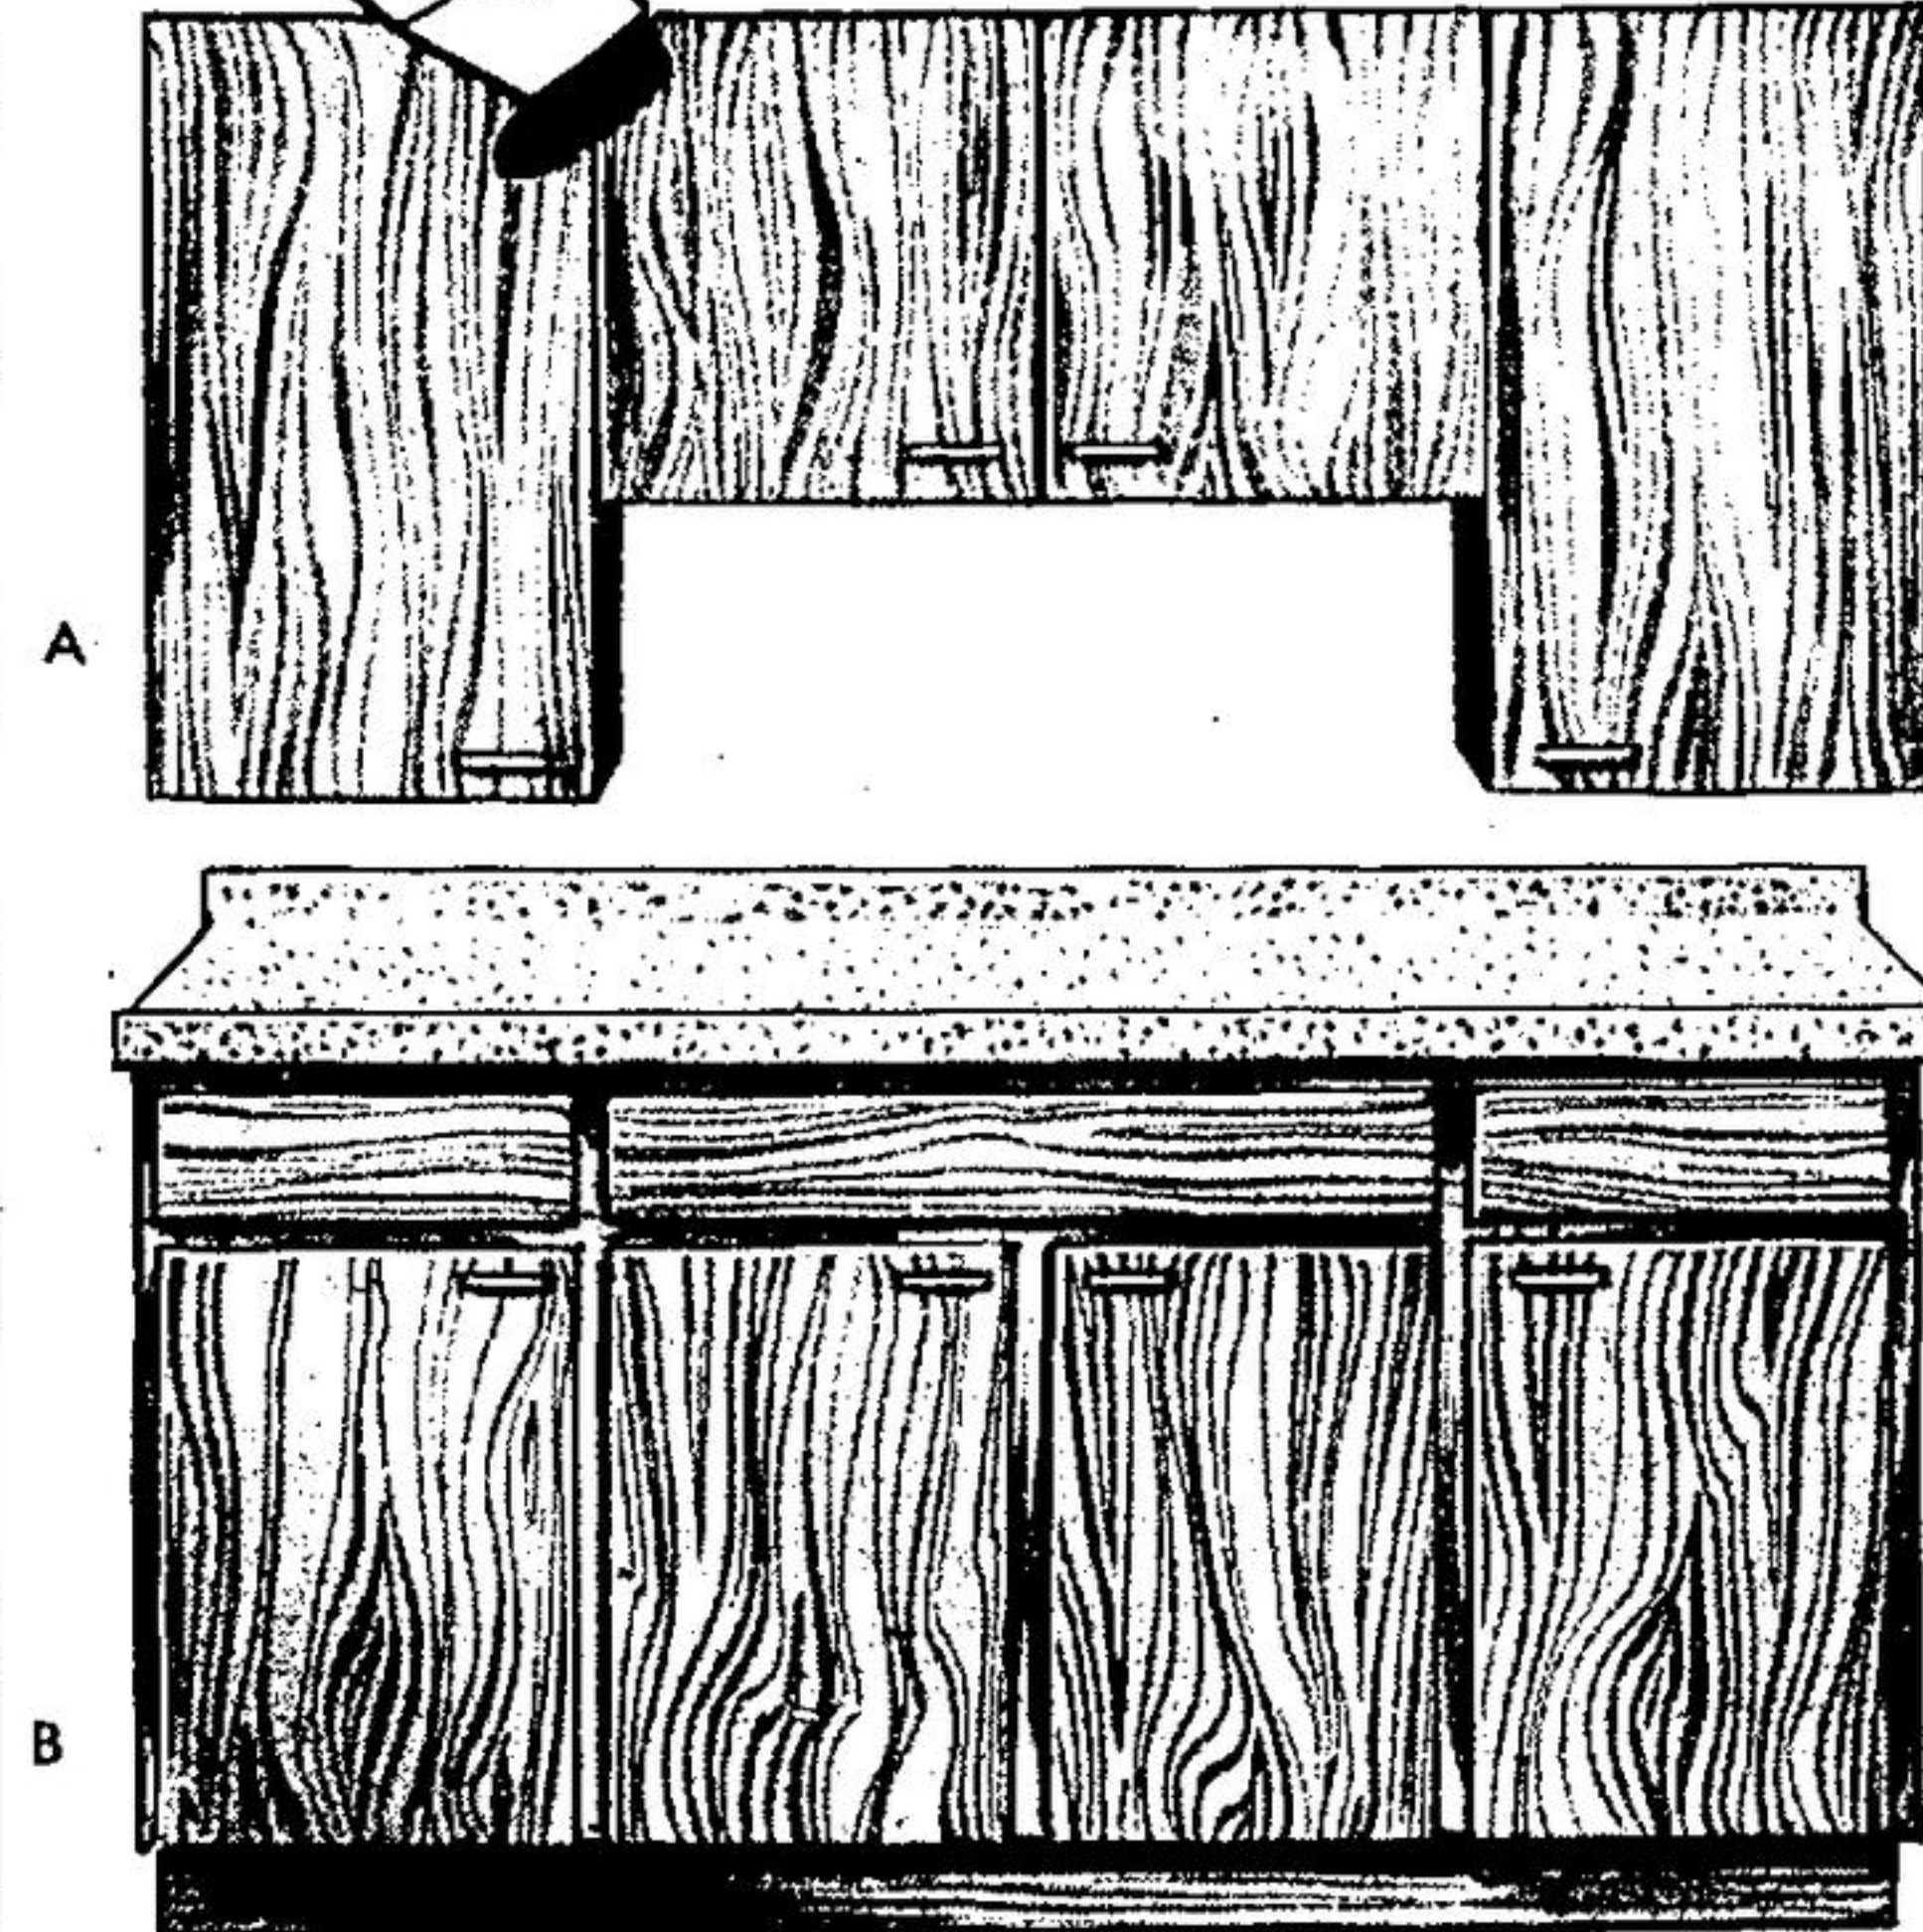

Motorists! children on bikes are everywhere these days, and some of them are experienced, safe cyclists....but some are not. Give these young inexperienced cyclists the same consideration you'd show if one of them were your own child. Always overtake them cautiously....never startle them with a sudden blast of your horn....and pass them with plenty of room to spare. Remember...your extra care could save a young cyclist from serious injury....and possibly his life.
