

Family Held One Whaley of a Reunion

On Sunday, June 29th, members of the Whaley Family gathered at the North Trafalgar Recreation Centre for their annual Reunion. There were forty-eight present - travelling from Wroxeter, Wingham, Willowdale, Norval, Milton, Streetsville, Georgetown and Brampton.

Guest of honour was Mrs. Campbell Wilson, who is a sister of Mrs. Lena Whaley, president of the reunion.

A delicious buffet supper was enjoyed by all amid laughter and song. Everyone sang "Happy Birthday" when the cake was

brought out for Mrs. Nancy Lane of Brampton. After supper, a presentation from the family was made to Ronald Lane and Cheryl Armitage with congratulations on their forthcoming marriage - which was on Saturday, July 3rd, in Georgetown.

A short meeting was held and Marilyn Whaley was named secretary for next year. Mrs. Lena Whaley was elected as President, again for next year and George and Eileen Hamilton were named host and hostess for next year.

Following the meeting, Mrs. Eileen Hamilton led the games in which all participated. It was agreed by all a wonderful time had been spent.

The youngest member attending was Jennifer Whaley, aged 14 months, who is the daughter of David and Brenda Whaley.

Mr. and Mrs. Bill Morgan and Mrs. F.C. Shipp of Essex, were visitors at the home of Mr. Mrs. Spencer Wilson for a few days recently. Mrs. Shipp was a former resident of Hornby for many years prior to moving to Essex. She has now left for a three week vacation in England.

Ivan McCurdy, Bill Marshall and Edgar Chamberlain have left on a trip to the Calgary Stampede.

Pam Mowry a 4-H Club member from Glen Burnie, Maryland, a suburb of Baltimore, has been a guest at the home of Mr. and Mrs. Ken Ella of Hornby. This was Pam's first visit to Canada. John Holloway of Union Grove, Wisconsin, has been staying at the home of John McKinnon. Union Grove is about 30 miles south of Milwaukee, where they specialize in hogs and small grain crops.

Mechanics Lien Actions High Here

Mechanics' lien actions in Halton County Supreme Court jurisdiction equalled the highest number of any other jurisdiction in Ontario in 1970. Ontario Supreme Court registrar Gordon Modill this week revealed that legal actions by members of the building trades against Halton County debtors numbered 37, equalled only by county court in Ottawa. JUST AVERAGE

Next highest figure was 26,

such cases set by the county court seated at Barrie, with London fourth at 19. Kitchener and Brampton each at 18 such actions while St. Catharines had 11. Windsor had 10 and Hamilton recorded nine.

The Halton Supreme Court registrar, in releasing the figures, said that in other areas of just actions, Halton County ran just about average with other jurisdictions within the province. He said he attributes the high

incidence of mechanics' lien action on the rapid development of housing within the county. Actions by members of the building or mechanical trades are authorized under the Ontario Mechanics' Lien Act, which provides special lien protection for unsettled debts.

Sausage making, which goes back as far as recorded history, originated as a means of preserving meat.

LIMEHOUSE

'Y' Day Camp Is Popular

It seems a worth while effort when an attendance of over fifty was noted at the "Y" day camp at Limehouse Public School one day last week.

Quite a number of students diligently cleaned up vast quantities of refuse along the fourth line of Esquevas last week.

Mr. and Mrs. Arthur Patterson of Bryson City, North Carolina, visited his brother and wife, Mr. and Mrs. A.C. Patterson for a few days recently.

The Benton families visited her cousins, Dr. and Mrs. John Turnbull and family at Seaford on Sunday.

We hope for a good recovery for Mrs. O. Regent, who is in hospital in Georgetown following an operation for a knee ailment on Friday.

Mr. and Mrs. Bill Henry and Tanya of Midland, visited the Pattersons on Sunday.

Vocal Music

Will Be Option

Vocal music courses will be offered as an option in Halton high schools and two of the county's schools are ready to start the program this fall.

At a meeting recently the Halton County Board of Education approved provision of vocal music courses starting at the grade nine level, although the board warned the program must operate within the existing pupil-teacher ratio.

The executive committee warned there are dangers of fragmentation of the program and diminishing numbers of students taking the course in the senior grades.

The option would continue to grade 12. Two schools in Oakville and Burlington are reported ready to offer the program this fall.

But the board has shelved an instrumental music program for interested students in middle schools. A moratorium on such courses was established in November of 1969 because of "significant financial implications."

Mr. and Mrs. Ralph Turner and Carol spent the past two weeks at their cottage at Bear Lake, near Dorset.
