## Miller, Patterson Chosen For Ontario Competition

by Murray Parsons

### INVITATION TO MONTREAL

Georgetown PeeWee representatives, the Rangers, have been invited to participate in an invitational competition at Montreal. This welcome invitation has been accepted and the team is hard at work raising the money to finance the venture. Their first fund raising effort was a "Car Wash" on Saturday at Moore Park Texaco Station. The boys worked very hard and netted a very useful contribution toward their requirements.

### SINCERE THANKS

To Gordon Collins, proprietor of Moore Park Texaco who not only permitted the use of some of his parking space but contributed the soap and use of equipment, including the vacuum cleaner.

### SELF HELP

I understand that there will be further ventures including car washes by teams that have accepted out of province invitations, so may I solicit your support as all costs are borne by the individual teams and they are anxious to earn their own way.

### ONTARIO CUP COMPETITION

**PeeWees**  
Georgetown Rangers 5  
Henley Saints 1 (St. Catharines)  
After 5 minutes of play the Rangers were down 1 goal but from that point on it was the Georgetown Rangers all the way. Dean Popiel and Ted Kewley each scored 2 goals and Kevin Reeks 1.

### REPRESENTATIVE COMPETITION

**Georgetown Bantams 2 Kitchener 3**  
In a friendly game Georgetown Bantams were narrowly defeated by Kitchener. Neither team appeared at their best but the game had a few exciting moments as Georgetown came close to tying in the later part of the game.

### NATIONAL SKILLS CONTEST

This contest is being run by the Adidas Co. for all boys up to the age of 12 years. The skills being judged are: Heading - Passing - Shooting - Trapping - Dribbling and Juggling.

D. Paterson (Mosquito Rep) 63-100.  
I. Reeks (Atom Rep) 62-100.  
G. Miller and D. Paterson each receive a travel bag from the Adidas Company and proceed to the Provincial Championship level to be held in Toronto on Aug. 7th.

### GEORGETOWN CYCLE & SPORTS PRIZE

A pair of soccer boots were awarded to the local winner by Georgetown Cycle & Sports. D. Paterson won this prize after an individual contest with G. Miller. Good luck, lads, at the Provincial level.

A Friday night dance, part of the summer program for Georgetown Youth Centre, drew 250 teenagers to dance to the music of a local group The Station House. Advertising for the dance was helped with opening of the art room that week, where posters were prepared. It is hoped the dance will encourage more of the older teens to come out and use the facilities available at the high school. Three gyms, the art room and cafeteria are being used. Every Tuesday at 1.00 p.m. there is a full length movie, with a 40c admission charge. Among upcoming events - a sock hop this Friday, 7.30 to 10.30 p.m.; Friday, August 6 - feature movie; Aug. 13 - dance, 8.00 to 11.30; and Aug. 20, final day outing. Special events are planned for Friday, July 30, when everyone is invited to an open house. The youth centre is open daily from 1.00 to 5.00 and 6.30 to 10.30. Every Wednesday is adults' night to coincide with adult swimming at the community swimming pool. Anvil City, Alaska, an isolated village on the Seward Peninsula, grew into the bustling city of Nome within a year after gold was found nearby.

## Holby's Homer Is Winner For Mets

A homer by John Holby in the last inning, turned the tables and converted a potential loss into a 3-2 win for Norval Mets in an intercounty fastball fixture in Glen Williams park Sunday.

Playing to one of the best crowds this season, estimated at close to 400, the Mets were trying extra hard. Earlier they had presented a cup to the league in memory of their young shortstop, Gerry Nash, who was killed in an auto accident a week ago.

Glen Williams scored their two runs in the first inning, and Norval was scoreless until the sixth when they garnered one run. Holby's homer put the game on ice.

Wayner Ferrier pitched a 4-hitter for the winners. Farley, for the Glen, allowed seven hits.

There was a very bad accident at the corner of highways 24 and 25 just before the races started and the ambulance was called away, so the races were delayed, as they needed three ambulances to take the injured people to the hospital.

At this time, I will tell you that Acton Speedway will not be running Sunday afternoon any more. The track will be closed until August 12th, which is a Thursday night, and the races will start at 8.30 under the lights.

The six cylinder feature saw a well run race without any trouble at all. Lawrence Majury, who started in pole position, took the lead on the first lap while his son Larry, who started in scratch, had worked his way up to second. These two Majuries put on some fine driving with Lawrence finally taking his first feature race at this track. Larry Majury took second, while another good driver who was really pushing Larry, finished third.

The diamond feature saw action when, on the second lap, Chuck Lawlor and Vaughan Marshall tangled on the bottom

corner. Marshall was put in scratch but would not take it. He blocked the track instead. So Marshall was allowed to run but it did not count. After the race had been restarted Chuck Lawlor and Marshall tangled again with Lawlor putting himself out. But

## ACTON SPEEDWAY

By VIVIAN SHAW

### No More Sunday Races

Osprings, July 18th; To start off today Bruce Bailey was back after a few weeks' absence but in the warm-up laps he lost a wheel and broke the ball joints both upper and lower.

Frank Ball again experienced trouble today. There was a very bad accident at the corner of highways 24 and 25 just before the races started and the ambulance was called away, so the races were delayed, as they needed three ambulances to take the injured people to the hospital.
