**Retarded Association  
Elated by Announcement**

Good news for the North Halton Association for the Mentally Retarded is the Department of Education's announcement of broader educational opportunities for Ontario's trainable retarded children.

Welch said legislation will be introduced to standardize the school attendance of trainable retarded children with that of other students in the school system. They will, he said, have the opportunity to attend school full time from age five until 21,

dependent upon their capability to profit from the school experience.

**HALF DAYS**

Under existing legislation trainable retarded students under 10 years of age may only

attend school for half a day and all must leave the system at age 18.

Responsibility for deciding if trainable retarded students will attend full time will rest with admission boards that now work in co-operation with school boards on matters dealing with trainable retarded students.

**COMING TERM**

Mr. Welch said the move extends to all students Ontario's concept of equal educational opportunity. The Minister said he was sure that the boards of education will meet the challenge of developing individualized programs to insure that those trainable retarded children attending class full time achieve the maximum of their potential.

He stated boards of education that want to implement the changes for the coming school year will receive favourable consideration from the Department.

**Hornby -  
Women's Institute Plans Fiftieth Anniversary**

The North Trafalgar Community Club met at the home of Mrs. Mary Leslie of the 8th Line recently, when various reports were given and thank you letters were received by shut-ins who had been remembered by the Club. Discussions were held regarding the Club's Fiftieth Anniversary. Invitations to former members have been sent out by Mrs. Anderson May, Mrs. Mary Leslie and Mrs. Maybelle May - and they report a very favourable response. The Club has held five anniversary celebrations during its years of activity. At the meeting members enjoyed viewing pictures which were taken in the past and on special occasions.

Bobby and Donny Break of the Ninth Line, spent a couple of days with their grandparents, Mr. and Mrs. Willis Hamilton of Milton.

Birthday greetings are extended to Dayle Cordingley who celebrates her birthday on August 26, to Mrs. Pat Jepson, John Bradley, Cathy May and Pat Robson on August 28, Roy Bradley on August 29, Mrs. Doug Leslie and Herb Hamilton on August 30.

Anniversary greetings to Mr. and Mrs. John Wilson, who celebrated their wedding anniversary on Sunday, August 22, on special occasions.

Kendra Hamilton of the Ninth Line, was a dinner guest of Mrs. Pat Jepson and family of Georgetown, on Thursday evening.

Anniversary greetings are extended to Mr. and Mrs. Donald Learmont, who will celebrate their wedding anniversary on August 31.

**Museum's Collection Proves  
'Premium Cards' Not New**

by JUDITH GOEBELLE.

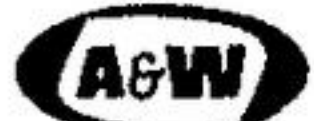

If you think "Power Players" and "Baseball Cards" are the modern invention of Madison Avenue advertising geniuses - you'll be surprised to learn that your parents or grandparents (depending upon your age!) were also victims of "Premium" promotions. The Halton County Museum, at Kelso, R.R. 3 Milton will have a display of old candy and cigarette premiums - 1900 to 1920 - from August 26th to Labour Day. The following is a list of some of the cards to be shown:

- Movie stars - (Buster Keaton, Mae Busch, Geraldine Farrar, etc.) packed with Strollers cigarettes, and Neilsons chocolate bars.
- "The Reason Why", and "Birds of Canada" series - issued by the Imperial Tobacco Company.
- "Perrin's Series of British Warships."
- "Canadian Forest Trees" - Cowans Cocon.
- "Railway Engines" - Will's cigarettes.
- "Big Chief" series found in Ganongs Big Chief Bars; and "Wild West" pictures in their Rodeo Bars.
- "Motor Car" series - from Neilsons, and the Imperial Tobacco Company. (Lanchester, Chandler, Hupmobile, Essex, Franklin, Paige, Daimler etc.)

Thinking of my seven-year-old's bedroom I can see it will be a gold-mine of "nostalgia" for the Museum in another fifty years - filled as it is with Prime

Minister Coins, Provincial Crests and Floral Emblems, Coins of the World, Baseball Cards, and Power Players!

"The Friends of the Museum" are happy to report a profit of almost \$600.00 from their summer Festival, held at the Museum early in July. This gives the "Log-Cabin Fund" a big boost, and we may well see the 1830 homestead re-erected on the Museum grounds this Fall. The proceeds were derived from the following endeavours during the Festival: the sale of tea and cookies, pop and chips; percentages on the sales of paintings, pottery, and cartoonist's drawings; new memberships and donations received during the two day Festival; the sale of items on the "white-elephant" table; and gate-receipts collected under special agreement with the Halton Conservation Authority.
