

St. Francis Opens Doors

Pressure Off Holy Cross as Second Separate School Opens

The recently completed separate school, at Sinclair and Duncan, St. Francis of Assisi School, opened its doors Tuesday morning to over 200 students, relieving the pressure at Holy Cross School, where most of the portables have been removed. The new school houses kindergarten to Grade 6, in its two wing open concept building. Each area is carpeted to reduce noise level, and individual lockers line the halls. A gymnasium, resource centre, and seminar room, plus the separate kindergarten, complete the junior school. While grades 7 and 8, are available only at Holy Cross School, the other grades were filled by transfers of students living in the east end of town, and many new registrations. The nine member staff includes principal J. Huston, Mrs. D. Clendening, Mrs. H. Woods, Miss S. Landry, Miss M. Kelly, Miss M. Giashi, Miss C. Boisa, Mrs. M. Boag, and Mr. M. Goett.

Band's Performance "Splendid" at C.N.E.

31 Byron Street
Dear Mr. Editor:
My sincere appreciation to the Georgetown Citizens' Band and their conductor, Mr. Ray Ellis on their performance at the C.N.E. band contest.
While they did not finish in the money, they certainly did give a splendid performance which is to their credit. Neither the band or its conductor should feel badly about the results as this band was competing with much larger organizations with many years of appearances at the Ex.
I hope that the band will resolve to be in there again next year and do the necessary year-round rehearsing which is the only way a band can build up its playing capacity to make competing a success.
With every best wish, I remain,
— F. A. Peters

September is "Arthritis Month" in Canada and The Canadian Arthritis and Rheumatism Society seeks your support to ensure better delivery of health care services for arthritis patients. Where there is help...there is hope.

CANADIAN TIRE

NYLON
STRONGER THAN STEEL and PROVED SAFEST

The sinewy cord that keeps wheels turning where safety comes first above all else—on racing cars, aircraft, heavy construction equipment. Now it's Du Pont '66' Nylon filament—the newest and by far the best. A bit more cost, but worth it! Withstands more heat, runs smoother with less flat-spotting.

Turnpike WHIPPET Great for high speed highway use. Cushion-riding, cool running. 5-Year Road-Hazard Insured. 30-Month, 20% Pro-rated "Wear-Out" Discount Allowance.

Super-Lastic SAFETY '99' Built for speeds you'll never need. For highway or byway you won't want a tougher tire! 5-Year Road-Hazard Insured. 30-Month 30% Pro-rated "Wear-Out" Discount Allowance.

Turnpike GLASS BELTED NYLON (not illustrated) Want up to 50% more mileage plus the extra safety of Du Pont's '66' Nylon? Willing to pay a bit more? Invest in Turnpike Glass Belted Nylon! They respond more like European radials—better handling, steering, riding. 5-Year Road-Hazard Insured. 30-Month 30% Pro-rated "Wear-Out" Discount Allowance.

(See Catalogue for full particulars on Tire Guarantees)
