Would Have Its Own Park

Proposed Hi-Rise, Motor Inn Complex

An unusual apartment building with its own 4 1/2 acre, treed park, dotted with stone barbecues and picnic tables, is the unique plan of Aler and Co. for their apartment and motor inn complex at the east end of town.

The twin tower, seven storey structure with a large swimming pool, saunas and tennis courts, would look over the river valley to the Upper Canada College reforestation area. If approved the 138 suite building will be situated on the back part of "the old Tracy property" fronting on Guelph Street, almost at the eastern limits of town.

MOTOR INN
A motor inn with 21 motel units, restaurant and cocktail bar is planned for the front part of the property, closer to the highway. This, too would have a swimming pool surrounded by a terraced, outdoor cocktail area.

Downstairs a banquet room will be available for clubs, meetings or conferences.

Builder Al Filotti, of Aler & Co., sees this project as the first of its kind. "It's time the apartment dweller had space around him, a place where he too can have guests at an outdoor barbecue and cook the steaks."

SPACE
He said he feels this apartment building will give children lots of space to play, with 4 1/2 acres where winter tobogganing and sleighing is right at their own door. In keeping with his eagerness to save every possible tree, most of the apartment parking is underground.

No decision has been reached on the method of renting the apartments. They could be a straight rental basis or condominium type.

Norval Plowgirl Places Third

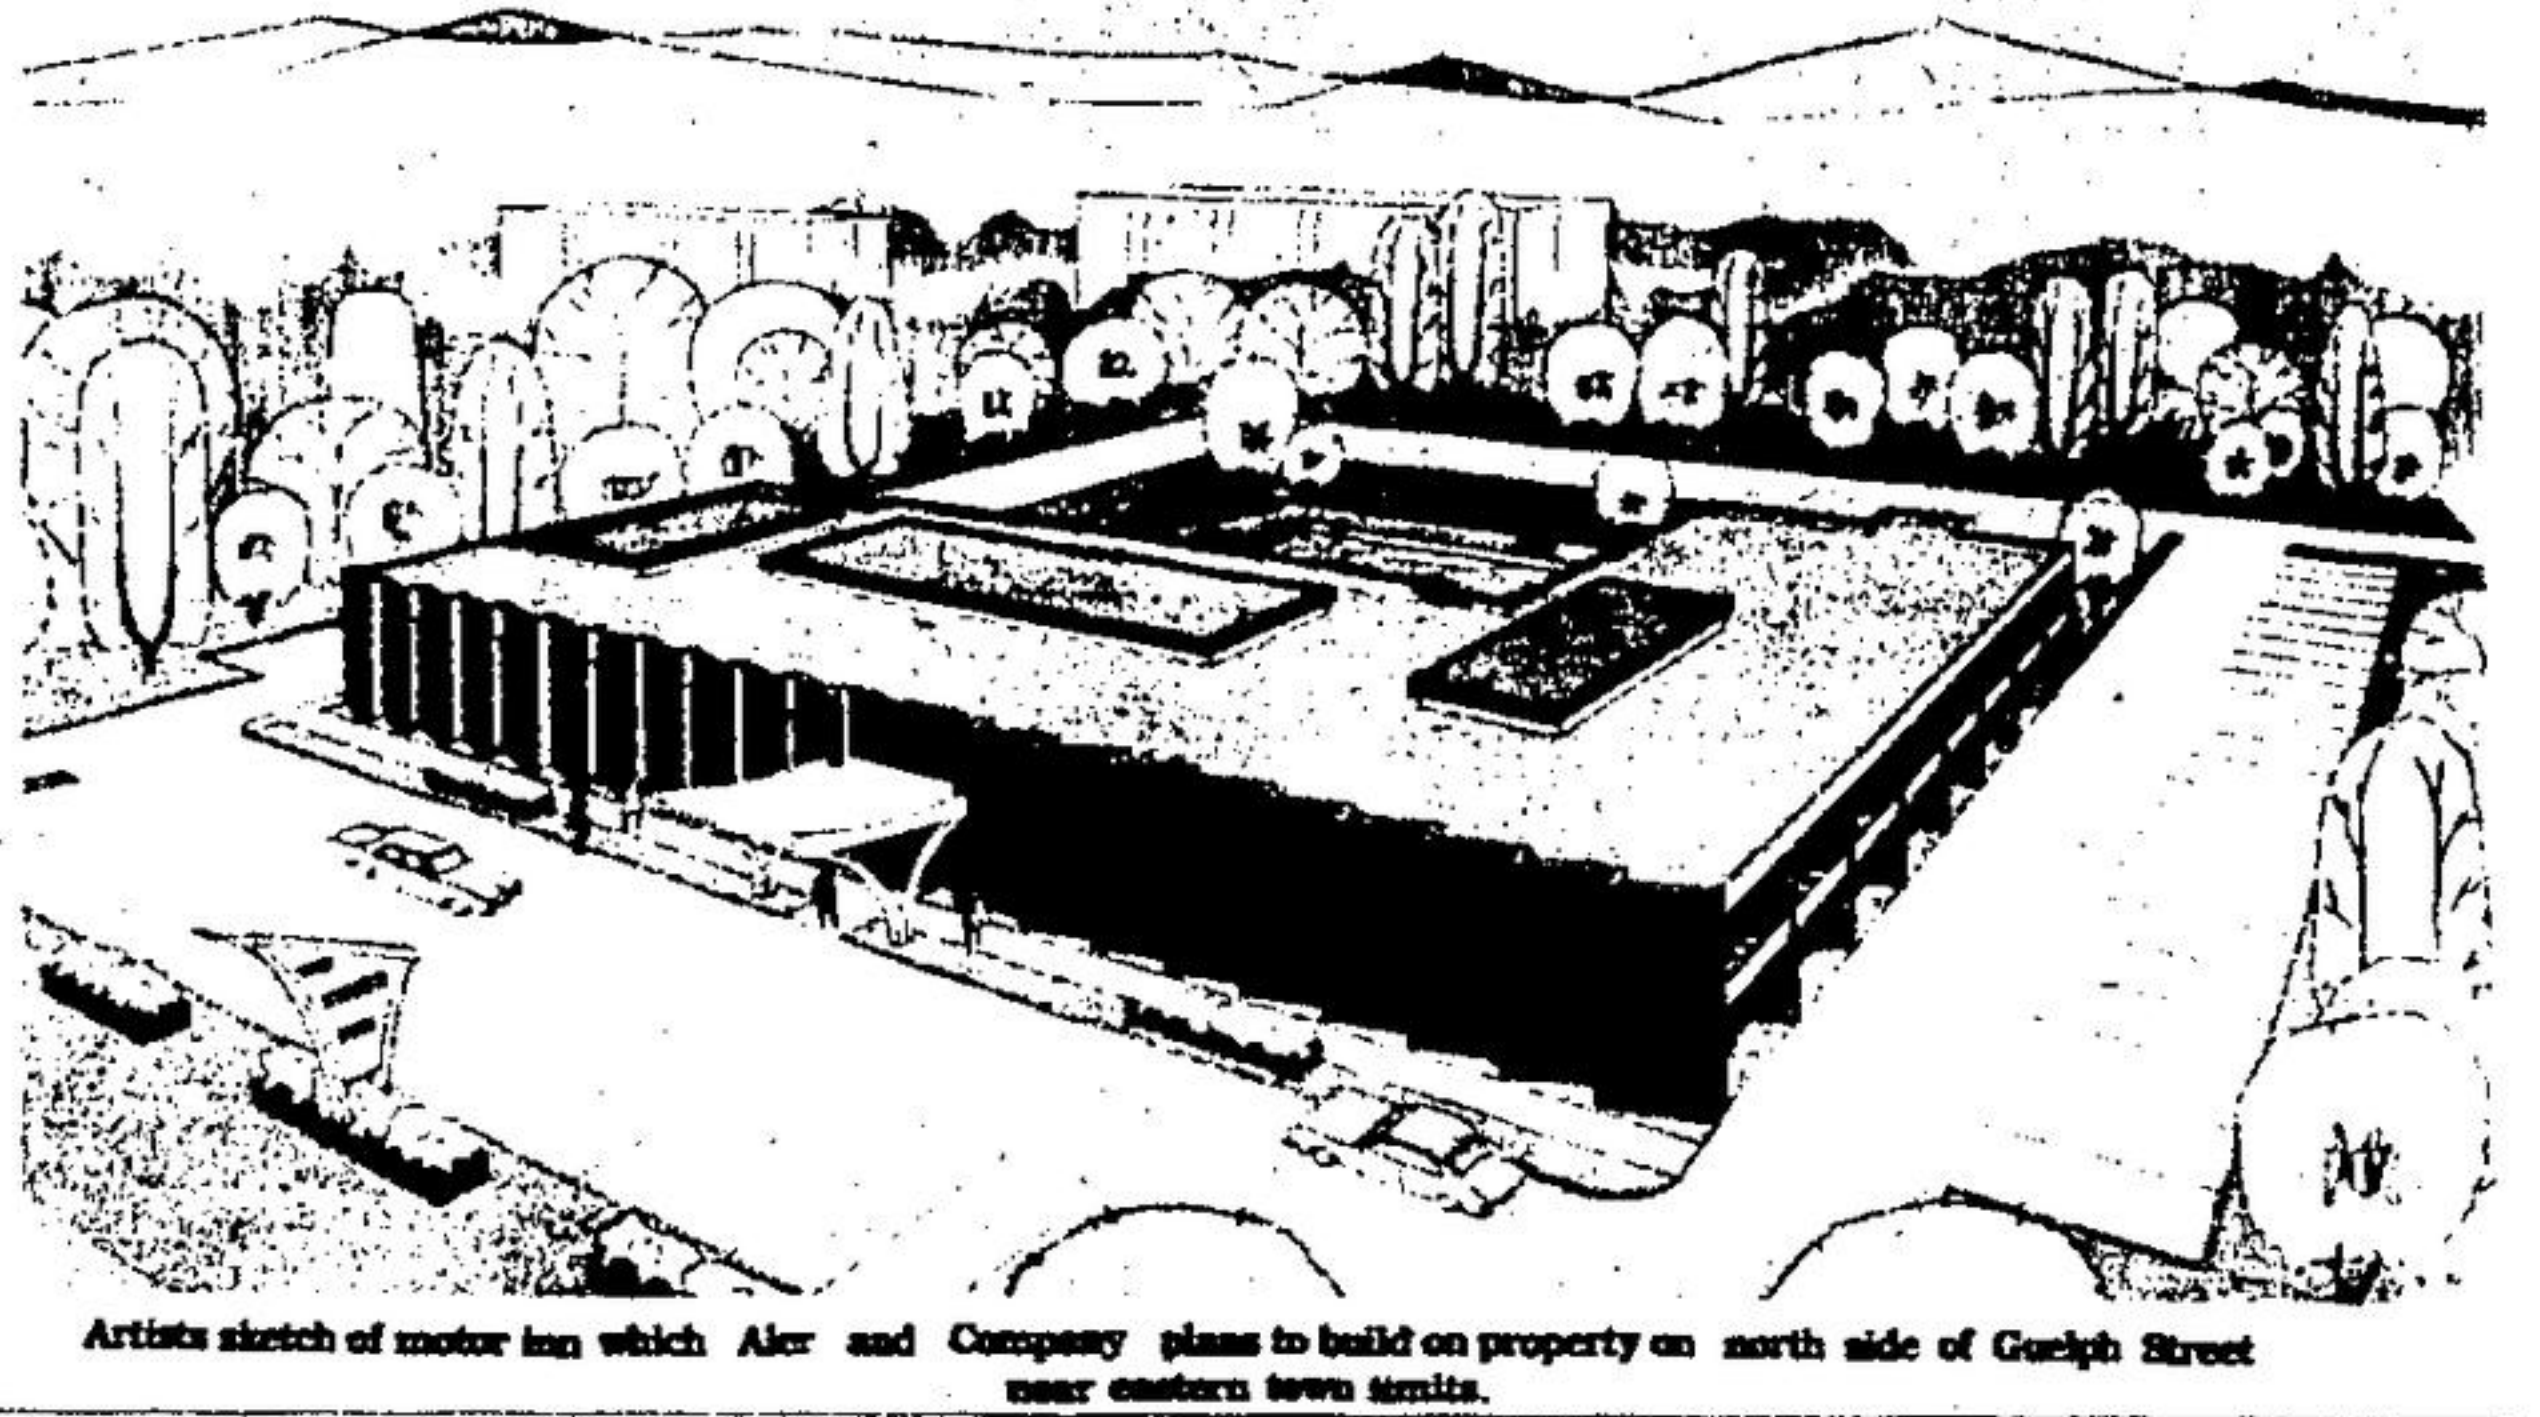

The Halton Junior Plowing Match was held on Saturday, September 11th, on the farm of Lloyd Pickering on the corner of Trafalgar Road and Burnhamthorpe Road in Oakville.

There were three competitors this year, all plowing in the Senior Section. The placings were the same in both the Regular and Utility classes. Harley Pickering, Oakville, placed first, coached by his father, Lloyd Pickering; Murray Breckon, Burlington, placed second, coached by his father, John Breckon; Joanie Wilson, Norval, placed third, coached by her father, Spencer Wilson.

The Judge for the 1971 Match was Mr. J. R. Hargraves.

Harley Pickering and Murray Breckon will be the team representing Halton at the International Plowing Match to be held October 12th - 18th, 1971, in Haldimand County.

GEORGETOWN FALL FAIR
Only 2 weeks away. Plan now to exhibit, and bring your friends. Don't miss it.

Artists sketch of motor inn which Aler and Company plans to build on property on north side of Guelph Street near eastern town limits.

NORVAL

Lawson Will Promote Norval Kindergarten

Mr. Joe Marshall, interior design consultant from Joseph's Interiors, Mississauga, Ont., was the guest speaker at the first fall meeting of Norval Women's Institute held at the home of Mrs. Don Murray on Thursday evening September 2.

Due to several members being away on holidays there were only 8 present to get advice on decorating problems. Mr. Marshall answered questions and gave suggestions on how to

improve the interior of our homes and told about several modern ideas for decorating bath rooms, bed rooms, living rooms, halls, etc.

Of interest to all was his enthusiasm for sheer drapes in place of the heavy lined ones that have been popular for many years. Mr. Marshall was introduced by the Home Economist convenor, Mrs. Jack May. Mrs. Graydon Chester presided for the meeting and

Mrs. Ed. McLenn acted as secretary. A letter from the branch's adopted child in Hong Kong was read and other correspondence dealt with. During the business Mrs. Iris Green and Mrs. Kathy Chester were appointed to take the short course on "Ontario Fruits" and Mrs. Inez Terry and Mrs. Kathy Chester were appointed to be delegates to the Guelph Area Convention to be held October 26, 27.

BILL LAWSON

The W.I. exhibit for Georgetown Fall Fair was discussed and a committee was appointed to plan and set up the display.

It was decided to hold a family night corn and Weiner roast at the home of Mrs. Iris Green on Saturday evening September 11. Following the meeting lunch was enjoyed with Mrs. Joe Murray and Mrs. Iris Green assisting the hostess.

Mrs. Lorna Fisher of Milton and her two sisters, Mrs. M. Lawrence of Milton and Mrs. M. Conby of Orillia, have returned home from a very enjoyable 21 days bus tour to the west coast travelling as far west as Victoria. They were greatly impressed with the height and the beauty of the Rocky Mountains. The return route was through the States travelling through Yellow Stone

Park and home through Chicago and Detroit.

Congratulations to Wilma Eccles, daughter of Mr. and Mrs. James M. Eccles, R.R. 2 Brampton and Peter Laird, son of Mr. and Mrs. Murray Laird, R.R. 2 Norval, who were married in the Presbyterian Church, Norval, on Saturday afternoon September 4.

Following the service the happy couple were driven to the reception at Chingensaw Country Club in an old buggy mounted on a gaily decorated dump truck. Mr. and Mrs. Laird will reside at Norval.

Get well wishes are extended to Mrs. Amy Burk who spent a week in Georgetown & District Memorial Hospital.

Rev. & Mrs. Howard Smith and family, Paul, Steven, Susan, Mark and Peter, spent a week of their holidays at a cottage at Fossil Falls and one week visiting with Mrs. Smith's parents at New Richmond, Gaspé, Quebec.

In a recent conversation with Mr. Julian Reed of the Norval Ratepayer's Committee, Mr. Bill Lawson, Engineering representative on the Halton School Board, said that he will work towards a kindergarten for the Norval School. He assured Mr. Reed that he could be quoted on this. The committee and the Norval and district residents will give Mr. Lawson their full support on this move. Now that the holidays are over and the children back to school there will be more time and thought put on this urgent need for the community.

—Mrs. Ed. McLenn.

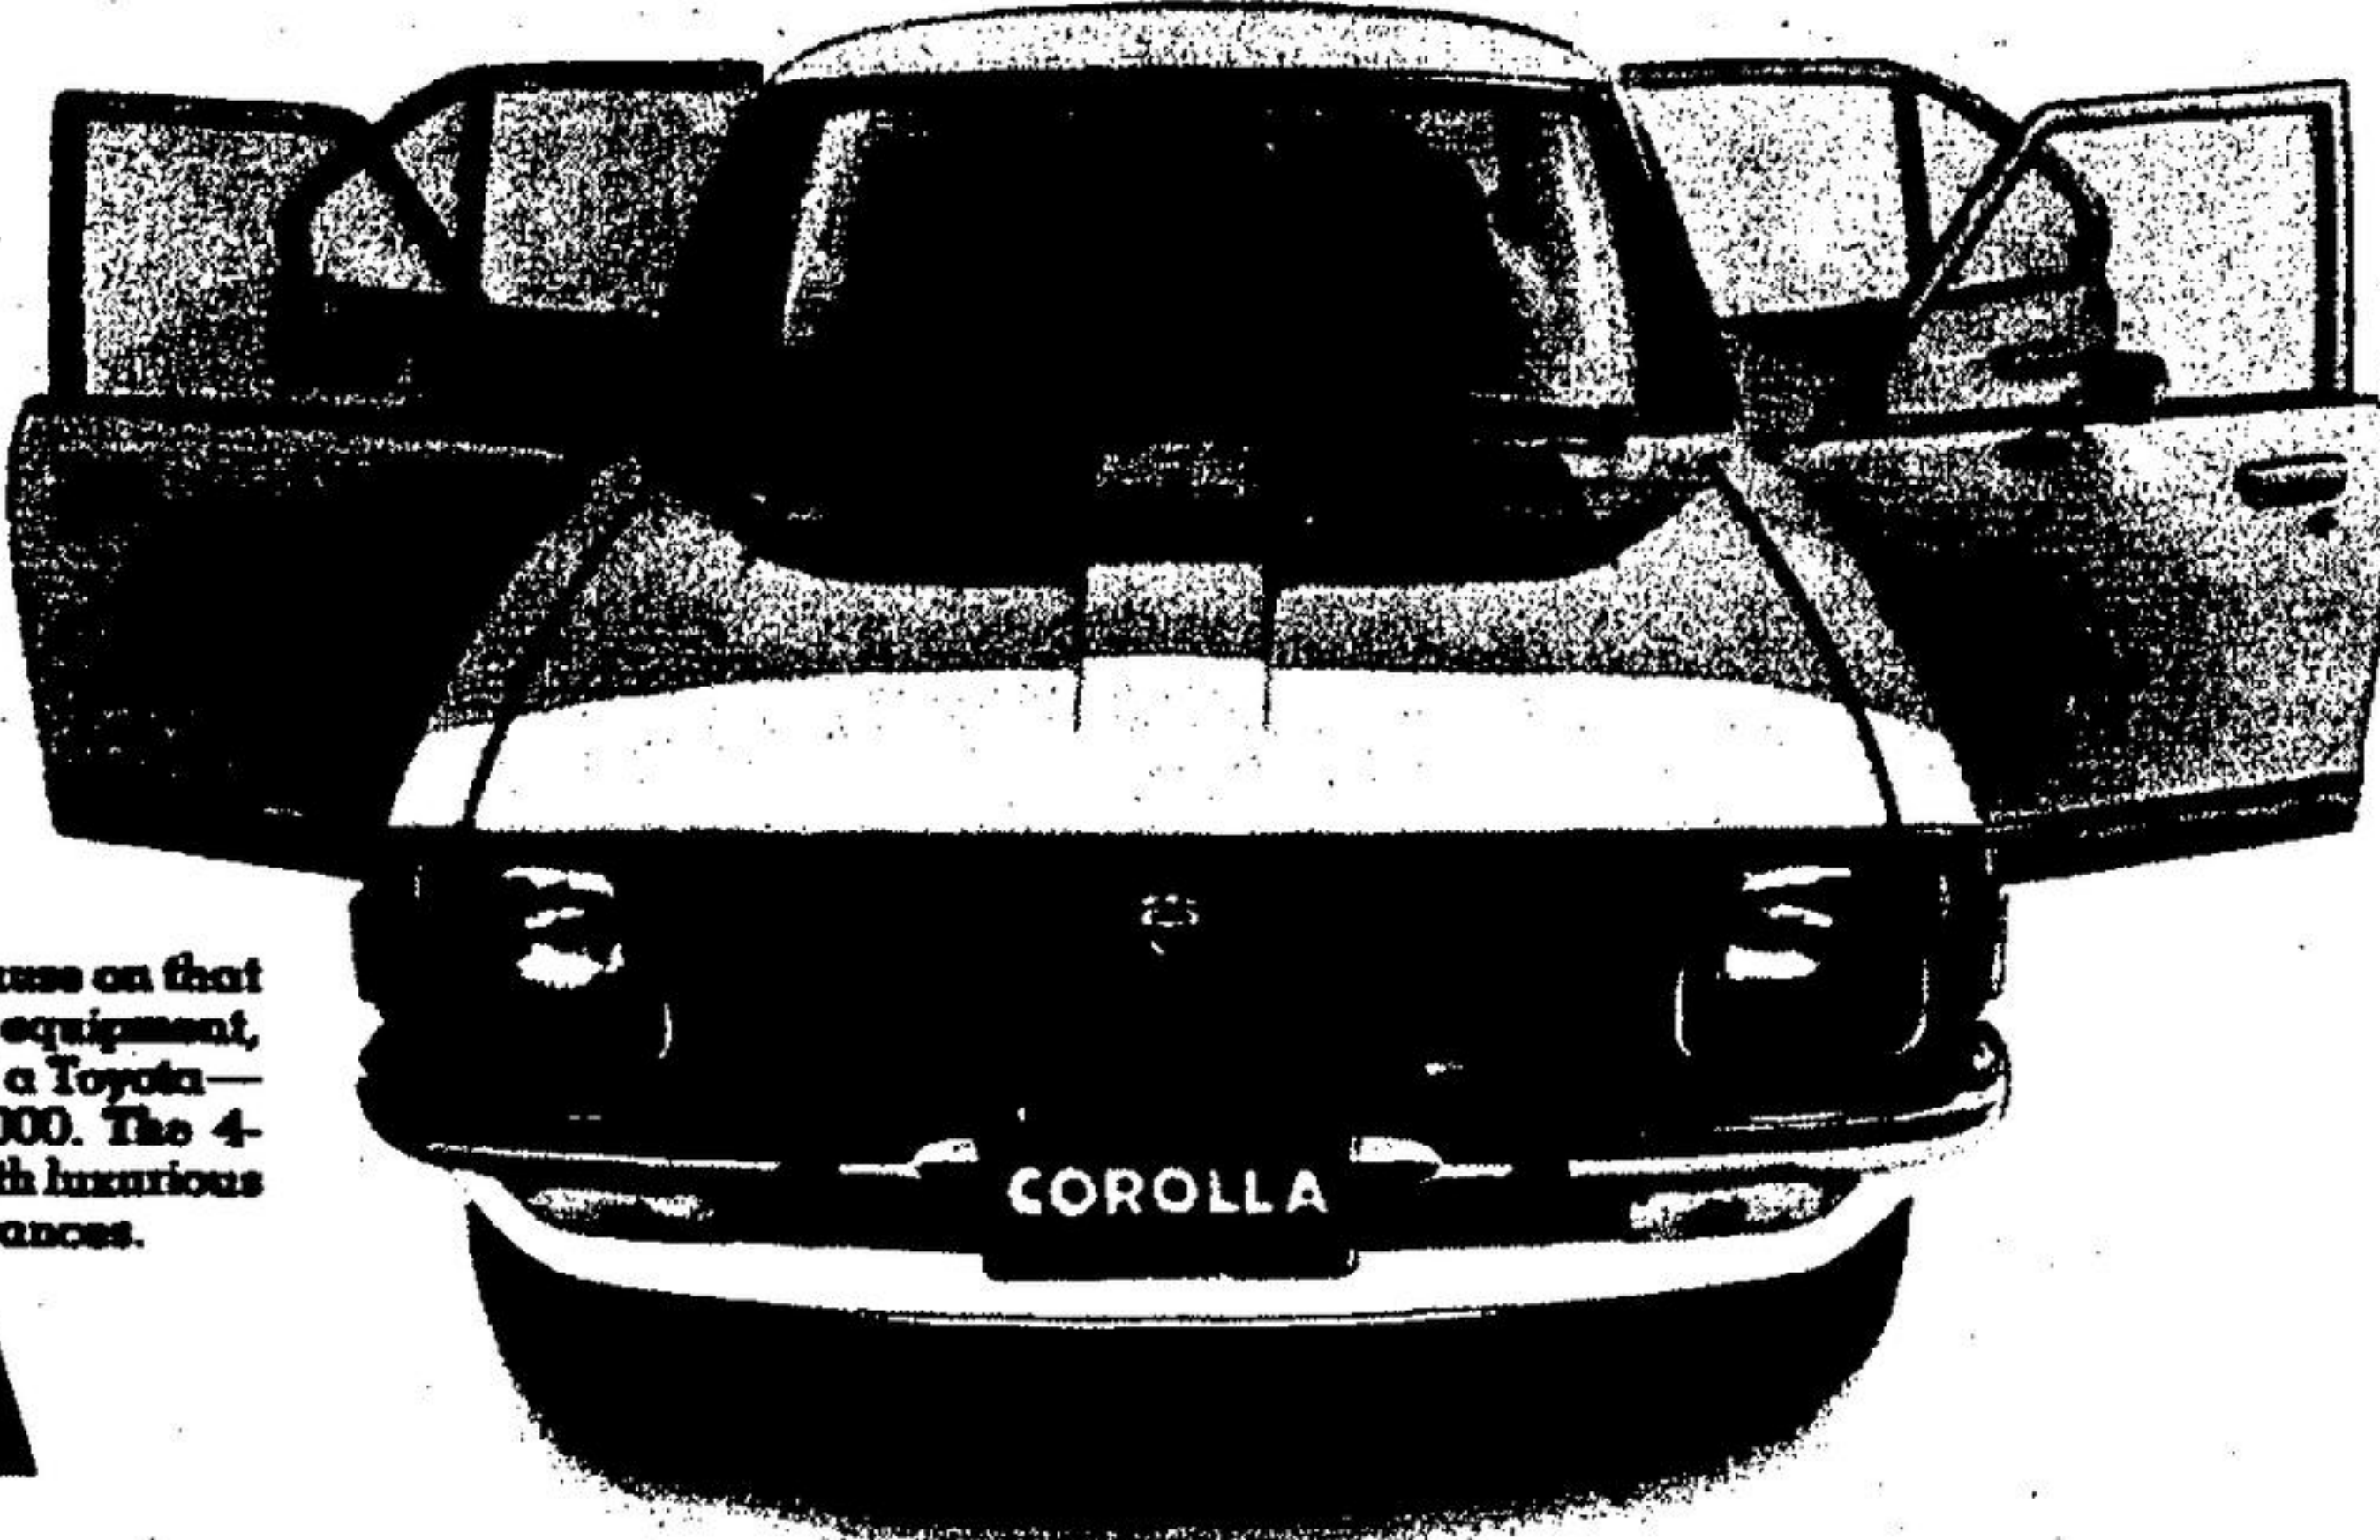

Our new Corolla. Luxurious accommodation for four. Separate entrances.

"We finally did it. We made a 4 door Corolla. We did it for people who might prefer not to fight their way around the front seat. And especially for people with children."

Besides the 4 doors you get a 102 hp engine, over 30 miles per gallon, power-assisted front disc brakes and a 4-speed synchromesh transmission. (The automatic is optional).

Inside the doors you get fully reclining bucket seats, carpeting, tinted glass, an electric rear window defroster and plenty of quiet (providing you aren't one of the people with children).

But the most beautiful door is the one with the sticker in the window. Because on that sticker, following a long list of standard equipment, is one of the most beautiful things about a Toyota—the price. Corollas start at under \$2,000. The 4-Door is \$2,250* but it's a luxury car. With luxurious accommodation for four. Separate entrances.

TOYOTA

*Suggested list price F.O.B. Toronto. Freight, license, provincial and local taxes extra. Toyota cars are sold and serviced from coast to coast in Canada and throughout the world.
