Sheridan's Enrolment 2,150 And More Students Expected

Sheridan College has 2,150 students enrolled in full-time, day-time programs, a total that was expected by the college. Last year's enrolment was 1,900.

John E. Bromley, registrar and associate dean, says late registrations are still coming in and the final total will climb higher.

Not included in that figure are 28 part-time credit day students, and 14 students who are taking day courses through Continuing Education.

Both are new educational opportunities at Sheridan this year, as day classes have not been open to special students before.

BIG INCREASE
One of the biggest increases in enrolment has been in the new English and Media Studies division, where the Media Arts registration has gone "far beyond expectations."

Media Arts students study audio-visual production, film making techniques, equipment and lab use, and related subjects. Also very popular this year have been secretarial programs, where medical secretarial courses almost doubled expected registration.

CAPACITY
All programs in the Visual and Creative Arts Division have increased enrolment.

School of Design in Mississauga, which teaches crafts and design, is enrolled to capacity.

"Students are still coming in," says Bromley, "and the college is still willing to accommodate those who want to register in specific day courses, through Continuing Education."

BRIDGE CLUB

I. Thomson and G. Dyce were north-south winners, and John Coats and Beth Burns topped the east-west group at last week's session of Georgetown duplicate bridge club.

Other winners in north-south - 2nd, Art Norris, Syd Heller; 3rd, Mike Lorusso, Dick Prust; 4th, Mr. and Mrs. Larry Stone. East-west - 2nd, Scott Kerr, Gord Mooney; 3rd, Mr. and Mrs. Walter Biehn. There was a tie for 4th between Ron Reynolds and Ivan Harris and Frank Martin and Mrs. Sue Sullivan.

AT 96th ANNUAL TRUE BLUE'S MEETING

Mrs. Robert Harris, immediate past supreme grand mistress of the Loyal True Blue Association of Canada, was one of several Georgetown lodge members attending the 96th annual meeting in Halifax in August. Mrs. Henry Preston, Mrs.

Vic McNiVen, Mrs. Viola Jarvie and Mr. and Mrs. Morley Mills were others who made the trip. The local lodge meets each fourth Tuesday in the Odd Fellows Hall. Several members attended the open house at Richmond Hill

recently which marked the 50th anniversary of the LTB Orange Home for Children there. The local Halton's pride lodge is also marking its 50th anniversary this fall. In a convention photo, from the left, are E.A. Smeltzer, honorary

provincial grand grand master of Nova Scotia; his wife, who is supreme grand mistress; Mrs. Harris; and Robert Wyman, Edwards, Ont., supreme grand deputy master.

UP FOR GRABS

11,000 More Eligible Voters Than in 1967

Fifty thousand people will be entitled to go to the polls of Halton East riding in the upcoming provincial election.

Enumeration of voters of Georgetown, Oakville, Esquesing and Milton is complete, said James Cowan, returning officer for the riding Monday.

Problems in the enumeration were few, said Cowan. He estimated that six people had refused to be enumerated. Enumeration is the first major

step in preparing for the election, he said. Until the Courts of Revision he will not know how well the enumeration was done. "Very few were missed, I am sure."

INCREASE
The eligible voters are up 11,000 in number from the enumeration of the last provincial election in 1967. Thirty nine thousand people were eligible that year (26,000 voted). Cowan, who is acting as returning officer for the first

time, said the major cause would be lowering of the voting age from 21 to 18 and the influx of new residents into the area.

There will be 165 polling subdivisions in Halton East which will include some split polls, predominantly in apartment areas. When the number of voters in a poll reaches a high level, they are divided into alphabetical groups for purposes of voting.

DEPUTIES
Cowan is now proceeding with

the appointment of deputy returning officers and poll clerks for each poll.

The Progressive Conservative party as winner in the last election, suggests DRO candidates while the Liberals, as runners-up in 1967 in Halton East, suggest candidates for poll clerk.

Cowan expects to appoint 175 DRO's and 175 poll clerks.

The election Proclamation which gives times of sitting for the revising officer, are posted throughout the riding. Revising offices are located in Oakville, Milton and Georgetown

ONTARIO

Important message to Ontario residents aged 65 and over

On January 1, 1972, hospital and medical insurance premium payments will be abolished for all residents of Ontario 65 years of age and over. This is in keeping with recently announced Ontario Government policy.

This policy will apply to the age of the certificate holder and will include coverage for eligible dependents. Premium-free coverage becomes effective on the first of the month during which a resident becomes 65.

HOW IT WILL WORK

Under the new plan combined coverage will be continued under the resident's present Ontario Hospital Insurance number. The OHSIP billing system will be discontinued. All residents 65 or over who remit Ontario Hospital Insurance premiums on a pay-direct basis will be requested to complete a premium exemption application.

As the insurance records do not identify those who will be eligible for premium-free coverage, the application, when received, should be completed by those 65 and over and returned as soon as possible in the envelope which will be provided.

If you qualify and have already paid premiums to cover benefits after January 1, 1972, a refund will be made for the over-payment.

Unfortunately, until exemption applications are processed we cannot avoid routine mailing of normal premium notices. However, residents 65 or over should not be concerned: If the notice applies entirely to coverage in 1972, please hold it until the application for free coverage is received.

IF YOU PAY YOUR PREMIUMS THROUGH A GROUP

Persons enrolled in groups will be reported to us by the group and transferred to our "Premium Exemption" file.

Groups will be fully informed about this in the near future.

"THE NAME TO BUILD ON"

Lorne Scots Best Unit at Summer Camp

Judged winners of the Major General G. Kitching trophy as the best military unit in Ontario in the 1971 summer camps the Lorne Scots, Peel, Dufferin and Halton Regiment, will receive the award during a parade and ceremonial in Brampton Oct. 17. The ceremonial will consist of a morning church parade to Christ Anglican Church where new cases for the regiment's colors will be unveiled. Following the church service, the regiment will parade through the downtown area prior to a trophy presentation by Major General Kitching on George Street adjacent to the municipal parking lot.

Colonel D.E. Egan, commanding officer, requested council's permission to have a section of George Street closed off for the ceremony. He also requested traffic policing, the use of the George Street parking lot for guest car parking and the use of the Centennial building for a reception. All requests were granted.

Agrees that Single School System Best

152 Mountainview Rd. S.

Dear Sir, I would like to congratulate the editor on his article "Too Long in Politics" in Editorial Comment of last week's Georgetown Herald.

My husband and I agree one hundred percent with everything that was said.

It seems to us to be a crying shame that children at the tender age of 5 years should be forced to "separate" from their chums that they play with at weekends and holidays in order to go to a different school because of their parents' religious views.

Would it not be a terrible day if we were reading in our national newspapers that our children in Canada were being persecuted like children are in other parts of the world because of this very same situation.

Yours faithfully,
—Mrs. J. Christie
