MRS. BOBBI CALLAGHAN, 2775 Dan Mills Road, Toronto
"I do all my food shopping at Loblaws", says Mrs. Callaghan. "I used to shop other stores but I found I preferred Loblaws. For one thing, Loblaws meat department is really excellent. I often ask the butcher for special cuts and he has them ready for me in mere minutes... and the meat I buy here is always delicious, never fatty at all. Another thing I like about Loblaws is the produce department—everything is so nice and fresh." Speaking about food prices, Mrs. Callaghan, who shops for two, says, "I've compared prices and I think I get better value at Loblaws. I really do!"
