SPECIAL REQUEST BY THE RETURNING OFFICER

"We have good reason to believe that the vote in 1971 will be the biggest in our history — this added to the fact that, of necessity, we have had to split polls into A and B sections to accommedate the anticipated large vote, makes it imperative that you vote early to

avoid confusion and-or congestion of a last misute rush."

Respectfully requested by,

P. James Cowan Returning Officer, Outario.
