Constant Christine Repeats Rally Win

The G.T. Motorsports Club staged their monthly rally Sunday. Organized by Neil and Mary Lou Young it took the rallyers over 88 miles of Halton County's most scenic roads.

Fourteen cars participated with nine cars finishing. Once again, Christine Hamilton drove the winning car with her husband Barry as navigator. Marshall Bain, driver, and Jack Fisher, navigator, finished second.

ALSO FINISHED
The following teams also finished the course in regulation time — Rob and Marie Chambers, third; Mike Hart and Paul Gibson, fourth; Lou and Larry Broadfield, fifth; and Glen Broadhead and Beth Matprize, sixth.

Three other cars finished but were disqualified due to lateness. The Hamiltons received silver mugs for their winning effort and the second place team received a book entitled Larry Reid's New Rally Tables.

ECONOMY RUN
The rallyers met later at the home of Marshall and Susan Bain for pizza.

Next month's event will be an economy run to be organized by Barry and Christine Hamilton. Everyone interested in participating is welcome.

A definite date and starting place will appear in the Herald prior to the next event.

Raiders Still Looking For First Win After Two Losses

Georgetown Raiders are starting strong in their games but slow in the season.

In home and home games against Dundas Friday and Sunday which opened their 1971-72 campaign in the Niagara Peninsula Intermediate A League, Raiders produced six goals, four in the first period, and two in the second, but surrendered 8-3 and 7-3 respectively.

In both starts they cashed in only once past the half way mark, and failed to score in either third period.

Raiders jettied out of the starting game in Dundas Friday night and owned a 2-0 lead before the game was that many minutes old. At the end of the initial period it was 3-2 in their favour. But from that point it was hard times.

COMMAND
Dundas had command, leading 5-3, at the end of the middle period, and punched home three more in a four minute span in the third to erase any doubt.

Big Neil Cotton from Terry Cook and Lance Doucette had the honour of engineering Raiders' first 1971-72 goal at the 46 second mark. Doug Richardson, from Bill Currie and Blake Inglis

matched it less than a minute later. Terry Lane's goal from Doucette with both teams a man short at 17:00.

E. Bodden was a two goal man for Dundas while Donald McIntyre, Offield, Aussem, Cook and Kay counted the others.

UNAIDED
Ron Lane scored Georgetown's first period goal without help as Dundas went in front 3-1 in Friday's first stanza.

Georgetown's second goal scored by Dan Tonello, was also a solo effort, but Cook and Steve Blundy aided Doucette with his goal near the end of the period.

Aussem and Kay each scored a pair. Bodden, James and Cook were the others to beat goalie Brian Chapman.

PENALTY PARADE
Neither club played it polite in this one. Blake Inglis took a

misconduct and a game misconduct, and Georgetown's John Lee and Dundas' Offield traded blows in the second period to earn majors. The penalty tally was 26.

GEORGETOWN HERALD, THURSDAY, OCT. 21, 1971 Page 7

Port Colborne visit Raiders in Memorial Arena tomorrow night. ICE CHIPS — In fairness to Raiders, the team they showed Dundas was not the team that club will see next time around. Coach Gerry Inglis is still looking at some of his hopefuls some of whom will be dropped. . . . Al Stitt signed with the club this week and was joined by Junior Tibbetts and Terry Holmes for the first time at this week's practice.

Pineview Principal Relates Education Aims to Institute

The Citizenship and Education meeting of the W.I. was held on Tuesday evening, October 12, at eight o'clock in the Green room of Hillcrest United Church, with Mrs. Hector Bird as hostess. The 1st. vice-president, Mrs. Cliff Hunter opened the meeting with the ode and creed. Secretary, Mrs. James McPhail read last month's minutes and called the roll, which was answered with "my pet beef about education".

After much discussion everyone voted in favour of the menus that had been outlined to serve at future banquets and teas. Mrs. Vern Pickett read a Thanksgiving poem on Thankful Hearts. Mrs. Frank M. Wilson had a splendid motto "before keeping up with the Jones, find out where they are going."

All enjoyed a sing song of old schoolyard favorites with Mrs. F. W. Wilson at the piano and Mrs. C. B. Dick leading the singing. Mrs. John Ruddell reported on the directors meeting she had attended and announced the District Day for the Institutes would be on November 8 at the Master Feeds Hall.

Cars Collide

The Town Line north of Highway 7 was the scene of an accident October 18, when a '68 Chev driven by Raymond Beckett of R.R. 4 Georgetown, collided with a '68 Camaro driven by Paul Hewson, of Brampton. The Chev received \$40 damage and the Camaro \$200.

want to like school, but they also need love and understanding at home, and mother should be there when they arrive at home. A very interesting question and answer period followed. Mrs. Arthur Ruddell thanked the speaker, the hostess, and all who had helped in the evening's program. After singing O'Canada, a social hour was enjoyed.
