

Wrigglesworth - Martin Vows In Lansing United Church

Rev. W.E. Wilson officiated at the double ring ceremony and Mr. Harton was organist. The soloist, Miss Allison Liversidge, sang The Lord's Prayer before the ceremony and Entreat Me Not to Leave Thee during the signing of the register.

FROST ON THE PUMPKINS?

James Sano of RR2 Norval inspects a heap of pumpkins after the first frost of the season in this area. A department of agriculture spokesman said the first frost came late in the autumn

and is usually recorded around mid-September. Low lying areas got a heavier frost than areas on higher ground. But while there may have been frost on the

pumpkins when James inspected them, they will be soaking in the heat from candle flames and flashing a wide grin because of it in a few days.

Zeta Phi Chapter Looks for "Definition of Happiness"

A meeting of Zeta Phi Chapter of Beta Sigma Phi was held September 21st at the home of Mrs. Dorothy McCarthy.

Among the topics discussed during the business meeting was the upcoming bazaar planned for November. Members displayed some of their already completed handwork which will go on sale at that time. Proceeds from the bazaar will go towards the Chapter's Service Project.

Following the business meeting, Mrs. Lynda Tyrell and Mrs. Dee Butwell presented the cultural program entitled "Definition of Happiness". Mrs. Tyrell began by quoting from Johnny Carson's book "Happiness" such humorous quotations as "Happiness is being the father of nine children and seeing your wife knitting booties - for her sister".

In a more serious note, Mrs. Butwell then read an article by Randolph Sailer depicting the ingredients necessary to happiness, these being: "a commitment to work, as happiness is a by-product of work and duty; self acceptance; tolerance of uncertainty, that is challenging the unknown rather than being

frightened by it; realism, accepting life as it is; and finally appreciating the basic things in life, however large or small."

Each member was then asked to describe a recent incident which had contributed to their happiness and then tell of something each had done to make another happy.

RUSHING PARTY
An evening in Mexico was the theme of Zeta Phi's Rushing Party, held September 28th. The Mexican setting was created by hostess, Mrs. Kathleen Vickery.

Prospective members were greeted by gaily attired Seniors and Senoriatas, and after welcoming the special guests, vice-president, Dorothy McCarthy, led a discussion designed to acquaint the guests with Beta Sigma Phi.

The social committee served an authentic Mexican dinner consisting of En Salada de Naranjas and Enchilados de Pollo, followed by sweets, Empanadas de Dulce and Polvorones and topped off with Chocolat Mexicano.
