

MEDICAL MEN AT CONVENTION

Dr. J. A. McPhee, left, president of the Ontario Chapter of Family Physicians of Canada talks to Dr. Boyd Hoddinott, centre, and Dr. J. P. Panabaker, both of Georgetown during a break at the convention held last week in Toronto. More than 300 doctors from across Ontario attended the scientific and business meetings. The convention ended Wednesday.

Esquering Fox Hunt Like Jolly England

Autumn hues were exceptionally colorful last Saturday when 65 members of the Eglinton Hunt Club from Toronto were hosted at the Style Acres Ranch at R.R. 2, Acton, for an afternoon of fox hunting.

Attired in their hunting regalia the visiting ladies were elegant and the red coated gentlemen dashing, as they donned their black velvet hunting caps and set out on the hunt.

OVERFENCES
Hounds and horses dashed through the bushland, and over

the fences; up hill and down dale, as they chased foxes and hare over the 675 acreage of the local grounds.

It was a glorious scene with a marvellous setting. Gaily appa- ralled hunters and huntresses cantered their steeds and took them over the fence styles in superb fashion. Susie Stone of Main Street, Rockwood, was one of the female equestrians who participated in the exciting event.

NO FOX SHOT
No fox was caught, all hares

were spared; the hunt which began at 12.00 p.m. was over by 4. The ladies doffed their hats, the gentlemen brushed down their steeds, the hounds scrambled to drink from the farm pond as their great tongues lolled in thirst. It had been a hot ride but a truly wonderful and invigorating exercise.

It was the seventh annual ride at the Style Acres farm and, for a while the sound of the hunting

horns and the baying of hounds on the chase reminded neighbors and visitors of Jolly England and the excitement was only matched by the resplendency of the October weather.

HOW'S THE BATTERY?

Is your present car battery going to be effective in zero

weather? Starting difficulty develops irritation in drivers, and is often followed by efforts to make up time by speeding — both of which can lead to collisions. The Ontario Safety League says that good drivers aim to get all essential equipment before the necessity arises in an emergency. If you need a new battery, choose it in the Fall — don't have it forced on you in the winter.

McQuarrie-Hunter Wedding In St. John's United Church

Debra Lynn, daughter of Mr. and Mrs. Bruce McQuarrie, 32 Sargent Rd., Georgetown, became the bride of Richard Alan Hunter, son of Mr. and Mrs. Bert Hunter Stewarttown in a ceremony performed on July 2nd at St. John's United Church.

Rev. Robert Scrivens officiated and Mr. John Taylor was organist. Mrs. Pat Grassy sang The Wedding Prayer, and during the signing of the register, Oh Perfect Love. White and yellow daisies decorated the altar.

The bride, given in marriage by her father in a double ring ceremony, wore a gown of polyester crepe with long, full sleeves and stand-up collar and a lace train length veil, shoulder length veil. She carried a bouquet of red roses.

Mary Mitchell was maid of honour. The groom's sister Mrs. Beverly Tippet and bride's sister Sherry McQuarrie were bridesmaids. Jodine McQuarrie was junior bridesmaid, also a sister of the bride. All were gowned in polyester gowns with flocced daisy vests the maid of honour and junior bridesmaid in yellow, and bridesmaids in green.

After the reception a wedding party was held at the Canadian Legion.

For a honeymoon camping trip in the North, the bride wore a navy and red hot-pant ensemble with a white and yellow corsage. The bride is employed with Glidden Paint, Bramalea, and the groom with Die Mold Tool Ltd. Georgetown.

Before her marriage the bride was guest at three miscellaneous showers and one personal shower.

They carried cascades of star burst mums in yellow and green. The bride's gown and bridesmaid's dresses were designed by the groom's mother.

Harry Price was groomsmen and the ushers were Barry and Ross Hunter brothers of the groom and Neil McQuarrie brother of the bride. Sean McQuarrie was ring bearer, also a brother of the bride.

At a reception at Someplace Else the bride's mother received wearing a blue crepe dress with white and blue accessories and a yellow rose corsage. The groom's mother also received wearing

Make-Up Safer

It's that time of year again, when the little people, the spooks and ghosts are out in full force, full of excitement with safety the farthest thing from their minds. Parents can and should do all they can to protect their young gobins by adopting a "see and be seen" policy.

Instead of buying a funny face, make one using make-up: eyebrow pencil, clown white, colored moustache sticks and anything else your imagination suggests. Face paint provides clear vision, whereas the conventional mask with small peep holes restricts vision and can even slip down over the child's eyes.

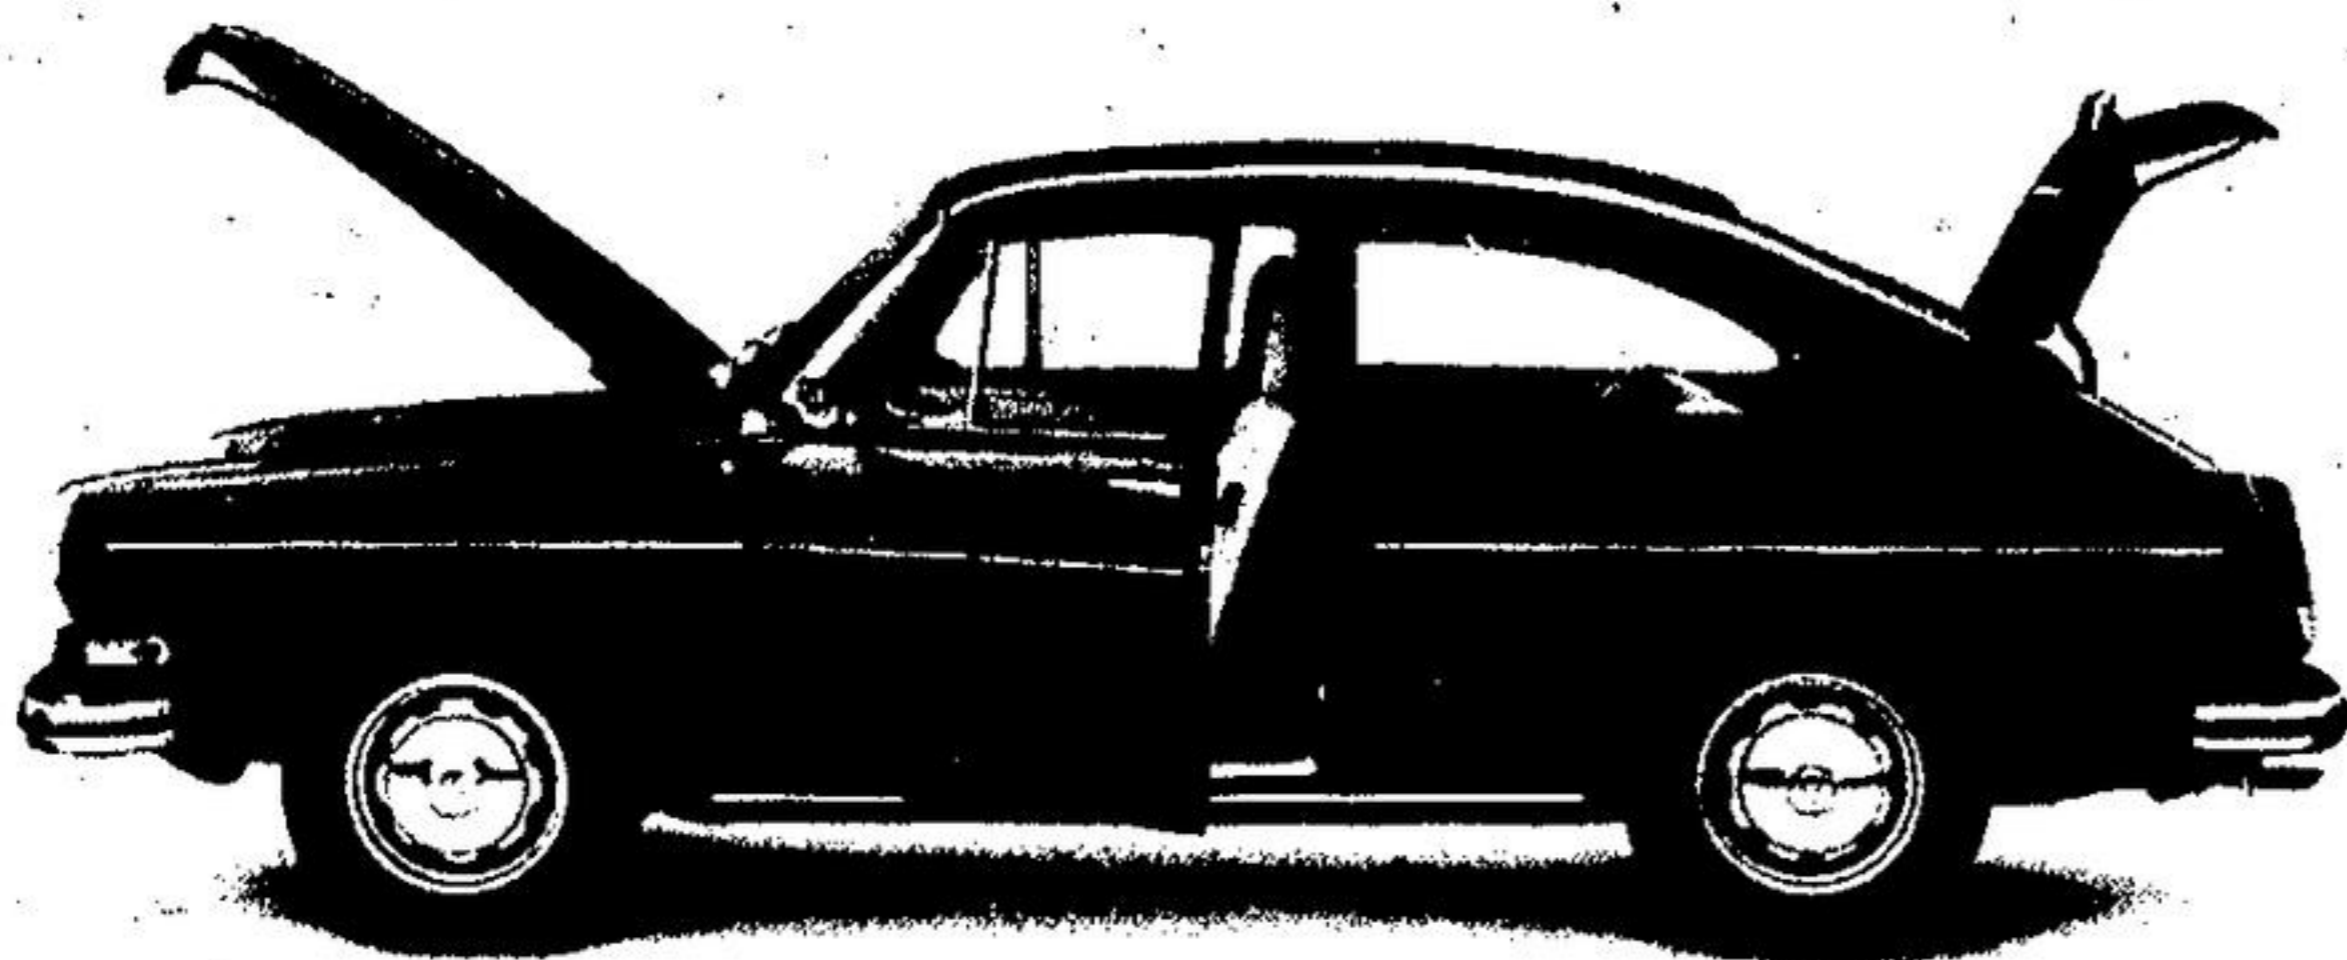

To help drivers see dark clad youngsters after dark, decorate costumes with reflective iron on, sew on, or self stick tapes. It gives an eerie appearance and shows up brilliantly in driver's headlights.

Open the front where most compact sedans store an engine. You'll find our Type 3 stores luggage.

Open the rear where most Volkswagens store an engine. You'll find our Type 3 stores luggage.

Where's the engine?
Underneath the rear trunk. (For better traction.)

Where's the carburetor?
There isn't any carburetor.

Instead, our fuel-injected engine uses a little computer to measure the gas you absolutely need. (About 1 gallon for every 31 miles.)

What you won't have any trouble finding are the front disc brakes. They're up front as standard equipment on every single Volkswagen Type 3 we make.

And there's no problem finding the gears. Since our stick shift is synchromesh, you can go through speeds 1, 2, 3, and 4 as easy as 1, 2, 3.

And with its 65 hp engine, the Type 3 will cruise all day at 84 mph. But don't take our word for it. Close 'er up and see what she can do for yourself.
