Arrange Meeting to Save Scouts, Cubs, Venturers

On Saturday, October 16th, the 1st Norval Cubs and Venturers combined for a successful Apple Day. About 15 Cubs participated. The Venturers, a new group started this fall under the leadership of Art Sweezie, gave valuable help in keeping the day's activities moving smoothly. They were willing, capable helpers. Since the Cub pack presently has no leader the Apple Day was organized by several of the parents who also provided the necessary transportation. Headquarters was the Parish Hall where refreshments were served to the busy workers. Village and area residents as well as visitors to the Arts & Crafts Show were willing buyers of the Cub's apples. Fathers who assisted were Mr. Sweezie, Mr. Watts, Mr. Baumler and Mr. Youmans.

A special meeting of parents of Cubs, Scouts and Venturers will be held on Thursday evening, October 28th, to form a Group Committee. Leaders must be found for both Scouts and Cubs and it is essential to have the support of the parents and any other persons who are interested in furthering this most worthwhile cause. See the coming events column for particulars of the meetings.

It would be too bad if the Cubs, Scouts and Venturers had to fold in the village because of lack of support from the community. First a Group Committee is necessary to sponsor the groups and then leaders are needed. If you can help in any way please attend the meeting.

The fall Thankoffering meeting of Union Presbyterian Church W.M.S. was held in the church Wednesday evening October 6th with Mrs. L. Young, vice president, in the chair. She welcomed the visitors which were present from neighbouring churches.

Mrs. F.L. Thompson, Mrs. Bruce, Mrs. P. Dick and Mrs. Sandles from Brampton Presbyterian Church gave the devotional, and Mrs. Hutchison and Mrs. Braedner from Cheltenham Baptist Church sang a duet.

Rev. Robert Wilson was the guest speaker and spoke on his preparations to do missionary work in Nigeria where he and his wife will soon be working and of the conditions of that country. He was introduced by Mrs. Roy Thompson.

The offering was received by Mrs. Norman News and Mrs. Bill Hunter, Jr. and the dedicatory prayer was given by Mrs. A. VonZuben. Mrs. Frank Dolson gave the courtesies and Rev. H. Smith pronounced the benediction.

The service was followed with a social hour with Mrs. Clarence Anderson and Mrs. Herb Dolson in charge. Mrs. C.G. Bishop and Mrs. L. Young were in charge of the program.

In place of a regular meeting, Norval Women's Institute toured the School for the Deaf at Milton on Thursday evening October 14th. There were 11 from Norval and 12 from Mountainview W.I.

that enjoyed the conducted tour of the very modern school where the boys learn wood working, mechanics, etc. and the girls learn typing, sewing, cooking etc. The evening was planned by Mrs. Joe Murray and Mrs. Harold Gollop, Agriculture and Canadian Industry conveners. Following the tour a short business meeting was held at the home of the president, Mrs. Graydon Chester. Mrs. Joe Murray gave the District Directors report after which lunch was served by Mrs. Jack May and Mrs. Alan Harrop assisting the hostess.

Unit Two of Norval United Church Women held their regular monthly meeting at the home of Mrs. Noreen VanLieuwen on Wednesday evening October 13th with Mrs. Betty Johnson presiding. The devotional was given by Mrs. Marg. Ridley and Mrs. Lillian Grant after which Mrs. Ridley gave a very interesting talk and led a discussion on "Women's Lib".

A food sale of home made baking, salads, etc. was followed by lunch served by the hostess assisted by Mrs. Nellie Shea and Mrs. Glen Laidlaw.

A request was made for a crib

and a play pen for the nursery at the church.

A speedy recovery is extended to Miss Bessie McClure who is a patient in Peel Memorial Hospital, Brampton.

Also a speedy recovery to Mrs. Fred Goodman of Toronto who is in Brampton Hospital following an automobile accident at the intersection of 17' sidersoad and the 4th Line on Thanksgiving Monday. The car was a complete loss.

Mr. and Mrs. Goodman were on their way to visit their niece Mrs. Roy Inompsen, when the accident occurred. Mr. Goodman was treated for cuts on the head and released later in the day.

The Goodman's were to have celebrated their 50th wedding anniversary on Saturday October 23rd with an open house at the home of Mrs. Russell Hutton, R.R. 3, Streetsville, planned by the Hutton family, but the celebration has now been postponed to a later date.

Open house was held at Norval Public School on Wednesday evening October 13th when about 38 parents visited the school and had interviews with the teachers and the principal, Larry Ogien.

The school was redecorated both inside and out during the summer holidays.

Cable T.V. will soon be in the village. Work is to start immediately to extend the cable from the top of the Georgetown hill. Representatives are now calling on home owners to see if they wish to have the Cable T.V. installed.

Taking part in a panel discussion at Norval United Church on Sunday morning October 17th in place of the usual sermon were Larry Ogien, Dick Marshall, Ken Reid, Mrs. John Dunlop, Miss Beth Laidlaw and Rev. R.W. Ridley.

A few topics discussed were "What is the purpose of the church?" "What does the church mean to me?" "Is it necessary to attend church to be a Christian?" "How can the church become more meaningful to you?"

Georgetown Arts and Crafts held a very successful show and sale again this year at The Burgandy Club, the Riviera, Norval, with Ashgrove W.I. serving lunch and afternoon tea. The weather was ideal for an outing and the fall scenery was at its best. —Mrs. Ed. McLean.
