

108 Halton 4-H Kids Complete 128 Projects

Awards night for 108 members of Halton's 4-H agricultural clubs on Friday, October 22 was another gala affair when recipients and donors of trophies, a host of awards, and moms, dads and friends gathered in St. Paul's United Church in Milton for the annual ceremony. The evening signals the end of another successful year of 4-H work in the county.

During the past year 108 members enrolled in 149 projects and completed 128 of them for an 86.5 per cent completion. These figures indicated a rise in membership in clubs this year, an increase in projects taken and a decrease in the per cent completion over last year's figure.

In their opening remarks agricultural representative Henry Stanley and his assistant Hugh Cook congratulated all 4-H club members for their excellent work during the year and thanked the leaders for donating their time and assistance to the program.
