

GETTING INTO HARNESS

If Saturday Morning Hockey is the foundation of minor hockey in Georgetown, the Tyke League is the footings. The very smallest puck chasers have the Memorial Arena ice

from three hours every Friday evening and while they need the aid of no-one once they're launched from the players' bench, the Tykes sometimes welcome a hand

from mom or dad in getting the equipment in place. That's former Raider Terry Brush giving son Scott just the right tension on his skate laces.

Four-Town Teams Will Play in Loftier League

by RICK BRAISBY
Next Saturday, November 13, 1971 will be the final day for registration. At the present time there are approximately 600 boys and the league has now been increased to 40 teams.
The Four-Town teams of each league will play in the next league higher. This is being done to try and make the teams more competitive.
On Saturday a notice was sent home to parents showing the proper protective equipment and another inviting the parents to bring their boys and not send them.
The sale of candy-canes is going extremely well and the boys are urged to keep up the good work.
It is hoped that next week the season schedules will be available to each boy.
The arena has promised that the heaters will be in working order in two weeks time (for the early games especially.)
The sponsorship drive is going well but more sponsors are still needed. Anyone interested should contact D. Jarvie at 877-3630.
EXECUTIVE
There will be a general meeting on November 15, 1971 to elect a permanent executive and we hope all coaches, managers, referees and interested people will attend.

Industrial League - Mac's a Winner at Norval's Expense

North Halton only scored twice, but Glen Williams could only reply once as the winners maintained their unbeaten record in Georgetown Industrial Hockey Sunday.
North Halton got a goal from Hopwood from Morrow and P. Lavell in the first period, and Hay from J. McNiven and R. Lavell in the second and it was enough for the win.
The Glen broke through in third to prevent the shutout when Heppes counted their marker from Hills and Butcher.
In the other game, Mac's Milk picked on Norval in registering their first victory of the season. They had a 4-0 shutout going at two periods and finished with a 5-1 win.
BIG LEAD
Boyce from Glassford, and Hillier from Benoit in the first period, and Hillier from Blasko and Tyler, and Gregory from Kavanagh and Glassford in the second period built the big lead.
In the last period Norval's Bradley scored unassisted, but Mac's Milk matched that when Benoit made it 5-1 unassisted.
Mac's and the Glen each with one win apiece, and North Halton and Norval are paired off in this Sunday's action.

Clearing the Air

HAG says

Cars alone don't cause ALL the air pollution, but emissions from motor vehicles constantly add to it. YOU can do something about it:

1. Have carburetor adjustments checked periodically by a GOOD mechanic.
2. Have spark plugs cleaned and regapped or replaced at regular intervals.
3. Have the engine checked thoroughly if it is burning excessive oil.

Do it NOW and we'll all breathe easier.
