

# His Year in Moscow Source Of Many Stories by Speaker

RALPH HAWES

Thanks to the efforts of comrades Roma Timpon and Bruce Collins the Branch Annual Remembrance Dinner was well organized and went off without a hitch. The meal which was prepared and served by the ladies of the Presbyterian Church was fit for a king, and enjoyed by all. After the meal, the master of ceremonies, Rev. Kelvin Johnson, introduced the head table. The Branch Padre is a man of many talents, for along with offering members spiritual guidance and visiting members who are sick, he is also an outstanding m.c. with a great sense of humour. His wise and witty words are extemporaneous. One of the visiting top brass, ventured to us, that if every branch had such a Padre how wonderful it would be. We agree.

for what he had to say was off the record. Col. Greenleaf then proceeded to keep everyone entranced with his many amusing episodes during his years in Moscow as Military Attaché to the Canadian Embassy. The dance which followed was well attended, and we believe enjoyed by everyone. We should mention right here before we get carried away, that a donation of \$500 was made to the Branch President Norm Ward by Dot Day President Ladies Auxiliary. **SOMETHING NEW** After many weeks of on, off again the powers that be of district "B" have at last come up with a date for the Branch Presidents' meeting. The date is Sunday November 21st. This meeting is something new in the district but not so for zone B. 7. The Branches at this end of the zone have been having such meetings since 1964. However Norm Ward will represent Branch 120 at this meeting and will no doubt if called on, assist them in their efforts. With the Poppy Campaign behind the branch, the next item will un-

## NORTH HALTON REPORT

Police officers at North Halton Detachment of the Ontario Provincial Police worked a total of 886 1/4 hours and patrolled 1515 miles on area roads during the week ending October 30. Seventy six drivers were charged for driving infractions with 26 additional drivers receiving a warning. Thirteen convictions were registered during proceedings in Provincial Court Milton. Sixty six general occurrences were investigated during this reporting period. Included in this number were: 3 thefts and 4 domestic complaints. One building was found to be insecure by officers on patrol. Two vehicles were stolen and later recovered and 2 other vehicles were recovered for other Police Departments with 1 person arrested in connection. One person was reported missing and there were 3 trespassing complaints. Other occurrences were of a minor nature. **DEER TOOK OFF** Nineteen vehicles were involved

in 11 collisions resulting in total property damage estimated at \$6,685.00. Seven collisions resulted in property damage only but 5 persons were injured in the 4 remaining collisions. Seven drivers have been charged as a result of these collisions and more charges are pending. One collision involved a car and deer with the deer falling to remain at the scene. A driver involved in another collision must have taken a lesson from the deer because this driver also left the scene and is still being sought by police. Inattentive driving predominated again as a cause of these collisions with other infractions being fail to stop, parking on roadway, and impaired driving. Prov. Const. J.H.L. Redpath Detachment Accident Prevention Officer, visited Norval Public School and Pineview Public School speaking to 311 students about safety. An address was also given to the Carliisle Optimist Club about snow vehicles.

# October's Warmth Close To Record for Georgetown

October was one of the warmest ever recorded in Ontario, according to a Georgetown man who keeps records for the government. Roger Smith, 9 Guelph Street, notes a mean temperature here of 55.4, which was 6.5 degrees above average. Only in 1963 (56.6) and 1947 (56.2) was October warmer in this century. Average high was 66.6 and average low 43.3. There were five new daily records established, including a new high of 87. This was one degree above October 5, 1951. New records were: 84 on Oct. 1 (record was 80 in 1922 and 1950). 87 on Oct. 2 (82 in 1919). 77 on Oct. 29 (75 in 1929). 75 on Oct. 28 (73 in 1924). 74 on Oct. 31 (73 in 1927).

October was also very dry, with only 1.02 inches of rain, about 40 percent of average. Rain fell on only 6 days, compared with the average 10 days. Winds were generally quite light and this contributed to the frequent night-time fog, recorded on twelve nights, mostly in the latter part of the month. It was not a particularly sunny October, with only 160 hours of sunshine, about 10 percent below average. The periods between Oct. 9-18 and Oct. 23-26 were quite cloudy. However, the warm spell towards the end of the month was accompanied by sunny skies. High temperatures for the past week were: Oct. 27-70, Oct. 28-75, Oct. 29-67, Oct. 30-67, Oct. 31-74.

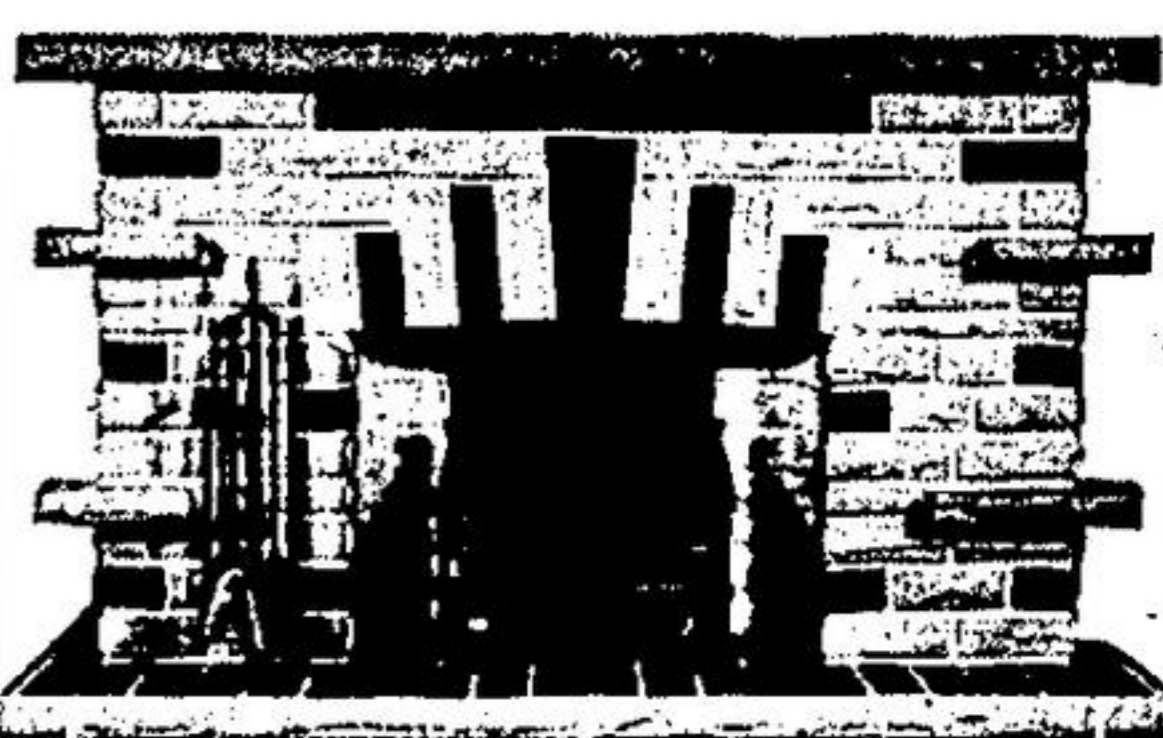

## Presentation Meeting For Sorority Guests

Zeta Phi chapter of Beta Sigma Phi held its presentation meeting October 12 at the home of Deanna Butwell, with Vivien Petermann and Sherrie Hill as guests. In place of regular business, they were shown how meetings are conducted and each member gave a short talk on her duties in the chapter. The program was given by Mrs. Les-Ann Ciglen and Eleanor Cawley, entitled "Travel". Mrs. Ciglen showed slides of their camping trip to the west coast, followed by Mrs. Cawley's trip to Holland. Earlier in the month, Lorrie Ryan's recreation room set the mood for Zeta Phi's barn dance. Guests wore appropriate costume and in the centre of the

room a scarecrow, complete with the stuffing and straw, greeted the arrivals. Games and dancing were the focal points of the evening, after which the social committee served refreshments.

## PORTABLE FIREPLACES

By Martin Fehner - Phone 826-2676

Suitable for Electric Heating in Natural Stone and Brick. Different Colours, Styles and Sizes available. On display at 3354 Mississauga Rd., Mississauga, Ont. Take a drive this weekend. See for yourself. Write for FREE Colour Folder.

# Writes OWRC For Opinion

Cr. Joan Smith again brought up the subject of the sewage disposal plant, at Thursday's committee meeting. She said she was "terrified" about any proposed development, since the plant had been designed for only 15,000 people. "What if an industry comes along and we have to turn it down", she asked. She admitted she sent a letter to Ontario Water Resources, listing the various proposals for development, and asked them for their opinion on them. "Well subdivision could be the straw that breaks the camel's back", she added. **OWRC APPROVED** Cr. Ernie Hyde pointed out that the OWRC themselves had approved it. "What you are saying is really a freeze on everything", countered Cr. Hyde. He stated that the tertiary plant costing \$350,000 had to be added to the plant whether or not any building was carried on. He maintained that the OWRC representative told council the addition of the tertiary treatment plant would probably allow the plant to handle a population of 20,000. **MEETING** Cr. Ernie Sykes, chairman of sewage and sanitation, commented, "As chairman of sanitation and sewage I'm in the process of setting up a meeting with the OWRC to discuss this
