Award \$88,880 Tubes Contract To Varian

An \$88,880 government contract for electronic supplies has been awarded to Varian Associates of Canada Ltd. at 45 River Drive, in Georgetown, by the Defense Supply Agency's Defense Electronics Supply Centre in Dayton, Ohio.

The contract calls for 101 electron tubes, type V.A98M. Contracts awarded Canadian companies are let thru the Canadian Commercial Corporation at Ottawa.

This is a fixed-price supply type contract awarded after competitive negotiations.

The Defense Electronics Supply Centre procures, manages and supplies common electronic parts used by the armed services and various other government agencies.
