

Stainless Steel Streamlining Completes Catering Kitchen

by RALPH HAWES

There has been much activity at the Branch in the recent weeks. Many changes are taking place in the kitchen and vicinity. House chairman, Pat Chamberlain and Gord Reid have been busy cutting through walls, removing cupboards and what have you. A stainless steel serving counter is to be installed, this, it is hoped, will be beneficial to the ladies. We understand the counter is approximately 25 ft. in length, with numerous heated storing space and miles of glass shelves. All this will make for easier service during the many banquets and dinners the ladies cater to. The counter has been stored for

some time awaiting the renovations. How Pat and the many helpers managed to get it upstairs is at present a mystery to yours truly.

PLUMP PRIZES

This is the time of the year for turkey shoots. At the Branch they begin this Saturday December 4. The Branch-Sponsored Air Cadets are offering many plump Xmas turkeys to lucky dart throwers.

On the subject of the air cadets, last Saturday Joe Ashton, District "B" sports officer was on hand at the Branch to make the air cadet 50-50 draw. Joe pulled out ticket No. 1196 which had been purchased by Grady Lenski, and in consequence Grady will have no trouble purchasing his Xmas gifts this year.

Joe (throw the dart) Poirier is not to be left out of the turkey shoot bit. Joe's shoot will be on Friday December 17th. You'll see him there on his old stand encouraging everyone to throw the dart.

MAKING TOUR

Should mention here that John J. McCarthy, the Branch Service Officer, has advised us that Mr. C. W. Wall, Provincial Service Officer, is making a tour of the district and will be at Branch 120 on Tuesday December 7th to assist with problems ex-service personnel and their dependents may have regarding veterans benefits.

The 7th week of the Car Club saw the following names drawn from the drum on Friday, C. Holmes, J. Wallace, H. Eagles, D. Madden, M.

Wilkie and M. Martin. Steak winners at Joe's shoot were (there's a new one) Blue Giant, Bob Waites, V. McLean, D. Thoragood, L. Boyd, D. Paynter and M. Brayley.

On Saturday at the Saturday night dance, The Country Classics had everyone in a dancing mood in very short order. They had a crazy Paul Jones which seemed to have it's affect upon all those there, influencing everyone to dance and keeping the floor full the whole time. Prize winners were D. Norland, D. Woodward, J. Green, George Hughes, and Jack Fergy had a good crowd downstairs at the sing along and bingo where the lucky ones were Bill Gill, Mary Cooper, Herman Nicholson, Fay Todd and Doreen Nicholson.

Norm Ward, president of Lt. Col. G.B.S. Cousins Branch 120 Royal Canadian Legion, presents a cheque for \$720 to

Georgetown and District Memorial Hospital administrator Fred Whittaker. This will buy an ultra violet

light and infra red lamp for the physiotherapy department, also a spectrophotometer for clinical tests in the laboratory.

Give Your Blood is Challenge from Mayor

Dear Sir: As the Christmas season approaches, we tend to get caught up in our personal holiday plans — visiting good friends, decorating the tree, buying last minute gifts. But, accidents and illness do not take a holiday. Every day, whether a working day, Christmas or New Years, patients in hospitals need blood transfusions.

The Red Cross Blood Service exists for the benefit of all Canadians. It provides whole blood and blood products for any patient in any hospital at no charge to the patient. This is only possible because there are people who care — care enough to give blood regularly. Blood cannot be manufactured; it must come from people. At this special time of year, there is usually an increase in accidents and people don't always take the time to donate blood. The result can be serious blood shortages in our hospitals.

With this in mind, I have initiated with the cooperation of the Georgetown Red Cross, a Mayor's Challenge Clinic. I have challenged the Municipalities in Halton County: Acton, Milton, Burlington and Oakville, based on attendance of existing donors and new donors. I am proud of Georgetown and I know you are, I know that we can depend on your community interest and spirit in making this, the first Mayor's Challenge Clinic, a success.

On your Christmas list don't forget to include a visit to the Mayor's Challenge Clinic, on December 6, 1971 at the Holy Cross Auditorium from 1:30 to 8:45. This Christmas give the greatest gift of all — the Gift of Life. Yours very truly, William R. Smith Mayor

Limehouse Steady Readies Near End of 4-H Course

The Steady Readies 4-H girls met at the home of leader Mrs. Bruce Lindsay on Saturday. Roll call was "How I would define a good citizen." The girls examined first aid kits and road signs, and were told of public services. Their record books must be completed and handed in on December 8. Refreshments were enjoyed afterwards.

Mr. and Mrs. Charles Mather, formerly from this village, left Canada on Sunday, motoring to the San Francisco area, where they will be in the bakery business. We wish them the best in their venture. They are both experienced, having owned a similar business in England some years ago. A week ago Mr. Mather flew to Oxfordshire, England, for a short visit with their relatives there.

We welcome Randall and Beverly Banish, newlyweds from Toronto and Unionville, to the village. They have settled in the home they bought from David and Gerry Baiter on Wolesley Street.

Mrs. Neil Anderson, with her father, flew to Kansas City to visit her uncle for a couple of weeks recently.

Dr. J. C. Hay, a professor at Knox College, Toronto, will conduct services at Limehouse Presbyterian Church Dec. 5, 12, 19 and Jan 2. Rev. Hugh Davidson, secretary of stewardship and budget of the Presbyterian Church, preached last Sunday.
