Curling

Comment

The ice in our 'ice palace' is back to top form. Al used the burner last Friday and brought it to a shiny, new, clean surface. For the benefit of some of our curlers, please don't wear your street shoes on the ice. Keep a special pair of shoes or rubbers for curling only. This will help to keep the ice clear of dirt and salt from outside. Lots of sociability coming up, with a turkey bonspiel, New Year's dance and wine and cheese party all in the offing.
