40 Air Cadets Visit North Bay C.F. Base

by FRANK BULL
As we all know Santa arrived in town December 4th accompanied by his usual band of merry makers and marching bands. The cadets of 756 Squadron are to be congratulated for a great turnout. You can be proud, as were your sponsors and officers for a job well done.
Maybe next year we can look forward to even greater participation, why not? we have the vehicle.
The evening of the 4th was for the squadron adults, sponsors, instructors and officers accompanied by their wives spent an enjoyable evening at St. Alban's Anglican church hall, Geln Williams dancing to the music of groups too numerous to mention.
The high point of the evening was the presentation of a gift from those present and all cadets of 756 squadron to our squadron Padre and his wife to mark their forthcoming silver wedding anniversary.
Again, Reverend and Mrs. Kelvin Johnston, sincere congratulations from 756 on your 25th.
Tuesday morning some 40 cadets filled a bus to visit the Canadian Forces Base at North Bay. This visit should have been of great interest to everyone and I am hoping in a future column to have a trip report from one of our cadets.
This coming Monday, Tube Steak Monday, should see our sponsoring group at Cedarvale real early boiling hot dogs etc. for our usual Xmas Feast. If they are as good as last year, there goes my diet again.
