It is ironic that, in

the midst of putting our house

in holiday array - in decking "the halls

with boughs of holly", and doing all the other

happy chores of Christmas, we are often bereft of the inner

spiritual grace that can light our lives! * * * Let us continue to make

merry - to add swag of greenery to our front door, and wreaths high

and beautiful. But let us also open our hearts and minds to the true

meaning of Christmas. Let the shadow of these wanderers grace our

homes in every way. Let us make the Virgin Mother, the kindly Joseph'

Fluoridation, approved by plebescite, was crushed by Georgetown voters in a 1970 Milton voters enthusiastically last week. A total of 1,284 voted against adding it to Milton's water supply while just 456 were in favour.

> Fluoridation supporters were in scant supply at the Martin Street School, the vote results headquarters, although op-ponents were obvious with loud cheers as the lopsided totals came in.

Fluoridation was trampled in every poll without coming near anything that could be called close. In two polls the negative votes quadrupled the af-Voter turnout was near the 50

percent mark for the elections, a below average turnout for Milton elections.

HIGH HOPES Fluoridation sparked a Vote Yes For Fluoridation Committee backed by Milton's doctors and dentists. It was not saying fluoridation would win but had high hopes.

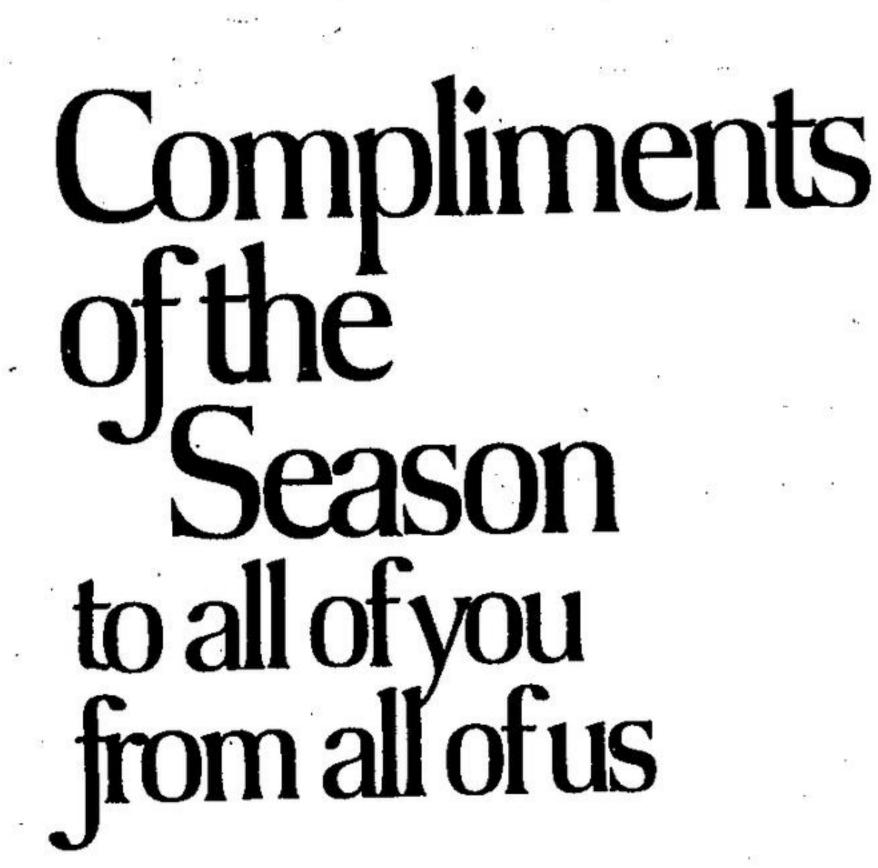

Letter writers loaded down the editor's page in the Canadian Champion, Milton's weekly newspaper, each week with pro and con views of the issue.

The candidates did not declare their views on fluoridation in the mild campaign. The incumbent councillors were on record from council votes but the newcomers avolded the issue as costly in
