Branch 120 Enters '72 Prepared for New Projects

by RALPH HAWES

Now that we are into the new year we have so much to look forward to, such as new license plates, town taxes, income tax, and the many other joyful things each new year brings with it.

To the Branch, the new year which is but a few days old, will bring with it many more challenges to again uphold the "aims and objects of the Legion". To hold up our end in the community. This we honestly believe Branch 120 has done in the past. We Legion members of 120 have much to be proud of as veterans and members of this community, for 120 is ever ready when called on.

Looking back over last year, there were some who were disappointed with the outcome of the kid hockey hassle, but the Branch at once took up the slack by pledging \$5,000 towards installing lights for the ball park. This was quickly followed by donations to the hospital. The obligation to the Royal Canadian Legion, B.C.E.L. fund was fulfilled almost as soon as it was asked for, as were donations to organizations too many to mention.

NEW PROJECTS

We believe this year will see new projects, which will come from the provincial and dominion commands, also, many community projects which we know the Branch will take in its stride.

We have one very happy membership chairman in the Branch. Harry Atkinson made his last count of "early birds" on New Year's Day, and came up with a count of around 200 which is excellent, for owing to illness, Harry got off to a poor start on the "early bird" campaign, and for a while it looked kind of shaky. However, Harry dug his heels in and produced a good show Harry!

LIFE BLOOD

In this column we tend to dwell frequently on the subject of service to veterans and the projects of our community. Again in this direction we would quote the Ontario President, Don Wilson, who wrote recently in a

Provincial Command Bulletin, "Service is the life blood of our organization, and if we were to let one knock on our door go unheeded then we shall not have lived up to our obligations and the end result would be to fold our tents and silently steal away."

ENCOURAGING

It would seem that the 1971 poppy campaign was a terrific success. The figures from Ontario Command which could be a guide to the results of the other commands, are most encouraging. Three and a half million lapel poppies were used in Ontario, the highest number ever.

The distribution of wreaths surpassed the previous year by 315. All in all it is an excellent achievement with the credit going to the Branch Poppy Chairmen for the outstanding manner in which they conducted the poppy campaign at their level.

As always, members of Branch 120 ended the year on December 31st with the traditional New Year's party, the auditorium was full to capacity with carefree couples anxious to bid the old farewell, and to greet the new with welcome. The old turned out to be Jimmy and the new, Baby Hank.

Bruce Collins and helpers Virtie and Doris put in a long day preparing and cooking an excellent Chinese lunch.

The Alf Sutton orchestra were kept busy throughout the evening and we hours of the morning satisfying the eager dancers.

Roma Timpson who organized the whole thing did an excellent job. It's a good thing the Branch has such people as Roma, Bruce, Chuck, Pat, and many others who do their bit to keep things running smoothly throughout the year.

DID YOU KNOW?

Potatoes retain a higher vitamin and mineral content when cooked in their own jackets. If you soak the potatoes before french frying them you get a lighter colour but some vitamins are lost.

Mrs. Victor McDonald Resident 60 Years

A Georgetown resident since 1911, Mrs. Victor J. McDonald, 38 Maple Avenue West, died at Georgetown hospital December 27. She was 80.

The former Florence May Shelley, she was born in Hamilton, Ohio, daughter of William and Sarah Weir Shelley. She was a member of St. John's United Church.

She leaves her husband, whom she married in 1914, a son Alan G. McDonald, Vero Beach, Florida and daughter Bernice of Toronto, and a brother, Earle D. Shelley, Troy, Michigan.

Rev. Robert Scrivens conducted the funeral service December 30 at the McClure-Jones Funeral Home, with interment following in Greenwood Cemetery. Pallbearers were Graham Farnell, James F. Evans, Edward Arnold, Douglas

Empty Barn Burns

A blazing barn on the town line, north of 17 sideroad, lit up the sky, and could be seen for miles around, Monday afternoon at five o'clock.

The empty, unused barn on property owned by Wilfred Leslie, was burned to the ground, but a nearby trailer was saved.

Thursday, shortly after noon, a chimney fire at the home of John Mills, 70 Maple West, was contained by firemen before it reached the roof.

The fire started in a downstairs room and spread into a partition doing an estimated \$250 damage.
