MRS. J. WATSON, R.R. #2, Oshawa. Mrs. Watson buys food for a family of six and she says: "I'm very pleased with Loblaw's—the food is good and I especially like Loblaw's meat. I've tried other stores but I've always had to come back to Loblaw's for meat. I just can't seem to get the same quality anywhere else. Anyway, I feel I get good buys at Loblaw's—I don't see any difference in the prices and as I say Loblaw's quality is inclined to be better than at the other stores. In fact, I care more about quality than price and I've always been happy with the food I buy here. Of course, I don't just buy everything I see—I watch for good buys; good value; and I've been able to get that at Loblaw's."
